

## Safe School Plan Approval 2015-2016

We, the school site council/school safety planning committee, have read and approved this Safe School Plan pursuant to Education Code 35294.1 (2) and (3). We have consulted with a representative from a law enforcement agency in the writing and development of the comprehensive school safety plan. It addresses the safety concerns identified through a systematic planning process. It identifies strategies aimed at the prevention of, and education about, potential incidents involving crime and violence on the school campus.

## ECESD Safe School Plan

**SUMMARY SHEET: AREAS OF DESIRED  
CHANGE AND ACTION  
2015-20156**

- 1. Data sources reviewed by Committee.**
  - a. Parent / student / teacher surveys
  - b. Behavior data: suspensions, expulsions, referrals
  - c. Attendance-truancy and suspension data.
  - d. Property loss / accident reports / vandalism work orders
  
- 2. Areas needing improvement or change (from data).**
  - a. Although reported incidents remain low, the number of bullying incidents at Kennedy Middle School, as defined in California Education Code 48900 (r), have increased.
  - b. Although incidents of drug and alcohol possession and/or intoxication remain low at Kennedy, this is always an area of concern because it may put students in harm's way.
  - c. Vandalism and graffiti, has dramatically gone down from the previous three years 2011-2014. For example, the school gymnasium has been broken into three times between 2011-2013. Extensive graffiti has occurred on campus during weekends and on Winter Vacation in 2012. In addition, several classrooms were broken into and technology equipment was stolen during the 2011-2012 school year. The student services office was broken into during the Thanksgiving break of 2013. In 2014, the student services and main office was broken into on two occasions.
  - d. Lockdown emergency procedures need to continuously be updated and drilled to ensure that staff and students are properly prepared in the instance that this procedure must be utilized.
  
- 3. Possible causes of safety concerns in these areas.**
  - a. The issue of bullying has become a national concern, particularly for young adolescent students. This issue has exacerbated by the wide accessibility of electronic communication devices and social networking sites. Often bullying incidents that occur at school are continued by students on the Internet and vice versus. This form of electronic bullying makes it very difficult for parents and school officials to become aware of

the issue and address the problem. On some occasions, students and parents are misunderstanding what bullying is.

- b. Drug and alcohol abuse is a persistent concern for parents and educators. Students are often inundated with media images of drugs and alcohol, and it is important to provide early prevention and intervention programs for students. In addition, schools must communicate to students and parents about the consequences for possession of drugs, alcohol and paraphernalia at school.
- c. Kennedy Middle School has experienced some incidents where the campus has been vandalized. These incidents have taken place during the school day. Examples of vandalism include tagging in the bathrooms.

**4. Desired actions.**

- a. Kennedy will implement a variety of culture building activities through the advisory program such as Raising Respect Program, Anti-Bullying, Say No to Drugs, academic monitoring, and other student engagement activities. The purpose of these activities is to develop a sense of belonging and connection amongst the students towards their school. We believe that students that are engaged in positive activities at school are less likely to be involved in high-risk activities and bullying.
- b. Kennedy will work with Imperial County Behavioral Health to implement the "Too Good for Drugs" program through the PE classes. This program works with students on five components: 1) goal setting; 2) decision making; 3) bonding with others; 4) identifying and managing emotions; and 5) communicating effectively. Kennedy's staff believes that this program will assist students with becoming better educated about the dangers of drugs and alcohol, as well as positive decision making strategies.
- c. Kennedy will work with district personnel to identify ways in which to better secure the campus from break-ins and vandalism after school hours. Video cameras have been installed to assist identifying students who are causing the damage. Placement of additional cameras has been identified as a desired action.
- d. Staff training will take place to review lockdown procedures with all staff. Teachers will review the lockdown procedures with their students during advisory class, and the procedure will be practiced.

7. Kennedy classrooms are technologically modernized. All classrooms have been equipped with LCD projectors and wireless internet, and teachers have access to desktop and laptop computers.

### **Areas of Desired Change (based on qualitative and quantitative data):**

1. Kennedy's goal is to remain a "graffiti free" and "vandalism free" campus.
2. Kennedy will work with district personnel to improve campus security after school hours and during holidays. These efforts include: installation of additional video surveillance cameras; working with community members to report suspicious behavior on campus during off hours, and training staff on methods to properly secure gates and facilities.
3. Improvements are needed to Kennedy facilities to ensure that rooms are secure during lockdown emergency procedures. Specifically, rooms that are unable to be locked from the inside need to be secured during lockdown procedures.
4. Kennedy will work to refresh outdated computer hardware and technology in the classrooms.

**ECESD Safe School Plan**  
**DEVELOPING OUR GOAL(S)**  
**2015-2016**

1. **Based on the analysis of data and major areas of desired change, our priorities for action are as follows:**
  - a. Kennedy's staff is committed to providing a bully free environment in which students feel comfortable to report such acts, including electronic bullying.
  - b. Kennedy, working in collaboration with Imperial County Behavioral Health, will provide students and parents, education and prevention presentations regarding the dangers of drugs and alcohol.
  - c. Kennedy staff will work to provide a graffiti free and vandalism free school. Efforts will be made to ensure that the campus is secure during and after school hours, and the installation of video surveillance and communicate these procedures to the students and parents. The principal will also work with the district personnel to ensure that all rooms are secure during lockdown procedures.

2. **Our overall goal(s) for the 2015 – 2016 school year are:**

**Component 1:** Kennedy will decrease incidents of bullying on campus, lower the suspension rate, as well as incidents involving students under the influence or in possession of drugs, alcohol, and/or paraphernalia.

**Component 2:** Kennedy will remain a graffiti free campus during and after school hours, and will improve security precautions regarding lockdown procedures.

BULLETIN No. 58-1  
Revised: September 10, 2001

**SUBJECT: MANDATORY SCHOOL CRIME REPORTING PROCEDURES**

- I. BACKGROUND**
- II. REPORTING REQUIREMENTS**
- III. REPORTING PROCEDURES**
- IV. EXHIBITS**

**I. BACKGROUND**

- A. In 1994, the California Legislature and the Governor agreed to suspend the School Crime Reporting Program statewide for one year and directed the CDE to revise reporting procedures. Statewide data collection procedures were reinstalled on July 1, 1995 with the Safe School Assessment Program.

**II. REPORTING REQUIREMENTS**

- A. Penal Code Section 628 et. seq. established legal requirements for reporting school crime.
- B. Data from the California Safe Schools Assessment will provide an important part of planning and implementing safe school strategies.
- C. Data from the California Safe Schools Assessment will document trends statewide in school safety and reflect positive steps taken by local schools to prevent or reduce crime on school campuses.

**III. REPORTING PROCEDURES**

- A. School principals/designees are required to follow the procedures outlines in the CSSA School Crime and Incident Reporting Manual (2001 Edition), and use the CSSA School Crime Reporting form. The procedures are summarized as follows:
  - 1. Immediately after a reportable incident occurs on a school campus, the principal/designee should record the appropriate information on a CSSA School Crime and Incident Reporting form.
    - a. The CSSA School Crime and Incident Reporting form is a 3-part carbonless form (Exhibit # 1).

- b. The top two copies should be immediately sent to the Pupil Services and Attendance Office. The third copy is to be retained for school records.
2. Completing the CSSA School Crime Reporting form.
- Print or type the school name, district and CDS code.
  - Mark the box for the appropriate school level.
  - a. DATE: Record the date of the incident in arabic numerals.
  - b. TIME: Mark appropriate box.
  - c. LOCALE: Mark the locale that best describes the location where the crime took place.
  - d. DESCRIPTION: Select the crime category appropriate to the incident (mark only ONE). If crime category is not listed, do not report it.
  - e. COST: In the case of property crimes, estimate the gross Dollar loss resulting from the crime committed against school property. Complete this section only if the dollar loss is \$100 or greater for arson, vandalism, or graffiti. For theft, complete this section if the loss is \$50 or greater.
  - f. WEAPON: Be sure to mark if a weapon was involved. If yes, check appropriate weapon.
  - g. SUSPECT (S): Complete this section for all crimes. If the suspect(s) is/are unknown, mark the appropriate box. If there are more than four suspects, complete the suspect information on additional forms and cross reference the incident numbers from both forms.
  - h. VICTIM INFORMATION: Complete this section for all crimes against persons, including those reported as an Other Hate Crime/Incident. If more than two victims, complete the victim information on additional forms as needed and staple all forms to the same incident together.

3. Attach a copy of the suspension notice (Exhibit # 2) to the Crime Report (only 48900 subdivisions that are reportable) and send to the Pupil Services and Attendance Office along with the School/Program Site Monthly Transmittal Form (Exhibit # 7)
5. Send the CSSA – Distric/COE Suspension Data Request Form (Exhibit # 3) (requested twice a year) to the Pupil Services and Attendance Office to verify match between Crime Reports and suspensions under 48900 codes.

#### Reporting Tips:

- a. Classify and report attempts to commit a specific crime as though the crime was actually committed. Attempted homicide is to be reported as assault with a deadly weapon.
- b. If multiple crimes are committed in the same incident, by the same person(s), classify the crime by most serious offense (Exhibit # 5: CSSA Suggested Hierarchy Guide of Reportable Offenses of School Crime). The exception is arson in conjunction with another crime. If this occurs report both the arson and the other crime.
- b. Do not report sexual harassment or sexual exposure (suspension should be under 48900.2)
- c. "Touching" or grabbing the private areas of another person is a sexual battery/assault and should be reported to CSSA as a Sexual Offense (suspension should be under 48900(n)).
- d. "Battery" is reportable if: 1) There is an aggressor (suspect), who 2) intended to cause physical harm, to 3) another person (victim) who did not hit the aggressor.
- e. Verify that the suspension notice for each crime report matches the 48900 subdivisions that are reportable. (Exhibit # 4 Education Code 48900 as it Relates to CSSA Reportable Offenses)

#### IV. EXHIBITS

## Suggested Hierarchy of Reportable Offenses of School Crime

To be used as a GUIDE only; this Hierarchy is not mandated.

Note: Hate crimes are not separate, distinct crimes, but rather the motivation behind a crime. For that reason, they are not listed separately on the Hierarchy.

Hate motivated incidents are not considered crimes and therefore are also not included in the above Hierarchy.

In cases where more than one offense is committed during a single incident, this Hierarchy may be used as a tool to determine which offense is reported on the CSSA Incident Reporting Form. This is not a mandated reporting hierarchy. Unusual situations may arise that are not covered in the hierarchy guide. In classifying these unusual situations, the nature of the crime should be considered along with the guidelines provided. If assistance is needed phone a CSSA technical assistant at 800-273-6363. Your district may elect to make their own hierarchy for ease in determining which crime is reported when multiple crimes occur in one incident.

BULLETIN NO. 18-1  
July 1, 1994

SUBJECT: CHILD ABUSE

- I. Purpose
- II. Child Abuse Reporting Requirements, PC 11166(b)
- III. Access to Records and Confidentiality
- IV. Reporting Procedures
- V. Responsibilities of District Employees
- VI. Ordering Forms
- VII. Attachments

I. PURPOSE

The purpose of this bulletin is to bring together California Code references, district policies, and procedures relating to child abuse. It is designed for ease of reference and immediate availability.

The El Centro School District Board of Trustees and staff recognize that students have greater opportunities to benefit from instruction when they are safe and secure and can trust adults. It is the responsibility of all staff to increase children's opportunities for learning by protecting them from child abuse, by collaborating with other persons mandated to report child abuse, and by cooperating with public agencies responsible for protecting children and aiding families in trouble.

II. CHILD ABUSE REPORT REQUIREMENTS, P.C. 11166(b)

California Penal Code Section 11166(b) mandates the reporting to designated authorities of cases of suspected child abuse and reads as follows:

"... any child care custodian, health practitioner, or employee of a child protective agency who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall report the known or suspected instance of child abuse to the child protective agency immediately or as soon as practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident".

*Now*

It is the policy of the El Centro School District that all employees shall comply with the law's reporting procedures. The penal code obligation to report child abuse applies to certificated employees. This law also applies to instructional aides, teacher's aides, teacher's assistants, and classified employees who have been trained in the duties imposed by this law. These employees are considered to be mandated reporters.

Legal Responsibility - Penal Code Section 11166

- A. Any child care custodian, medical practitioner, non-medical practitioner, or employee of a child protective agency who has knowledge or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall (1) report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practicably possible by telephone and shall (2) prepare and send a written report within 36 hours of receiving the information concerning the incident. For the purposes of this article, "reasonable suspicion" means that it is objectively reasonable for a person to entertain such a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his or her training experience, to suspect child abuse."
- B. Any child care custodian, medical practitioner or employee of a child protective agency who has knowledge of or who reasonably suspects that mental suffering has been inflicted on a child or his or her emotional well-being is endangered in any other way, may report such known or suspected instance of child abuse to a child protective agency.
- C. When two or more persons who are required to report are present and jointly have knowledge of a known or suspected instance of child abuse, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by such selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so, shall thereafter make such report.

- D. The reporting duties with regards to child abuse are individual and no supervisor or administrator may impede or inhibit the reporting duties and no person making such report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with the child abuse reporting laws.
- E. When a minor has been taken into custody as a victim of suspected child abuse, the principal or other school official shall provide the peace officer with the address and telephone number of the minor's parent or guardian. The peace officer shall take immediate steps to notify the parent or guardian, or responsible relative of the minor that the minor is in custody and the place where he or she is being held. If the officer has a reasonable belief that the minor would be endangered by a disclosure of the place where the minor is being held, or that the disclosure would cause the custody of the minor to be disturbed, the officer may refuse to disclose the place where the minor is being held for a period not to exceed 24 hours (effective January 1, 1985).
- F. Also effective January 1, 1985, a principal or other school official shall release a minor pupil to a Children's Services Worker upon request for the purpose of removing the minor from the school premises. The Children's Services Worker must provide identification upon request.

### III. ACCESS TO RECORDS AND CONFIDENTIALITY

- A. School districts may release information from pupil records without written parental consent or judicial order in connection with an emergency. Student records information may be given to appropriate persons in connection with an emergency if the knowledge of such information is necessary to protect the health or safety of a student or other person. Factors to be taken into account in determining whether information from a pupil record is to be disclosed:
1. The seriousness of the threat to the health or safety of the student or other individuals,
  2. The need for the information to meet the emergency,

3. Whether the parties to whom the information is disclosed are in a position to deal with the emergency, and
4. The extent to which time is of the essence in dealing with the emergency.

C. Confidentiality

Reports of suspected child abuse and information contained therein may be disclosed only to the following:

1. Persons or agencies to whom disclosure of the identity of the reporting party is permitted under Section P.C. 11167.
  - a. Between child protective agencies.
  - b. To counsel representing a child protective agency.
  - c. To the district attorney in a criminal prosecution or in an action initiated under the Welfare and Institutions Code Section 602.
  - d. To counsel appointed pursuant to the Welfare and Institutions Code Section 318.
  - e. To the county counsel or district attorney in an action initiated under Civil Code Section 232 (termination of parental rights) or Welfare and Institutions Code Section 300 (dependent children).
  - f. By court order.
2. Persons or agencies to whom disclosure of information is permitted under subdivision (b) of Section P.C. 11170.
3. Persons or agencies to whom investigations of child abuse are coordinated under the regulations promulgated under Section 11174.
4. Multidisciplinary personnel teams as defined in subdivision (d) of Section 18951 of the Welfare and Institutions Code.

- 5. Persons and agencies responsible for the licensing of facilities which care for children, as specified in Section P.C. 11165.7.
- 6. The State Department of Social Services, as specified in paragraph (3) of subdivision (b) on Section P.C. 11170.

Any violation of the confidentiality of child abuse reports shall be a misdemeanor punishable by up to six months in jail or by a fine of five hundred dollars (\$500) or by both. (P.C. Section 11167.5).

## WHERE TO REPORT

### LOCAL AGENCIES INVOLVED IN CHILD ABUSE/NEGLECT:

If child abuse/neglect is suspected, the principal or mandated reporter must report immediately by phone to the local police department and to Child Protective Services' 24-hour emergency response line.

If an injured person cannot be brought to the first aid station, assistance will be sent to the injured.

2. **UTILITIES:** Hector Chairez, Guillermo Martinez, and Jose Ascencio are responsible for turning off gas at the meter and all electricity. Water will be turned off only if there is significant break in the water line.

These people have the responsibilities for knowing where gas valves and electrical master switches are located. After they have completed the above, they are to be report to the Command Post to give their report.

3. **FIRE CONTROL:** Hector Chairez, Guillermo Martinez, and Jose Ascencio will especially alert to this problem and will not only obtain and use fire extinguishers but direct others to extinguisher location and use, if necessary (need to list location of electrical and gas).

4. **STUDENT CONTROL:** Classroom teachers are responsible for the students in their classrooms at all times. Teachers assigned to Seek and Find and to First Aid should give their class list to the person assigned to their class, after taking their students to the staging area. (See Student Control, page 1). After arriving at the staging area, the following teachers will supervise their classroom, as well as the one assigned:

Mrs. Yturralde (takes Mrs. Pacheco)	Mr. Ceasar (takes Mr. Labrada)
Mr. Espinoza (takes Mrs. Petree)	Mrs. Acosta (takes Mr. Martinez)

Teachers (on Prep, for example) and teacher assistants not assigned to specific duties responsibilities will report to the Command Post and will serve as directed. Teachers on Prep period at the time of the earthquake will report to the Command Post immediately. They may be asked to supervise another teacher's class.

**OTHER:** It is impossible to plan for every possibility. It is imperative, however, to have basic plan that will give us some organization from which to start coping with almost any catastrophe.

In the event of the 'real' thing, you must use your best judgment. For example, in earthquake you 'duck and cover' and wait for further instructions. If however, you see that a wall is leaning precariously or smoke and flames are belching forth from a wall, evacuate immediately. Keep students away from the overhangs above the walkways.

Follow the evacuation route in the handbook.

Keep students away from metal fences. Check for fallen electrical wiring. Use alternate evacuation route, if hazardous conditions are evident along the regular route. Sit on the ground or stand, as conditions permit, after arriving in safety area.

Each teacher for each class needs to have three (3) students who will take charge, if needed.

The Assistants – Messengers will serve to keep the communication lines open. Every effort will be made to keep you informed. In the meantime, reassure and keep morale high among your students.

Prepare an emergency pack and water supply: place near door. Instruct students in the plan for carrying water and emergency pack to assigned safety area.

Instruct/rehearse students to get under desks, or tables, face down with heads away from windows. Have them hold the legs of their desks.

### **EVACUATION PROCEDURES, IF NECESSARY**

**EVACUATION ROUTE:** Safest route to the staging area north of the gym. Students sit down, conditions permitting, and adults supervise.

#### **EVACUATION:**

**Teacher:** if ordered to do so or if there is obvious structural damage with clear and present danger:

- A. Determine that the danger is less outside than the danger inside (i.e. no wire down and blocking the door.)
- B. Evacuate room following pre-planned route.
- C. Retrieve Emergency Pack. Take roll book and check by student names. (keep class list in pack)
- D. Check to see that room is clear – no one was left under desk.
- E. Count pupils on way out door, plus do visual check. Place hanging card outside your door; RED if students remain in classroom and green if no students remain. Immediately upon arrival at staging area, take student count, using roll book (class list).
- F. Upon arriving at staging area, have pupils sit safely on the ground, conditions permitting, away from metal fences. Keep them calm and keep them together.
- G. Upon the proper signal, or direct order, return to your room, or other area as directed. (Take roll call to be sure that all pupils have returned.)

#### **Students:**

- A. Remain in the room in the 'duck and cover' configuration, until ordered by the teacher to evacuate. If you evacuate, follow silently, staying together in line. Tell teacher if anyone is hurt. Stay together, do what teacher says, stay calm, do not run. Safely stay away from metal fences and fallen electrical lines.
- B. If there are **NO** adults conscious, in the room, you are to remain in a 'duck and cover' position and wait for further instructions. (The exception is FIRE: then evacuate quietly,

- maintaining order, using your planned route. Report to the nearest teacher with class roll book if possible.)
- C. Between class periods, or during lunch: move away from building, overhead wires, trees, metal fences.
  - D. Do not run or panic. Sit on the ground.

**Secretary/Administrative Assistant:** In case of evacuation of the office, report to the command post and bring the following items:

- A. Class Lists
- B. Enrollment Cards
- C. Emergency Cards
- D. Motorola Two-way District Radio
- E. Site Radios

**Cafeteria Clerk:** In case evacuation, report to the command post and bring the following items: ice, water.

### **DRILLS:**

The following types of drills will be conducted periodically:

- A. Practice 'duck and cover' with no evacuation
- B. Practice 'duck and cover' with evacuation
- C. Practice B with added confusing elements
  - 1. Smoke (Simulated)
  - 2. Fire (Simulated)
  - 3. Wires down (Simulated)
  - 4. Injuries (Simulated)
  - 5. Principal absent from campus (call secretary to conduct a drill: A, B, or C).

We will be evaluating our school's preparedness and will continue to improve our performance.

Teachers: Work with students so that they can respond quickly, quietly, and responsibly and know the entire procedure. Students should proceed to the staging area in a single file. This will facilitate speed of evacuation and will encourage orderly conduct.

We will be evaluating our drills, as a staff, and making procedural changes, as appropriate.

**REMEMBER THAT IN DRILLS, A BELL SIGNAL WILL BE GIVEN, BUT THE REAL SIGNAL WILL BE THE EARTHQUAKE/DISASTER ITSELF.**

**TEACHERS:** If the ground shakes, don't wait for a bell signal.

- A. Duck and Cover
- B. Await further instructions

### EARTHQUAKE PREPAREDNESS

- Teachers are asked to keep any emergency supplies that they can gather, in the trunks of their cars. (This is also good idea in case your own house is inaccessible when you return home).
- Choose three (3) responsible students (who are always present and who you feel will remain calm in the face of emergency) to be assistants.
- Keep emergency quake kits by classroom door.
- Make sure all students know where any emergency supplies (i.e. first aid kit, fire blankets, eye wash, first aid book, and fire extinguisher) are located.

## WHAT TO TELL THE STUDENTS

Make sure all students know that, in case of an earthquake, all students are to 'duck and cover'. Discuss ahead of time exactly where in the room it would be best to do so.

Duck and cover means to get under the desk and hold on the legs of their desks, using the desk as their umbrella! Make sure they understand that they are protecting their head and neck and why!

Stress the importance of taking the grade book so that all students can be accounted for when the class reaches the class area.

While waiting for the shaking to stop, tell students to remain quiet and calm. Any students near fellow students, who are being hysterical, should try to quiet them calmly.

If students do not hear the voice of the teacher, the next in command (students) should start talking to the class. Instruct the class to remain as quiet as possible and to listen for the calm voice in control.

When the shaking stops, the teacher/student in charge will make a quick look for injuries, cover any student/teachers with desks for protection, take grade book, and lead students out of room and to the staging area, using the safest route.

En route to the staging area, make sure all students stay together and stay clear of the overhangs and metal fences, which may have come into contact with live wires. (A sure sign of a 'live fence is evidence of burned grass or papers near the base of the fence.)

Upon reaching the class's assigned place on the staging area, have all students sit down and pay attention to whoever (teacher or student-assistant) takes roll, and accounts for everyone in class. Runner will be sent to the 'command center' in front of the classes to tell of any students/teachers left in classrooms that have left campus, are absent, etc.

Make sure students are aware of the fact that they are not to drink water or use the bathrooms until given permission. Water may be contaminated, as water pipes and sewer pipes may have broken under ground.

Students who are slightly injured will have to wait for medical attention. Only the moderately to severely injured will receive immediate treatment.

Teachers with special assignments will leave their classes with 'buddy' teachers so that they can fulfill their specific functions.

Make sure to tell students that they are not to go home until they are released (and that someone in authority knows they are released!).

Stress the importance of remaining calm through all that happens, both with drills and with the real thing.

Stress the importance and seriousness of the drill. It is to be taken seriously.

Remind all students to use common sense, and talk about possible scenarios and reactions with students.

## Lockdown Procedures

# Lockdown Procedures

1. In the event that a crisis causes serious concern for the safety of students and staff, the Administrator should be notified and all relevant information passed on. The administrator will determine if and when to initiate a Lockdown.
2. If any non-authorized person has a firearm or dangerous object, law enforcement officials should be contacted **immediately (dial 9-911)**. After contacting ECPD call the front office.
3. When the administrator/designee initiates a lockdown, it may be announced on the P.A. system three consecutive times. (Lockdown, Lockdown, Lockdown)

Teachers and staff should:

- Lock doors and close windows.
  - Keep students in their classroom.
  - Turn off all lights
  - Do not allow **any** students, parents, and school personnel in the classroom.
  - Remain calm, still, and quiet.
  - Keep away from doors and windows – duck and cover (as if it was an earthquake).
  - Re-take attendance
  - **Do not** leave the classroom or unlock door until a police officer unlocks your door. Follow all directions given by officer (this may take a considerable amount of time, depending on the complications resulting from the crisis).
4. Students participating in outdoor activities during a lockdown will be given specific directions based on circumstances. Students in the gym will be escorted into the boys' locker room. Students are to follow lockdown procedures instructed by the teacher or designee.
  5. If not in their room during the lockdown announcement, students/staff should report to the office, find the nearest shelter (i.e. restrooms, student services)
  6. Administration, school resource officer, school security personnel or pre-designated personnel will check hallways, restrooms, common areas, etc. for "internal wanderers", **if safe to do so**.
  7. Administrator will designate staff to monitor the main entrance (from a safe vantage point) in order to direct any visitor or returning students to a lockdown area until further instructions are given from the incident command (ECPD).

## 5.1 AIRCRAFT CRASH

This procedure addresses situations involving an **Aircraft Crash** on or in proximity to school property. BULLETIN NO. 14-4  
July 1, 1994

SUBJECT: SENATE BILL 1275

- I. Background
- II. Major Provisions
- III. Compliance Procedures
- IV. Summary of Education Code

I. BACKGROUND

Senate Bill 1275 is designed to improve the juvenile justice system in several critical areas. Senate Bill 1275 has enacted several valuable new laws which will improve our juvenile justice system in dealing with at-risk youth. It codifies an approach consistently advocated by school and probation officials as to the most effective philosophy to rehabilitate our youth. The legislature passed the bill and the governor signed it into law. It became operative January 1, 1990.

The law establishes responsibilities and opportunities for schools. For example, minors who are convicted in juvenile court of the less serious crimes are frequently placed by the judge on a status referred to as Home on Probation (HOP). When the judge places a minor Home on Probation, several conditions are imposed for the minor during his term of probation. The conditions often include a requirement of school attendance. SB 1275 makes this condition mandatory unless the court states its reasons why. In unusual cases, it should not be imposed.

II. MAJOR PROVISIONS

The ability of probation officers to monitor the school attendance of minors on HOP is greatly enhanced with this new law. This was accomplished in part by an amendment to the law protecting the confidentiality of juvenile court records which will facilitate improved communication among each of the agencies working in the juvenile justice system. The court will notify the Superintendent of Schools/designee if one of the district' pupils is placed on HOP with a school attendance condition. This information will be "expeditiously transmitted" by the Superintendent to the principal of the minor's school or to one person designated by the principal.

is truant from school for one day without a valid excuse, the school principal/designee must report this to the juvenile court and the pupil's probation officer within 10 days of the absence.

Educ. 48902: This provision requires school principals to notify local law enforcement about students possessing drugs or weapons on campus.

Educ. 49076: Senate Bill 1275 amended the laws providing confidentiality of school records to allow prosecutors access to these records without obtaining a court order for truancy mediation programs, parents charged with violating the Compulsory Education Law, criminal investigations, or violations of conditions of probation.

Revised August 2, 1997

SUBJECT: STUDENT SUSPENSION

- I. Background
- II. General Information
- III. Policy and Procedures Related to School Personnel
- IV. Parent Conference
- V. Alternative Education Placements
- VI. Appeal Procedures
- VII. Suspension Records
- VIII. Exhibits

I. BACKGROUND

The purpose of this bulletin is to inform District personnel of the suspension policy and procedures. These procedures are authorized by Educational Code Sections 48900-48915 and District policy, and apply to all students and schools within the District.

II. GENERAL INFORMATION

- A. The principal of each school shall take steps to ensure that all rules pertaining to the discipline of students are communicated to staff and continuing students at the beginning of each school year, and to all new students at the time of their enrollment in the school.
- B. Suspension is one method that may be employed to assist in developing acceptable student conduct. Prior to suspension, other alternatives that take into consideration the needs of the student shall be considered. Alternatives to suspension must be used for any student who is truant, tardy, or otherwise absent from assigned school activities.
- C. Suspension means removal of a student, for adjustment purposes, for ongoing instruction. A student may be suspended from one class or all classes and still remain in school during the period of suspension if he/she is appropriately supervised.

- D. It is the responsibility of school-site personnel to develop procedures to follow-up on students who do not return to school after the period of suspension.

### III. POLICY AND PROCEDURES RELATED TO SCHOOL PERSONNEL

#### A. Legal Provisions

Education Code Section 48900, 48900.2, 48900.3, and 48900.4 summarized below, permits the Superintendent or the principal of the school in which the student is enrolled to recommend a student's suspension if it is determined that the student has:

1. Threatened, attempted, or caused physical injury to another person.
2. Possessed, sold, or furnished any firearm, knife, explosive, or other dangerous object.
3. Possessed, used, sold, furnished, or been under the influence of any controlled substance, alcoholic beverage, or intoxicant of any kind.
4. Offered, furnished, or sold any substitute substance represented as a controlled substance of intoxicant of any kind.
5. Committed robbery or extortion.
6. Caused or attempted to cause damage to school or private property.
7. Stolen or attempted to steal school or private property.
8. Possessed or used tobacco.
9. Committed an obscene act or engaged in habitual profanity or vulgarity.
10. Unlawfully possessed, offered, furnished, or sold any drug paraphernalia.
11. Disrupted school activities or willfully defied the authority of school personnel.
12. Knowingly received stolen school property or private property.

13. Possessed an imitation firearm.
14. Witness harassment or intimidation.
15. Committing or attempting to commit sexual assault or battery.

For students in grades 4-8, the following three infractions are also grounds for suspension:

16. Ed Code 48900.2 - Sexual Harassment  
In addition to the reasons specified in Section 48900, a pupil may be suspended from school or recommended for expulsion if the Superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed sexual harassment as defined in Section 212.5. For the purposes of this chapter, the conduct described in Section 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual's academic performance or to create an intimidating, hostile, or offensive educational environment.

Note: Ed Code 212.5 - Sexual Harassment

"Sexual harassment" means unwelcome sexual advances, a request for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the work or educational setting, under any of the following conditions:

(a) Submission to the conduct is explicitly or implicitly made a term or condition of an individual's employment, academic status, or progress.

(b) Submission to or rejection of, the conduct by the individual is used as the basis of employment or academic decisions affecting the individual.

(c) The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment.

(d) Submission to, or rejection of, the conduct by the individual is used as the basis of any decision

affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.

17. Hate violence (E.C. 48900.3).

18. Harassment, threats or intimidation (E.C. 48900.4).

B. No student shall be recommended for suspension for any of the above acts unless such acts are related to school activity or attendance. These acts may occur at any time, including, but not limited to, while on school grounds; while going to or coming from school, during the lunch period, whether on or off campus; during, while going to; or while coming from a school-sponsored activity.

C. Suspension of Special Education Students

1. The suspension of a special education student for more than ten cumulative days during a school year may constitute a change of placement. Upon the tenth cumulative day of suspension of a special education student, the principal shall:
  - a. Notify the Coordinator, Special Education/Pupil Personnel that a review of the student's needs, progress and placement is in order for the purpose of determining whether the suspension may constitute a significant change of placement.
  - b. Schedule an IEP meeting, to include appropriate site and District personnel.
2. A special education student shall not be suspended for more than 5 consecutive school days (see Section D, Part 4 of this bulletin).
3. Special education procedures in C1-2 and E.C. 48915.5 are not required to be followed for special education students who commit or attempt to commit sexual assault or sexual battery unless federal law so requires.
4. E.C. Section 48915.6 (HR 3268) modifies the IDEA and allows placement in an alternative educational setting for 45 days for (1) carrying any weapon; (2) possession, use, sale or solicitation of sale of drugs; and (3) committing assault and battery.

## D. Suspension from School

1. Suspension from school shall be preceded by an informal conference, conducted by the principal or designee, with the student. The only exception is noted in D3, below.

At the suspension conference, the student shall be informed of the reason(s) for the disciplinary action. The student shall be given an opportunity to present facts and evidence in his/her defense. The student should be encouraged to make a written statement concerning the charge(s). The statement should be signed by the student and dated.

2. The "principal's designee" should be another administrator. If there is no other administrator at the school, the principal may designate another certificated person. Only one person may serve as the primary designee for the school year. A second certificated person may be designated by the principal to act in place of the principal and the primary designee when both are absent from the school site. The names of the primary and secondary designees must be on file in the principal's office.
3. The principal or designee may suspend a student without affording the student an opportunity for a conference only if the principal or designee determines that an emergency situation exists. The term "emergency situation" means a situation determined by the principal or designee to constitute a clear and present danger to the lives, safety, or health of students or school personnel.

If a student is suspended without a conference, both the parent and the student shall be notified of the student's right to a subsequent conference and of the student's right to return to school for such purpose. The conference shall be held within two school days unless the student waives this right or is physically unable to attend for any reason, in which case the conference shall be held as soon as the student is able to attend.

4. A student may not be suspended for more than five consecutive school days without the approval of the Superintendent, or designee. If expulsion is recommended, the suspension can be extended by the

Superintendent, or designee (see Bulletin 22-4 - Student Expulsion). The total number of days for which a student may be suspended from school may not exceed 20 school days in any school year unless enrolled in the district opportunity where the limit is increased to 30 days.

5. Any student charged by the District Attorney with committing any of the offenses contained in E.C. Section 48900 or Welfare and Institution Code Sections 17-19 may be suspended while charges are pending even if the offense did not occur within the jurisdiction of the District. The students shall be referred to the County Community School Program. Expulsion may also be recommended, even if the Court does not incarcerate the student.

#### E. Suspension from Class

1. A teacher may suspend a student from the teacher's class for any of the acts enumerated in E.C. Section 48900 or 48900.2-48900.4 for the day of the act and the following school day. The teacher shall immediately report the suspension to the principal or designee and send the student to the principal or designee for appropriate action. The teacher shall provide the principal with a written statement of the reasons for the suspension.
2. As soon as possible, but not later than the day of the suspension, the teacher shall ask the parent or guardian of the pupil to attend a parent-teacher conference regarding the suspension. A school administrator may attend the conference if he chooses to do so, and shall attend the conference if the teacher or the parent or guardian so requests.
3. The student shall not be returned to the class from which he/she was suspended during the period of suspension without the concurrence of the teacher who effected the suspension and the principal.
4. A student suspended from a class shall not be placed in another regular class during the period of suspension. If the student is assigned to more than one class per day, the student may attend the classes from which he/she is not suspended.

5. A teacher may require the completion of tests and assignments missed during the period of suspension.
6. E.C. 48900.1 Parents or Guardians - Classroom Attendance.

A teacher who has suspended a pupil for committing an obscene act, engaging in habitual profanity or vulgarity, disrupting school activities, or willfully defying the authority of supervisors, teachers, administrators, school officials, or other school personnel engaging in the performance of their duties, may require that the parent or guardian of the pupil attend a portion of a school day with the pupil in the pupil's classroom. The attendance of the parent or guardian shall be limited to the class from which the pupil was suspended. The attendance requirements shall apply only to a parent or guardian who is actually living with the pupil.

If a teacher elects to impose this procedure, the principal shall send a written notice to the parent or guardian stating that attendance is pursuant to law (E.C. 48900.1). The notice shall specify that the parent's or guardian's attendance shall be on the day on which the pupil is scheduled to return to class, or within five (5) school days thereafter.

The written notice to attend shall also state that the parent or guardian is required to inform the principal of any factor(s) that may prevent compliance with the notice. The parent or guardian shall inform the principal of such factor(s) within two (2) school days of receipt of the notice to attend. The principal shall determine whether the stated factor(s) is/are valid, and shall inform the parent or guardian whether attendance is excused.

A parent or guardian who has received a written notice shall attend class as specified in the notice, unless attendance has been excused pursuant to this section. The principal shall contact parents or guardians who do not respond to the request to attend school or who do not inform the principal of the factor(s) preventing compliance. The principal shall inform such parents or guardians that attendance is required pursuant to law (E.C. 48900.1).

Parents or guardians who attend school pursuant to this section shall meet with the principal or principal's designee after completing the classroom visitation and before leaving the school site.

No parent or guardian shall be required to attend school pursuant to this section more than four times per school year.

**F. Notice of Suspension from School**

At the time of suspension, a school employee shall make a reasonable effort to contact the student's parent/guardian in person or by telephone. Written notice of the suspension shall be mailed to the parent/guardian within one school day. All efforts of District personnel to contact the parent/guardian should be recorded in the student's file (see Attachment A).

**G. Releasing Student from School**

1. An elementary or middle/junior high school student who is suspended shall not be released from school before the end of the student's school day unless the student's parent/guardian or an adult authorized to act for the parent/guardian comes to the school for the student, or a certificated school employee delivers the student to the parent/guardian or to an adult authorized to act for the parent/guardian.

**IV. PARENT CONFERENCE**

- A. No penalties may be imposed on a student for the failure of the student's parent/guardian to attend a conference with school officials. The student's return to school at the end of any suspension period shall not be contingent upon attendance by the student's parent/guardian at such a conference.
- B. The parent conference shall, whenever practicable, be in the primary language of the parent/guardian. The principal or designee should assist in attempts to provide an interpreter.

## V. ALTERNATIVES TO SUSPENSIONS

- A. Alternative school programs, in lieu of suspension, have kept students with disciplinary problems within the school setting where supportive services are available to help seek solutions.
- B. Alternative educational experiences also provide for fulfillment of the requirement that "other means of correction" (EC 48900.5) precede suspension, or a finding "that other means of correction have repeatedly failed to bring about proper conduct". These conditions are to be met before expulsion is recommended except under special circumstances.
- C. Alternative educational experiences are often referred to as "in-school or in-house suspension". In fact, such a program is not considered a suspension for ADA purposes. It is also not considered in the 20 day school year limit for students.
- D. Well planned alternative educational programs must include provisions for the following:
  1. Objectives for the modification of unacceptable behavior through interrelated instructional and counseling components that keep the pupil in school in a continuing learning experience.
  2. Procedures for assignment to Isolated Learning Center or Elementary Alternative Education Program.
    - a. Students may be assigned alternative educational experiences not to exceed five (5) consecutive school days.

If a student is absent during any one of the days of assignment, the student must bring a signed note from his/her parent/guardian stating the reason for the absence. The principal/designee may require the student to make-up the days missed.

- b. Due process procedures for students assigned to alternative educational experiences are the same as for students suspended from school (see Section III D, Suspension from School).
- c. There will be an Alternative Educational Experience Contract outlining specific requirements and expectations for students (see Exhibit B for sample).

- d. Special Education students may be assigned as long as the individualized education plan (IEP) continues to be implemented during such placement.
- e. Students assigned to this program shall be provided educational learning packets, materials and activities, when homework, classroom assignments, books, and/or materials have not been provided by the regular program teacher(s).
- f. All activities of students assigned to this program including lunch and the use of lavatory facilities shall be provided for and supervised.
- g. The principal shall be accountable to maintain an official roster of enrollment and attendance of all students assigned to this program. The roster will denote daily attendance for ADA accounting purposes. The roster shall be kept on file in the school office for four years, for audit purposes.

## VI. APPEAL PROCEDURES

- A. Parents/guardians are to be advised by the principal or designee of the appeal procedure when there is disagreement with the circumstances which brought about the suspension or with the act of suspension itself.
- B. The sequence of appeal is as follows:
  - 1. The Principal - Level I
  - 2. The Associate Superintendent Administration/  
Personnel Services - Level II
  - 3. The Superintendent - Level III
- C. Each appeal conference shall be arranged within three school days following the request. However, during the period of appeal, the suspension remains in effect for the length of time designated.
- D. The results of the appeal may include, but are not limited to:

1. Sustaining of the suspension in all respects.
  2. Modification of any penalties imposed, and or
  3. Expungement of the suspension from the student's record.
- E. At each level of appeal, a decision shall be made within two school days of the meeting, and the parents shall be notified in writing. At the parent's request, copies of any decisions shall be included in the student's file.

#### VII. SUSPENSION RECORDS

- A. Form 15424 is to be used for all suspensions. One copy is to be mailed to the parents, one copy is to be given to the student, one copy is to be sent to the Superintendent's Office and one copy is to be retained in the student's cum file.
- B. A cumulative record of student suspensions must be maintained for each student. The cum folder is the district designated location.

#### VII. EXHIBITS

- A. Record of Suspension, Form 15424
- B. Alternative Education Placement

- C. The principal or the Superintendent of Schools shall recommend a student's expulsion for any of the following acts, unless the principal or Superintendent finds, and so reports in writing (see Exhibit #1) to the governing board, that expulsion is inappropriate, due to the particular circumstances which shall be set out in the report of the incident (E.C. 48915 (a)).

### III. EXPULSION OF INDIVIDUALS WITH EXCEPTIONAL NEEDS (IWEN)

An Individual with Exceptional Needs (IWEN) student is defined as any student with an Individualized Educational Program (IEP) currently in effect.

In any case involving a special education student, immediately contact the Coordinator, Special Education/Pupil Personnel Services.

All alternative education placements of IWEN students, including interim placements, will be made by the Coordinator, Special Education/Pupil Personnel Services.

If a student is currently identified as an Individual with Exceptional Needs (IWEN), arrangements must be made, prior to the recommendation for expulsion, for an Individualized Education Program (IEP) team to review the student's placement.

- A. The IEP team shall review the current situation to determine if the alleged misconduct was a manifestation of the student's identified handicapping condition or the result of an inappropriate placement.
- B. If the team determines that the misconduct was not a manifestation of the handicapping condition, nor the result of an inappropriate placement, then expulsion may be recommended.
- C. If the team determines that the misconduct was a manifestation of the identified handicapping condition or the result of an inappropriate placement, expulsion may not be recommended. The IEP team shall then be responsible for an appropriate disposition of the case.

- D. The parents have the right to appeal the decision of the IEP team. Pending this hearing, and any subsequent judicial review, the student remains in his/her current educational placement unless the parties agree to a different placement or the District obtains a court order permitting a change of placement. ("Placement" refers to type of program, not geographical location.)
- E. The special education procedures in E.C. Section 48915.5 are not required to be followed for special education students who commit or attempt to commit sexual assault or sexual battery unless federal law so requires E.C. Section 48915.6 and HR 3268 modifies the IDEA and allows placement in an alternative educational setting for 45 days for: (1) carrying any weapon; (2) possession, use, sale or solicitation of sale of drugs; and (3) committing sexual assault or battery.

#### IV. RESPONSIBILITIES OF THE SCHOOL PRINCIPAL/DESIGNEE

- A. If the misconduct occurred at or near another school, the principal of that school shall immediately report the matter to the principal of the student's school of attendance and, within three school days, provide the following:

  - 2. Statements from the victim (s) and/or witness (es). These reports must be typed, dated, and signed.
- B. When a student is charged with misconduct covered by E.C. 48900, 48900.2, 48900.4 or 48915, the responsibilities of the principal or designee shall include, but not be limited to, the following steps:
  - 1. Step 1 (Before Schoolday 1)
    - a. Principal learns of student misconduct and investigates the matter including interviewing witness (es) and securing oral and written statements (signed and dated).
    - b. If allegation is sexual assault or sexual battery, principal must advise 'immediately' the complaining witness and accused student to refrain from personal or phone contact with each other during the pendency of any expulsion process (48918.5 (d)), See Exhibit #13a, and Exhibit #13b.

2. Step 2 (Schoolday 1)
  - a. Principal determines student has committed act(s) in E.C. 48900, 48900.2, 48900.3, 48900.4 or 48915 regarding grounds on which a student may be disciplined.
  - b. Principal holds informal conference with student (E.C. 48911 (b)).
    1. Principal informs student reason(s) for discipline and evidence against the student.
    2. Principal gives student opportunity to present his/her version and evidence in his/her defense.
  - c. Principal checks whether police need to be notified (E.C. 48902) for assault, weapon possession or specific controlled substance offense, including replicas or look-alikes (see Bulletin #22-b). In cases where any student possesses a weapon or commits any act of assault with a firearm or other weapon, the principal/designee shall notify law enforcement authorities (E.C. 48902).
  - d. Principal determines whether to suspend student for no more than 5 school days based on:
    1. Principal's investigation.
    2. Student's presentation of facts and defenses.
    3. Section 48900.5 regarding when principal can suspend on a first offense and when principal needs additional finding.
    4. Number of days student has already been suspended (E.C. 48903 and E.C. 48911) is generally maximum 5 days per offense and 20 days per school year. Contact the Superintendent if the 20 day maximum may be exceeded.
  - e. When student expulsion is being considered, consult with the Superintendent concerning the appropriateness of such action.
  - f. Contact Special Education Office at 352-5712 X 533 to determine if the student is Individual with Exceptional Needs (IWEN). If the student is IWEN, follow the procedures outlined in Section III of this bulletin. IWEN students may be suspended for a maximum of ten consecutive days.

- g. The principal or the Superintendent shall recommend a student's expulsion for any of the following, unless the principal or Superintendent finds, and so reports in writing (Exhibit #1) to the Board of Trustees, that expulsion is inappropriate, due to the particular circumstances which shall be set out in the report of the incident (E.C. 48915 (a)).

  4. Committed robbery or extortion.
  5. Committed or attempted to commit sexual assault or sexual battery.
- h. Principal prepares and sends written Notice of Suspension (Exhibit #2) to parent (E.C. 48911 (d)). Preferably ask parents to pick up student and hand-deliver OR send with student so parents receive notice the same day if sent with student. Also mail copy via U.S. mail.

    - b. The determination shall be made following a meeting in which the student and parent/guardian are invited to participate, and held within the initial five-day suspension period.
    - c. If the action to extend suspension is not completed within the initial five-day suspension period, then the student shall be placed in an interim educational program. A subsequent extension of the suspension may still be imposed if deemed

This hearing is convened to determine whether or not \_\_\_\_\_ should be expelled from the schools of the El Centro Elementary School District.

In order to find the student guilty and go forward with the expulsion, the following facts must be established. (1) That the alleged charge by the administration is true. Due to the seriousness of the violation, other means of correction are not feasible. In making this determination, the panel will be guided by the "preponderance of evidence". This means such evidence as when weighed with that opposed to it has more convincing force and a greater probability of truth. The panel does not have to be convinced a "reasonable doubt" and the evidence does not have to be overwhelming. If the evidence that says he/she is not guilty is slightly more than that which says he/she is guilty, the panel will rule not guilty. If the evidence that says he/she is guilty is slightly more than that which says he/she is not guilty, the panel will rule guilty. This panel is a finder of facts and in making that finding, will have to determine what to believe and whom to believe. This panel will not be bound by strict rules of evidence such as would be obtained in a courtroom, but rather will consider and weigh that kind of evidence upon which reasonable people are accustomed to rely in the conduct of serious affairs.

The burden of proof is on the school to prove its charges. The defendant may cross-examine any witnesses; examine any documents and present additional evidence oral and documentary. If the defendant does not exercise his/her right to cross examination and the right to examine documents, he/she will be deemed to have waived that right.

Let the record show that sitting as members of this Administrative Panel are \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_. None of whom is on the staff of the school in which the pupil has been enrolled during the previous three years. The parent/guardian of \_\_\_\_\_ is /is not present, (and accompanied by \_\_\_\_\_).

Esta audiencia es convocada para determinar si \_\_\_\_\_ debería ser expulsado de las escuelas del Distrito Escolar Primario de El Centro. Para encontrar al estudiante culpable y seguir adelante con la expulsión, los siguientes hechos deben ser establecidos. (1) que los cargos y especificaciones declarados por la escuela sean verdaderos.

Debido a la gravedad de la violación otros medios de corrección no son posibles. Al hacer ésta determinación el jurado será guiado por la "preponderancia de evidencia" esto significa que tal evidencia cuando es comparada con la evidencia opuesta tenga más fuerza de convencimiento y una mayor probabilidad de la verdad. El jurado no tiene que estar convencido "fuera de una duda razonable" y la evidencia no tiene que ser determinante. Si la evidencia indica que él/ella es culpable es ligeramente más que la evidencia que indica que él/ella es inocente el jurado declarará culpable. Si la evidencia que indica que él/ella es inocente es ligeramente más que la evidencia que indica que él/ella es culpable el jurado declarará inocente. Este jurado como tribunal y al hacer ésta investigación, tendrá que determinar qué cree y a quién creer.

Este jurado no estará limitado por estrictas reglas de evidencia como las que serán obtenidas en una corte, sino que considerará y comparará esa evidencia; en base a la manera como las personas razonables están acostumbradas a confiar en la conducción de asuntos serios. El cargo de la prueba está en la escuela para probar sus cargos. El demandado podrá contrainterrogar cualquier testimonio; examinar cualquier documento y presentar evidencia oral adicional y documentaria. Si usted no ejerce este derecho de investigación y el derecho de revisar documentos, será como si usted hubiera rechazado este derecho.

En el acta de ésta sesión quedará asentado que los miembros de este jurado son : \_\_\_\_\_, \_\_\_\_\_, y \_\_\_\_\_. Ninguno de los cuales es miembro del personal de la escuela en la cual está matriculado(a) el/la alumno(a), o ha pertenecido al personal de escuela en la cual ha estado inscrito(a) durante los tres años anteriores. El padre/tutor de \_\_\_\_\_ está/no está presente (y acompañado por \_\_\_\_\_).

**BULLETIN NO. 53-1  
REVISION  
AUGUST 25, 2009**

**SUBJECT: Procedures for Identifying and Assisting Students with Anti-Social and Violent Behavior**

**I. BACKGROUND:**

Although schools are intended to be safe environments for students, the recent violent incidents in school communities throughout the country have heightened our awareness of the need to identify potentially violent students and develop intervention strategies to assist them. One way to help prevent violence is to know and understand what the potential warning signs are for students at risk for violent or aggressive behavior.

It is not always possible to predict behavior that will lead to violence. However, educators, parents, and sometimes students, can recognize certain early warning signs. In some situations and for some youth, different combinations of events, behaviors, and emotions may lead to aggressive or violent behavior toward self or others. Emotional and behavioral warning signs, when viewed in context, can signal a troubled child. Early warning signs may or may not indicate a serious problem, and do not necessarily mean that a child is prone to violence toward self or others. Rather, early warning signs can provide the schools with the impetus to check out concerns and address the child's needs.

**II. PURPOSE:**

The purpose of this bulletin is to assist schools in identifying early warning signs for students at risk for violent behavior. The warning signs are intended to aid schools in identifying and referring children who may need help from a professional. It is important to remember that none of the warning signs alone is sufficient for predicting aggression and violence, but rather when they are presented in combination, indicate a need for further analysis to determine an appropriate intervention.

Faint, illegible text covering the majority of the page, possibly bleed-through from the reverse side.

**III. PROCEDURES:**

The following procedures are recommended for school site personnel in identifying students at risk for violent behaviors and assisting with interventions:

- A. Review and complete the "Early Warning Checklist for Students at Risk for Violent Behavior".
- B. Submit copies of checklist to Site Administrator, School Counselor and School Psychologist.
- C. Conference with Administrator, Counselor and/or School Psychologist, and Teacher to discuss concerns/warning signs.
- D. Complete Student Interview by Administrator, Counselor or School Psychologist.
- E. During student interview, assess level of severity of violent behavior and determine if imminent danger to self or others appears evident. As deemed appropriate, follow Welfare and Institutions Code Section 5150 procedures (contact SRO or law enforcement), Threat Assessment process, or continue process as indicated in "F".
- F. Set up conference with student's parent/s to discuss concerns/warning signs.
- G. Complete "Conference Summary" with parent indicating the recommendations and outcome/s of parent conference.
- H. Provide parent with referral list of community counseling and clinician resources.
- I. Provide parent with a copy of signed "Conference Summary" form.
- J. Send copy of referral checklist and "Conference Summary" to Pupil Services and Attendance Counselor and Special Education Office.
- K. Follow-up as indicated in "Conference Summary".

**IV. ATTACHMENTS:**

A. **Unlawful Harassment**

The Governing Board ("Board") of the District is committed to providing equal opportunity for all individuals in employment. Employees are prohibited from engaging in unlawful discrimination or harassment of another employee or student of the District. Employees who engage in unlawful discrimination or harassment of other District employees or students, or who aid, abet, incite, compel or coerce another to discriminate are in violation of this policy and are subject to disciplinary action, up to and including dismissal.

Pursuant to state and federal law, the Board prohibits harassing conduct based on the above categories which has the purpose or effect of creating an intimidating, hostile, or offensive workplace. Harassment is unwanted or unwelcome conduct motivated because of the individual's actual or perceived age, gender, sex, race, color, religion, ancestry, national origin, ethnic group identification, physical or mental disability or sexual orientation, that is so severe, pervasive, or objectively offensive that it has the purpose or effect of unreasonably interfering with an individual's work performance or creating a hostile work environment.

The Board hereby designates the following position as Coordinator to prevent and remedy discrimination and harassment:

Assistant Superintendent  
Human Resources/Administrative Services  
1256 Broadway  
El Centro, CA 92243

B. **Sexual Harassment**

The Board strictly prohibits unlawful harassment based upon gender or sex, in the workplace environment. Prohibited sexual harassment includes unwelcome conduct based upon sex or gender by someone who is of the opposite or same gender, a coworker, a supervisor or manager, an employee or agent of the

## BOARD POLICY 4002

District, a District official, a non-employee such as a sales representative or service vendor or any such individual who aids, abets, incites, compels, coerces, or encourages the prohibited conduct or attempts to do so. It is not necessary that discipline, loss of tangible job benefits, or economic damage occurred to constitute sexual harassment.

Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone in the work setting. It includes but is not limited to, the following circumstances:

1. Submission to the conduct is explicitly or implicitly made a term or condition of an individual's employment, progress, or participation in a District employment activity; or;
2. Submission to, or rejection of, the conduct by the individual is used as the basis for employment decisions affecting such individual; or
3. The conduct has the purpose or effect of having a negative impact upon the individual's work performance, or of creating an intimidating, hostile, or offensive work environment; or
4. Submission to, or rejection of, the conduct by the individual is used as, or threatened to be used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the District.

Examples of unwelcome conduct which may be sexual harassment include, but are not limited to, the following:

1. Deliberate written or oral comments, gestures, or physical contacts of a sexual nature or demeaning to one's gender which are unwelcome and/or interfere with work productivity.
2. Implicit or explicit sexual behavior by an employee, supervisor, or co-worker which has the effect of controlling, influencing, or otherwise affecting the job, salary, project, performance evaluation, opportunity for employment, or career of an employee or an applicant for employment.
3. Unwelcome suggestive, vulgar or obscene letters, notes, e-mails, posters, calendars, or other visual products or derogatory comments, slurs, and/or jokes of a sexual nature.

C. Complaint Procedure

Any individual with a complaint of unlawful harassment, of a sexual nature or otherwise, shall immediately report it to his or her supervisor. If the supervisor is the individual about whom the complaint is to be made, the employee should make the complaint directly to the Assistant Superintendent for Human Resources/Administrative Services. If the Assistant Superintendent for Human Resources/Administrative Services is the individual about whom the complaint is being made, the employee should make the complaint directly to the District Superintendent.

Under no circumstances shall an employee of the District who believes that he or she has been the victim of unlawful harassment be required to first report that harassment to the supervisor if the supervisor is the individual who has done the harassing. All complaints of harassment will be promptly and thoroughly investigated and properly resolved. No individuals will suffer reprisals for reporting any incidents of harassment.

Upon notification or discovery of an illegal harassment complaint, the Assistant Superintendent for Human Resources/Administrative Services or his/her designee will:

1. Inform the complainant of rights under this procedure.
2. Authorize the investigation of the complaint and supervise and/or investigate the complaint. The investigation will include interviews with the complainant, the accused harasser, and any other persons who reasonably may have relevant knowledge concerning the complaint.
3. Review factual information gathered through the investigation to determine whether the alleged conduct constitutes harassment; giving consideration to all factual information, the totality of the circumstances, and the context in which the alleged incidents occurred.

BULLETIN NO. 55-1  
December 6, 1995

Subject: School Uniform Policy

- I. Background
- II. Information Dissemination
- III. Financial Considerations
- IV. Compliance Measures

I. BACKGROUND

Over the past year, many parents and community members have urged the El Centro School District to adopt a uniform policy as a means of deterring the influence of gangs, minimizing violence in the schools and community, and improving the learning environment. The Board of Trustees recognizes that other school districts that have adopted uniform policies have experienced enhanced school safety, an improved learning environment, a reduction in incidences of ethnic and racial tensions, a bridging of socio-economic differences between children, and improved student behavior. Accordingly, the El Centro School District will allow a mandatory school uniform program at all elementary schools beginning the 1996-97 school year and at the middle schools beginning the 1997-98 school year.

The decision to implement a school uniform policy will be a collaborative effort between parents and school staff. At least 80% of parents surveyed must support the uniform policy. Prior to adopting a school uniform policy each school must receive approval from the Board of Trustees.

II. INFORMATION DISSEMINATION

- A. It is the responsibility of the district to communicate to parents information common to all school sites, regarding the uniform policy.
- B. Each school shall notify parents six months prior to implementing a uniform policy.
- C. Each school shall communicate to parents information specific to the school sites, including:
  - 1. requirements for jackets/outer garments
  - 2. compliance measures to be employed
  - 3. availability of financial support and procedures for applying for assistance
  - 4. list of vendors of uniform articles
- D. The means by which this information is communicated shall include one or more of the following:
  - 1. District letters
  - 2. School newsletters
  - 3. parent forums

2. When a student wears the uniform of a nationally recognized youth organization such as the Boy Scouts or the Girl Scouts on regular meeting days.
3. When wearing a uniform violates a student's religious belief.
4. When a student's parent or guardian has secured an exemption from the uniform policy by following procedures set forth in Section F.

F. If the parent or guardian desires to exempt his or her child from the uniform policy, the parent or guardian must observe the following procedure:

1. Request in writing or in person an Application for Exemption from the Uniform Program. This application may be obtained at the student's school site.
2. Complete the application in full and submit to school administrator.
3. Meet with the school administrator to discuss the uniform policy and the nature of the parent(s) or guardian's objections to the policy. The purpose of this meeting is to:
  - a. ensure that the parents or guardians understand the reason for and goals of the uniform policy;
  - b. verify the accuracy of the information on the application;
  - c. define the alternative dress code.
4. A student who opts out must comply with the district's/school's standard dress code.

## **Kennedy Middle School Strategies for a Safe and Orderly Environment 2015-2016**

At the beginning of each school year, teachers review the classroom and school rules, expectations, and consequences described in detail in the Parent/Student Handbook.

Parents, students and staff are asked to sign the “Three Way Pledge” page, indicating they have received, read and agreed with the policy statements contained therein.

Kennedy Middle School has three (3) pupil supervisors who assist the administrators in supervising students before school, during lunch, and after school. Officer Garrido, El Centro Police Resource Officer, assists with general supervision and traffic control before and after school. Staff works closely with parents to alleviate serious behavioral problems and to encourage success at school.

Signs are posted at all entrances to the school, advising the community that all visitors must report to the office. Visitors are asked to sign in and are issued a pass before being allowed to enter the campus or access to classrooms.

Kennedy Middle School continually reinforces positive behavior of its student by providing activities and incentives program. Assemblies and regular recognition of good citizenship and achievement are on-going. Many extracurricular and co-curricular activities are also in place to support and promote a safe and positive atmosphere at Kennedy.

# **School Discipline Policy**

## **J.F. KENNEDY MIDDLE SCHOOL GENERAL DISCIPLINE POLICY**

- a. The student is informed as to which rule he has violated.
- b. The student is provided the opportunity to present an explanation of events surrounding the behavior; written statement and interview.
- c. The consequence for the violation will be determined by law, school or district policy, and the judgment of the person administering discipline.
- d. Parents or legal guardians of accused students will be contacted. Should parents wish to appeal; the appeal procedure will be outlined for them.

### **CLASSROOM DISCIPLINE MODEL**

- a. School staff develops school-wide classroom rules.
- b. Teacher explains classroom rules to the students.
- c. Teacher assigns classroom detention or other consequences to students who exhibit inappropriate behavior.
- d. Teacher contacts parents concerning the student's inappropriate behavior.
- e. Teacher refers to the administrator those students whose behavior continues to be inappropriate. Consequences are determined by law, school and district policies, and judgment of the administration. Parents are contacted by phone, mail, or home visit.

Student misconduct of an extremely disruptive nature, i.e. fighting, swearing at a teacher or other adult, or endangering other students, will result in immediate removal from the classroom, and the student will be sent or brought to the Assistant Principal's office. Consequences are determined by law, school and district policy and judgment of the administrator. Parents are contacted by phone, mail, or home visit.

## Code of Behavior:

**In The Classroom** - observe good manners, arrive on time, be polite to everyone, pay attention, enter the classroom orderly and quietly, use good work habits, and bring all books and materials to class.

**In The Food Service Area** - wait in line quietly without pushing or cutting in, pick up paper and scraps and place them in the containers provided. Keep your campus and cafeteria clean.

**On the Campus** - no running, pushing, or shoving; keep the campus clean; always greet visitors and offer your assistance, and help "guest teachers" in any way you can.

The isolated classroom is also an educational tool designed to awaken students to the fact that they are responsible for their own actions within and around the school grounds.

**Student Character:** Students' behavior and dress reflect the character of their parents, their home, their community, their school, and their attitude towards learning and society.

BULLETIN NO. 22-1  
July 1, 1994

SUBJECT: STUDENT DISCIPLINE

- I. Background
- II. Philosophy
- III. Recording of Rules and Procedures
- IV. Informing Parents and Students
- V. Expectations
- VI. Behavior Requiring Intervention
- VII. Intervention/Disciplinary Actions
- VIII. Corporal Punishment
- IX. Disciplinary Records

I. BACKGROUND

Education Code 35291.5 and 35291.7 requires each public school on or before December 2, 1987, and every four years thereafter, to adopt rules and procedures on school discipline. The code specifies that, in developing these rules and procedures, each school shall solicit participation, views and advice of representatives of each of the following groups: Parents, teachers, school administrators, school security personnel, and, in middle schools and junior high schools, pupils enrolled in the school.

The final version of the rules and procedures on school discipline must be adopted by a panel comprised of the principal of the school, or his or her designee, and a representative selected by the classroom teachers employed at the school.

These rules and procedures must be consistent with any applicable policies adopted by the governing board and state statutes governing school discipline.

Information contained in this bulletin should form the basis for establishing school rules and procedures. Essential information for students and parents should be excerpted for inclusion in the written communication to parents.

II. PHILOSOPHY

The objective is to provide all students the opportunity to obtain the best possible education in an orderly environment

which is conducive to learning. The best form of discipline is self-discipline. Schools should provide as many incentives for the development of student self-discipline as possible. An attempt should be made to establish within the school a tradition of positive student behavior. Written and spoken communications from the school should reinforce examples of positive student behavior. Programs should be developed in conjunction with parent support groups for reinforcement of all forms of positive behavior, i.e. sportsmanship, citizenship, punctuality, attendance, etc. When self-discipline fails, student behavior will be less than expected. Learning acceptable behavior and self-discipline may be among the most important lessons to be mastered in school. All school personnel must seriously assume the responsibility for teaching students self-control and self-discipline.

In attempting to correct student behavior, there should be a range of progression of the discipline measures used. Everything is not a capital offense. At the same time, there is truth to the idea that attention to the little things will prevent bigger things from happening.

Students are entitled to due process which includes the opportunity to hear charges against them and to respond. Parents are entitled to be kept informed of student behavior.

### III. RECORDING OF RULES AND PROCEDURES

Each school will submit a copy of its rules and procedures on school discipline to the Superintendent of Schools and Board of Education on or before December 18, 1987, on October 1, 1991, and every four years thereafter.

### IV. INFORMING PARENTS AND STUDENTS

At the beginning of each school year, written notice regarding the rules and procedures on school discipline will be provided to continuing students and parents. Students transferring into the school and their parents will be given the same information at the time of enrollment.

### V. EXPECTATIONS

- A. All persons involved with a school, students, staff members, parents, and community members can expect to be treated with respect and dignity at all times.

BULLETIN NO. 22-3  
July 1, 1994

SUBJECT: CORPORAL PUNISHMENT

- I. Purpose
- II. Legislation Prohibiting Corporal Punishment
- III. Background Information
- IV. Opinion of the State Attorney General's Office
- V. Examples of Physical Activities Permitted and Prohibited
- VI. Guidelines for School Principals
- VII. References

I. PURPOSE

The purpose of this communication is to provide information to El Centro School District personnel to clarify the implementation of the provisions of Education Code Sections 49000 and 49001, which prohibit corporal punishment in California public schools (see Bulletin No. 23-3). Following are sections which present the legislation, background information and examples of physical activities permitted and prohibited.

The intent of this bulletin is to help El Centro School District administrators make decisions in the best interest of students, parents, and teachers.

II. LEGISLATION PROHIBITING CORPORAL PUNISHMENT

Since January 1, 1987, the infliction of corporal punishment upon any pupil is prohibited, and every local rule or regulation permitting corporal punishment is void. These provisions appear in Sections 49000 and 49001 of the Education Code, as follows:

"49000. The Legislature finds and declares that the protection against corporal punishment, which extends to other citizens in other walks of life, should include children while they are under the control of the public schools. Children of school age are at the most vulnerable and impressionable period of their lives and it is wholly reasonable that the safeguards to the integrity and sanctity of their bodies should be, at this tender age, at least equal to that afforded to other citizens.

49001. (a) For the purposes of the section "corporal punishment" means the willful infliction of, or willfully causing the infliction of, physical pain on a pupil. An amount of force that is reasonable and necessary for the person employed by or engaged in a public school to quell a disturbance threatening physical injury to persons or damage to property, for purposes of self-defense, or to obtain possession of weapons or other dangerous objects within the control of the pupil, is not and shall not be construed to be corporal punishment within the meaning and intent of this section. Physical pain or discomfort caused by athletic competition or other such recreational activity, voluntarily engaged in by the pupil, is not and shall not be construed to be corporal punishment within the meaning and intent of this section.

(b) No person employed by or engaged in a public school shall inflict, or cause to be inflicted corporal punishment upon a pupil. Every resolution, bylaw, rule, ordinance, or other act or authority permitting or authorizing the infliction of corporal punishment upon a pupil attending a public school is void and unenforceable."

### III. BACKGROUND INFORMATION

Recent complaints to the State Department of Education indicate that, while most school personnel know that paddling has been banned, they may not know the other kinds of behavior the Education Code prohibits or permits.

It has been alleged that some school districts still permit a variety of abuses against pupils to occur. Information in this bulletin should clarify any misconception held by any El Centro School District personnel regarding this matter and prevent any noncompliance with current law.

### IV. OPINION OF THE STATE ATTORNEY GENERAL'S OFFICE

In a letter to Jordan Riak, President of Parents and Teachers Against Violence in Education, Deputy Attorney General Harlan Van Wye concluded that the prohibition against corporal punishment extends to any and all forms of willful pain infliction, and that it is "the causing of pain which is prohibited -- not the particular method or methods by which it is caused".

V. EXAMPLES OF PHYSICAL ACTIVITIES PERMITTED AND PROHIBITED

Any kind of act that causes physical pain or discomfort in a pupil is prohibited, except for the specific situations cited in Education Code Section 49001 (a). For clarification purposes, the following examples are offered for direction and guidance of school personnel. All permitted and prohibited actions are not limited to these examples.

1. Examples of PERMITTED Actions (NOT corporal punishment):
  - . Stopping a student from fighting with another student
  - . Preventing a pupil from committing an act of vandalism
  - . Defending oneself from physical injury or assault by a student
  - . Forcing a pupil to give up a weapon or dangerous object
  - . Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills
  - . Engaging in group calisthenics, team drills, military maneuvers, or other physical education or voluntary recreational activities.
2. Examples of PROHIBITED Actions (corporal punishment):
  - . Hitting, shoving, pushing or physically restraining a student as a means of control (except actions allowed by Education Code Section 49001 (a), stated above)
  - . Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort
  - . Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain

When in doubt, the following course of action is recommended by the Attorney General's Office (quoted from a letter dated January 8, 1988): "Obviously, should there be any doubt concerning whether or not a particular action by a school district employee has the effect of

causing physical pain on a pupil, the course of action most consistent with the legislative intent would be to forgo such action".

VI. GUIDELINES FOR SCHOOL PRINCIPALS

1. School principals shall review and revise their school-wide discipline plans in accord with these provisions and insure that local school rules and procedures related to school discipline are consistent with board policies and with this statute.
2. Administrators should be aware that if local school employees administer corporal punishment to pupils under any circumstances they may be liable for civil lawsuits as well as prosecution for child abuse.
3. Administrators must notify all school employees that it is the duty of each of them to enforce local rules and procedures on school discipline.

For assistance, please call Michael Klentschy, Superintendent, at 352-5712.

## ANNUAL PARENT NOTIFICATION 2014-15

Federal and state laws concerning student records grant certain rights of privacy and right of access to students and to their parents. Full access to all personally identifiable written records maintained by the school district must be granted to: (1) Parents of students 17 and younger; (2) Parents of students age 18 and older if the student is a dependent for tax purposes and the records are needed for a legitimate educational purpose; (3) Students age 18 and older, or students who are enrolled in an institution of postsecondary instruction (called "eligible students"); (4) Pupils age 14 and over who are identified as both homeless and an unaccompanied youth; (5) Individuals who have completed and signed a Caregiver's Authorization Affidavit.

Parents, or an eligible student, may review individual records by making a request to the principal. Districts must respond to a pupil record request by providing access no later than five business days following the date of the request. The principal will see that explanation and interpretations are provided if requested. Information that is alleged to be inaccurate or inappropriate may be removed upon request. In addition, parents or eligible students may receive a copy of any information in the records at reasonable cost per page. District policies and procedures relating to: location of, and types of records; kinds of information retained; persons responsible for records; directory information; access by other persons; review and challenge of records are available through the principal at each school. When a student moves to a new district, records will be forwarded upon the request of the new school district within ten school days. At the time of transfer, the parent or eligible student may review, receive a copy (at a reasonable fee), and/or challenge the records.

If you believe the district is not in compliance with federal regulations regarding privacy, you may file a complaint with the United States Department of Education (20 USC §1232(g)).

You have the right to inspect all instructional materials which will be used in connection with any survey, analysis, or evaluation as part of any applicable program. School principals are responsible for the custody of pupil records and requests for access should be made directly to the principals.

**RELEASE OF PUPIL DIRECTORY INFORMATION (EC §49061, 49073 and Title V Section 431(a)):** The district also makes student *directory information* available in accordance with state and federal laws. This means that each student's name, birth date, address, telephone number, email address, major course of study, participation in officially recognized school activities, dates of attendance degrees and awards received, and most recent previous public or private school attendance may be released in accordance with board policy. In addition, height and weight of athletes may be made available. Upon receipt of a written request from parent the District will withhold directory information.

In addition to directory information, ECESD may release or publish photographs or other visual images of pupils at its discretion for school newspapers, yearbooks, presentations, newsletters, brochures, news releases and publicity. If you wish your child to be excluded, there is an option to decline on the annual notification form sent home or you can contact the school site secretary.

Furthermore, this EC section state legislative intent that policies not purposefully exclude military service representatives and further, school districts minimize the release of pupil telephone numbers without parent consent.

**REGULATIONS REGARDING PUPIL ACHIEVEMENT (EC §49067)** Parents will be contacted for a conference or become notified by written report or report card, when it becomes evident that a pupil is failing a course.

**RELEASE OF STUDENT RECORDS/COMPLIANCE WITH SUBPOENA OR COURT ORDER (EC §§49076 and 49077):** Districts are required to make a reasonable effort to notify parents in advance of disclosing student information pursuant to a subpoena or court order.

**RELEASE OF STUDENT RECORDS TO SCHOOL OFFICIALS AND EMPLOYEES OF THE DISTRICT (EC §§49076(a)(1) and 49064(d)):** Districts may release educational records, without obtaining prior written parental consent, to any school official or employee, which would include accountants, consultants, contractors, or other service providers, who have a legitimate educational interest in the educational record.

The district is required to exclude pupils who have not been properly immunized pursuant to Health and Safety Code 120325 and 120335. - All transitional kindergarten and kindergarten students must also provide proof of vaccination against hepatitis B.

Parents of students hospitalized or with a temporary disability shall notify the school district where the student receives care, if an individualized instruction program is desired. Requests for home/hospital instruction made through the school district nurse at 760-352-5712 ext. 541. Since the enactment of AHERA, all schools nationwide are required to take comprehensive action relative to asbestos in their buildings. These actions include inspections by EPA accredited inspectors, the assessment of condition, potential exposure of asbestos materials, and posting of warning labels.

The El Centro Elementary School District has taken an aggressive step toward the protection of human health in the implementation of its AHERA compliance Program. The program, designed by University Associates, Ltd. and put into action by the District, exceeds the requirements of AHERA and sets an example to be followed by school districts nationwide.

If you are interested in reviewing the Management Plan for your local school, please contact the principal during the school year. If you have any questions after reviewing the Plan please contact Kimberly Dessert, Director, Maintenance/Operations/Transportation at 353-9200 ext. 33.

This policy requires notification in native language if the district's service area contains a community of minority persons with limited English language skills. Notification must state that the district will take steps to assure that the lack of English will not be a barrier to admission and participation in district programs. This policy applies to all students insofar as participation in programs and activities is concerned, with few exceptions such as contact sports. In accordance with federal law, complaints alleging noncompliance with this policy should be directed to the school principal. Appeals may be made to the district superintendent.

**CHILDREN IN HOMELESS SITUATIONS (42 USC §11431-11435):** The district shall appoint a liaison for homeless children who shall ensure the dissemination of public notice of the educational rights of students in homeless situations. ## ANNUAL PARENT NOTIFICATION 2014-15

**INSTRUCTION IN COMPREHENSIVE SEXUAL HEALTH EDUCATION/HIV AND AIDS PREVENTION (EC §51938):** Districts shall annually notify parents about instruction in comprehensive sexual health education and HIV/AIDS prevention education and research on student health behaviors and risks planned for the school year. If arrangement for the instruction is made after the beginning of the school year, you will be notified no fewer than 14 days prior to the commencement of any such instruction if the district elects to provide the instruction by outside consultants in class or during an assembly. The notice must include the date of instruction, the name of the organization or affiliation of each guest speaker and information stating that the parent/guardian has the right to request a copy of the law pertaining to such instruction. You may request in writing that your child not receive comprehensive sexual health education and/or HIV/AIDS prevention education. The law also authorizes the district to use anonymous, voluntary and confidential research and evaluation tools to measure student's health behaviors and risks, including tests, questionnaires, and surveys containing age appropriate questions about the student's attitudes concerning or practices relating to sex. The district must notify you in writing before any such test, questionnaire, or survey is administered and provide you with an opportunity to review the test and request in writing that your child not participate.

### SCHOOL ATTENDANCE/ATTENDANCE ALTERNATIVES

California law (EC §48980(h)) requires all school boards to inform each student's parent at the beginning of the school year of the various ways in which they may choose schools for their children to attend other than the ones assigned. Students who attend schools other than those assigned by the districts are referred to as "transfer students" throughout this notification. There is one process for choosing a school within the district which the parent lives (intradistrict transfer), and potentially multiple separate processes for selecting schools in other districts (interdistrict transfer). The general requirements and limitations of each process are described as follows:

#### **INTRADISTRICT TRANSFER: CHOOSING A SCHOOL WITHIN DISTRICT WHERE PARENT LIVES**

Board Policy 6001.1 and EC 35160.5 provides parents of students residing within the District with options in the selection of the school they wish their child to attend.

Student's residing within a school's attendance area shall have first priority for attending that school. Once enrolled in a school through this intradistrict open enrollment policy, students shall be considered to be residing in the school district's attendance area.

The open enrollment period for the District is April 1<sup>st</sup> through May 1<sup>st</sup> of each year. When applications for a given school(s) exceed available space, all requests will be handled in a random, unbiased manner. Parents will be notified of the status of their application by June 1<sup>st</sup>.

For Additional information, please contact Human Resources Office at 760-352-5712 Ext 513.

## ANNUAL PARENT NOTIFICATION 2014-15

### INTERDISTRICT TRANSFER: CHOOSING A SCHOOL OUTSIDE DISTRICT WHERE PARENT LIVES

- EC §§46600 et seq. allows two or more districts to enter into an agreement for the transfer of one or more students. The agreement must specify the terms and conditions under which transfers are permitted. There are no statutory limitations on the kinds of terms and conditions districts are allowed to place on transfers. The law on interdistrict transfers also provides for the following:

If either district denies a transfer request, a parent may appeal that decision to the county board of education. There are specified timelines in the law for filing an appeal and for the county board of education to make a decision.

- **Districts of Choice (EC §§48300 through 48315):** Some schools may choose to become a district of choice, that is, a district that accepts transfer students from outside the district under terms of a resolution. If the school board of a district decides to become a “district of choice” it must determine the number of students it is willing to accept in this category each year and make sure that the students are selected through a “random and unbiased” process, which generally means a lottery process.
- **Parental Employment in Lieu of Residency Transfers (EC §48204(b)):** If at least one parent or legal guardian of a student is physically employed in the boundaries of a school district other than the one in which they live for a minimum of 10 hours during the school week, the student may be considered a resident of the school district in which his/her parents work. This code section does not require that a school district accept a student requesting a transfer on this basis, but a student may not be rejected on the basis of race/ethnicity, sex, parental income, academic achievement, or any other “arbitrary” consideration. Other provisions of EC §48204(b) include:

Either the district in which the parent or legal guardian live or the district in which the parent or legal guardian works may prohibit the student’s transfer if it is determined that there would be a negative impact on the district.

The district in which the parent or legal guardian works may reject a transfer if it determines that the cost of educating the student would be more than the amount of government funds the district would receive for educating the student.

There are set limits (based on total enrollment) on the net numbers of students that may transfer out of a district under this law, unless the district approves a greater number of transfers.

There is no required appeal process for a transfer that is denied. However, the district that declines to admit a student must provide in writing to the parent or legal guardian the specific reasons for denying the transfer.

- **Open Enrollment Act (EC § 48350 et seq.)** Whenever a student is attending a district school on the Open Enrollment List, as identified by the Superintendent of Public Instruction, he/she may apply to transfer to another school within or outside of the District, if the school to which he/she is transferring has a higher Academic Performance Index. Districts with a school on the List must notify the parents/guardians at that school on or before the first day of the school year of their option to transfer to another public school. Information regarding the application process and applicable deadlines can be obtained from the district office.

### EXCUSED ABSENCES (EC §48205)

- Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:
  1. Due to his or her illness.
  2. Due to quarantine under the direction of a county/city health officer.
  3. For the purpose of having medical, dental, optometric, or chiropractic services rendered.
  4. For the purpose of attending the funeral services of a member of his or her immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.

  6. For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of his or her religion, attendance at religious retreats, attendance

at an employment conference, or attendance at an educational conference on the legislative or judicial process offered by a nonprofit organization when the pupil's absence is requested in writing by the parent or guardian and approved by the principal or a designated representative pursuant to uniform standards established by the governing board.

7. For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
  8. For the purpose of spending time with a member of the pupil's immediate family, who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
- A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.
  - For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.
  - Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.
  - "Immediate family," as used in this section, has the same meaning as that set forth in Section 45194, except that references therein to "employee" shall be deemed to be references to "pupil."

**TRUANCY DEFINITION (EC §48260):** Any student who is absent from school without valid excuse more than three days or tardy an excess of 30 minutes on each of more than three days in one school year is a truant, and will be reported to the Associate Superintendent, or to the Superintendent of the District.

**ABSENCES FOR CONFIDENTIAL MEDICAL SERVICES (EC §46010.1):** Students in grades 7-12 and their parents are notified that the law permits schools to excuse students for the purpose of obtaining confidential medical services without parental consent. The District will excuse such absences provided the pupil, upon return to school, submits medical verification of the appointment.

**ABSENCE FOR RELIGIOUS INSTRUCTION (EC §46014):** Absence for religious purposes at a place away from school property and after the pupil has attended school for a minimum day may occur for a maximum of four (4) days per school month with the written consent of the pupil's parent or guardians.

**NOTICE OF MINIMUM DAYS AND PUPIL-FREE STAFF DEVELOPMENT DAYS (EC §48980(c)):** The district is required to annually notify parents of its schedule(s) of minimum days and student-free staff development days at the beginning of the year or as early as possible, but no later than one month prior to the start of school. These are given with your child's registration packets, if you have questions contact your child's school site secretary.

**NOTICE OF ALTERNATIVE SCHOOLS (EC §58501):** State law authorizes all school districts to provide for alternative schools. Education Code section 58500 defines an alternative school as a school or separate class group within a school that is operated in a manner designed to:

1. Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy.
2. Recognize that the best learning takes place when the student learns because of his/her desire to learn.
3. Maintain a learning situation maximizing student self-motivation and encouraging the student in his/her own time to follow his/her own interests. These interests may result in whole or in part from a presentation by his/her teachers of choices of learning projects.
4. Maximize the opportunity for teachers, parents and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous, permanent process.

## ANNUAL PARENT NOTIFICATION 2014-15

5. Maximize the opportunity for the students, teachers, and parents to continuously react to the changing world, including but not limited to the community in which the school is located. In the event any parent, student, or teacher is interested in further information concerning alternative schools, the County Superintendent of Schools, the administrative office of this district, and the principal's office in each attendance area shall have copies of the law available for your information. This law particularly authorizes interested persons to request that the governing board of the district to establish alternative school programs in each district.

Further, a copy of this notice shall be posted in at least two places normally visible to pupils, teachers and visiting parents in each attendance unit area for the entire month of March in each year.
