BULLETIN NO. 18-1
July 1, 1994

SUBJECT: CHILD ABUSE

- I. Purpose
- II. Child Abuse Reporting Requirements, PC 11166(b)
- III. Access to Records and Confidentiality
- IV. Reporting Procedures
- V. Responsibilities of District Employees
- VI. Ordering Forms
- VII. Attachments

I. PURPOSE

The purpose of this bulletin is to bring together California Code references, district policies, and procedures relating to child abuse. It is designed for ease of reference and immediate availability.

The El Centro School District Board of Trustees and staff recognize that students have greater opportunities to benefit from instruction when they are safe and secure and can trust adults. It is the responsibility of all staff to increase children's opportunities for learning by protecting them from child abuse, by collaborating with other persons mandated to report child abuse, and by cooperating with public agencies responsible for protecting children and aiding families in trouble.

II. CHILD ABUSE REPORT REQUIREMENTS, P.C. 11166(b)

California Penal Code Section 11166(b) mandates the reporting to designated authorities of cases of suspected child abuse and reads as follows:

"... any child care custodian, health practitioner, or employee of a child protective agency who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall report the known or suspected instance of child abuse to the child protective agency immediately or as soon as practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident".

New
1

It is the policy of the El Centro School District that all employees shall comply with the law's reporting procedures. The penal code obligation to report child abuse applies to certificated employees. This law also applies to instructional aides, teacher's aides, teacher's assistants, and classified employees who have been trained in the duties imposed by this law. These employees are considered to be mandated reporters.

Legal Responsibility - Penal Code Section 11166

- A. Any child care custodian, medical practitioner, non-medical practitioner, or employee of a child protective agency who has knowledge or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall (1) report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practicably possible by telephone and shall (2) prepare and send a written report within 36 hours of receiving the information concerning the incident. For the purposes of this article, "reasonable suspicion" means that it is objectively reasonable for a person to entertain such a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his or her training experience, to suspect child abuse."
- B. Any child care custodian, medical practitioner or employee of a child protective agency who has knowledge of or who reasonably suspects that mental suffering has been inflicted on a child or his or her emotional well-being is endangered in any other way, may report such known or suspected instance of child abuse to a child protective agency.
- C. When two or more persons who are required to report are present and jointly have knowledge of a known or suspected instance of child abuse, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by such selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so, shall thereafter make such report.

- D. The reporting duties with regards to child abuse are individual and no supervisor or administrator may impede or inhibit the reporting duties and no person making such report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with the child abuse reporting laws.
- E. When a minor has been taken into custody as a victim of suspected child abuse, the principal or other school official shall provide the peace officer with the address and telephone number of the minor's parent or guardian. The peace officer shall take immediate steps to notify the parent or guardian, or responsible relative of the minor that the minor is in custody and the place where he or she is being held. If the officer has a reasonable belief that the minor would be endangered by a disclosure of the place where the minor is being held, or that the disclosure would cause the custody of the minor to be disturbed, the officer may refuse to disclose the place where the minor is being held for a period not to exceed 24 hours (effective January 1, 1985).
- F. Also effective January 1, 1985, a principal or other school official shall release a minor pupil to a Children's Services Worker upon request for the purpose of removing the minor from the school premises. The Children's Services Worker must provide identification upon request.

III. ACCESS TO RECORDS AND CONFIDENTIALITY

- A. School districts may release information from pupil records without written parental consent or judicial order in connection with an emergency. Student records information may be given to appropriate persons in connection with an emergency if the knowledge of such information is necessary to protect the health or safety of a student or other person. Factors to be taken into account in determining whether information from a pupil record is to be disclosed:
1. The seriousness of the threat to the health or safety of the student or other individuals,
 2. The need for the information to meet the emergency,

3. Whether the parties to whom the information is disclosed are in a position to deal with the emergency, and
4. The extent to which time is of the essence in dealing with the emergency.

C. Confidentiality

Reports of suspected child abuse and information contained therein may be disclosed only to the following:

1. Persons or agencies to whom disclosure of the identity of the reporting party is permitted under Section P.C. 11167.
 - a. Between child protective agencies.
 - b. To counsel representing a child protective agency.
 - c. To the district attorney in a criminal prosecution or in an action initiated under the Welfare and Institutions Code Section 602.
 - d. To counsel appointed pursuant to the Welfare and Institutions Code Section 318.
 - e. To the county counsel or district attorney in an action initiated under Civil Code Section 232 (termination of parental rights) or Welfare and Institutions Code Section 300 (dependent children).

- 6. The State Department of Social Services, as specified in paragraph (3) of subdivision (b) on Section P.C. 11170.

Any violation of the confidentiality of child abuse reports shall be a misdemeanor punishable by up to six months in jail or by a fine of five hundred dollars (\$500) or by both. (P.C. Section 11167.5).

LOCAL AGENCIES INVOLVED IN CHILD ABUSE/NEGLECT:

If child abuse/neglect is suspected, the principal or mandated reporter must report immediately by phone to the local police department and to Child Protective Services' 24-hour emergency response line.

BULLETIN No. 58-1
Revised: September 10, 2001

SUBJECT: MANDATORY SCHOOL CRIME REPORTING PROCEDURES

- I. BACKGROUND**
- II. REPORTING REQUIREMENTS**
- III. REPORTING PROCEDURES**
- IV. EXHIBITS**

I. BACKGROUND

- A. In 1994, the California Legislature and the Governor agreed to suspend the School Crime Reporting Program statewide for one year and directed the CDE to revise reporting procedures. Statewide data collection procedures were reinstalled on July 1, 1995 with the Safe School Assessment Program.

II. REPORTING REQUIREMENTS

- A. Penal Code Section 628 et. seq. established legal requirements for reporting school crime.
- B. Data from the California Safe Schools Assessment will provide an important part of planning and implementing safe school strategies.
- C. Data from the California Safe Schools Assessment will document trends statewide in school safety and reflect positive steps taken by local schools to prevent or reduce crime on school campuses.

III. REPORTING PROCEDURES

- A. School principals/designees are required to follow the procedures outlines in the CSSA School Crime and Incident Reporting Manual (2001 Edition), and use the CSSA School Crime Reporting form. The procedures are summarized as follows:
 - 1. Immediately after a reportable incident occurs on a school campus, the principal/designee should record the appropriate information on a CSSA School Crime and Incident Reporting form.
 - a. The CSSA School Crime and Incident Reporting form is a 3-part carbonless form (Exhibit # 1).

- b. The top two copies should be immediately sent to the Pupil Services and Attendance Office. The third copy is to be retained for school records.
2. Completing the CSSA School Crime Reporting form.
- Print or type the school name, district and CDS code.
 - Mark the box for the appropriate school level.
 - a. DATE: Record the date of the incident in arabic numerals.
 - b. TIME: Mark appropriate box.
 - c. LOCALE: Mark the locale that best describes the location where the crime took place.
 - d. DESCRIPTION: Select the crime category appropriate to the incident (mark only ONE). If crime category is not listed, do not report it.
 - e. COST: In the case of property crimes, estimate the gross Dollar loss resulting from the crime committed against school property. Complete this section only if the dollar loss is \$100 or greater for arson, vandalism, or graffiti. For theft, complete this section if the loss is \$50 or greater.
 - f. WEAPON: Be sure to mark if a weapon was involved. If yes, check appropriate weapon.
 - g. SUSPECT (S): Complete this section for all crimes. If the suspect(s) is/are unknown, mark the appropriate box. If there are more than four suspects, complete the suspect information on additional forms and cross reference the incident numbers from both forms.
 - h. VICTIM INFORMATION: Complete this section for all crimes against persons, including those reported as an Other Hate Crime/Incident. If more than two victims, complete the victim information on additional forms as needed and staple all forms to the same incident together.

BULLETIN NO. 58-1
Revised: August 21, 2000

Office of the Superintendent

3. Attach a copy of the suspension notice (Exhibit # 2) to the Crime Report (only 48900 subdivisions that are reportable) and send to the Pupil Services and Attendance Office along with the School/Program Site Monthly Transmittal Form (Exhibit # 7)
5. Send the CSSA – Distric/COE Suspension Data Request Form (Exhibit # 3) (requested twice a year) to the Pupil Services and Attendance Office to verify match between Crime Reports and suspensions under 48900 codes.

Reporting Tips:

- a. Classify and report attempts to commit a specific crime as though the crime was actually committed. Attempted homicide is to be reported as assault with a deadly weapon.
- b. If multiple crimes are committed in the same incident, by the same person(s), classify the crime by most serious offense (Exhibit # 5: CSSA Suggested Hierarchy Guide of Reportable Offenses of School Crime). The exception is arson in conjunction with another crime. If this occurs report both the arson and the other crime.
- b. Do not report sexual harassment or sexual exposure (suspension should be under 48900.2)
- c. "Touching" or grabbing the private areas of another person is a sexual battery/assault and should be reported to CSSA as a Sexual Offense (suspension should be under 48900(n)).
- d. "Battery" is reportable if: 1) There is an aggressor (suspect), who 2) intended to cause physical harm, to 3) another person (victim) who did not hit the aggressor.
- e. Verify that the suspension notice for each crime report matches the 48900 subdivisions that are reportable. (Exhibit # 4 Education Code 48900 as it Relates to CSSA Reportable Offenses)

IV. EXHIBITS

- A. Exhibit # 1 - CSSA School Crime and Incident Reporting form.

However, should the imitation firearm be used during the course of another crime such as an assault with a deadly weapon, robbery/extortion, or sex offense it would be considered a weapon. Check the box "other weapon" when indicating the type of weapon involved.

California Safe School Assessment Suggested Hierarchy of Reportable Offenses of School Crime

To be used as a GUIDE only; this Hierarchy is not mandated.

Note: Hate crimes are not separate, distinct crimes, but rather the motivation behind a crime. For that reason, they are not listed separately on the Hierarchy.

Hate motivated incidents are not considered crimes and therefore are also not included in the above Hierarchy.

In cases where more than one offense is committed during a single incident, this Hierarchy may be used as a tool to determine which offense is reported on the CSSA Incident Reporting Form. This is not a mandated reporting hierarchy. Unusual situations may arise that are not covered in the hierarchy guide. In classifying these unusual situations, the nature of the crime should be considered along with the guidelines provided. If assistance is needed phone a CSSA technical assistant at 800-273-6363. Your district may elect to make their own hierarchy for ease in determining which crime is reported when multiple crimes occur in one incident.

BULLETIN NO. 14-4
July 1, 1994

SUBJECT: SENATE BILL 1275

- I. Background
- II. Major Provisions
- III. Compliance Procedures
- IV. Summary of Education Code

I. BACKGROUND

Senate Bill 1275 is designed to improve the juvenile justice system in several critical areas. Senate Bill 1275 has enacted several valuable new laws which will improve our juvenile justice system in dealing with at-risk youth. It codifies an approach consistently advocated by school and probation officials as to the most effective philosophy to rehabilitate our youth. The legislature passed the bill and the governor signed it into law. It became operative January 1, 1990.

The law establishes responsibilities and opportunities for schools. For example, minors who are convicted in juvenile court of the less serious crimes are frequently placed by the judge on a status referred to as Home on Probation (HOP). When the judge places a minor Home on Probation, several conditions are imposed for the minor during his term of probation. The conditions often include a requirement of school attendance. SB 1275 makes this condition mandatory unless the court states its reasons why. In unusual cases, it should not be imposed.

II. MAJOR PROVISIONS

The ability of probation officers to monitor the school attendance of minors on HOP is greatly enhanced with this new law. This was accomplished in part by an amendment to the law protecting the confidentiality of juvenile court records which will facilitate improved communication among each of the agencies working in the juvenile justice system. The court will notify the Superintendent of Schools/designee if one of the district's pupils is placed on HOP with a school attendance condition. This information will be "expeditiously transmitted" by the Superintendent to the principal of the minor's school or to one person designated by the principal.

is truant from school for one day without a valid excuse, the school principal/designee must report this to the juvenile court and the pupil's probation officer within 10 days of the absence.

Educ. 48902: This provision requires school principals to notify local law enforcement about students possessing drugs or weapons on campus.

Educ. 49076: Senate Bill 1275 amended the laws providing confidentiality of school records to allow prosecutors access to these records without obtaining a court order for truancy mediation programs, parents charged with violating the Compulsory Education Law, criminal investigations, or violations of conditions of probation.

- I. Background
- II. General Information
- III. Policy and Procedures Related to School Personnel
- IV. Parent Conference
- V. Alternative Education Placements
- VI. Appeal Procedures
- VII. Suspension Records
- VIII. Exhibits

I. BACKGROUND

The purpose of this bulletin is to inform District personnel of the suspension policy and procedures. These procedures are authorized by Educational Code Sections 48900-48915 and District policy, and apply to all students and schools within the District.

II. GENERAL INFORMATION

- A. The principal of each school shall take steps to ensure that all rules pertaining to the discipline of students are communicated to staff and continuing students at the beginning of each school year, and to all new students at the time of their enrollment in the school.
- B. Suspension is one method that may be employed to assist in developing acceptable student conduct. Prior to suspension, other alternatives that take into consideration the needs of the student shall be considered. Alternatives to suspension must be used for any student who is truant, tardy, or otherwise absent from assigned school activities.
- C. Suspension means removal of a student, for adjustment purposes, for ongoing instruction. A student may be suspended from one class or all classes and still remain in school during the period of suspension if he/she is appropriately supervised.

- D. It is the responsibility of school-site personnel to develop procedures to follow-up on students who do not return to school after the period of suspension.

III. POLICY AND PROCEDURES RELATED TO SCHOOL PERSONNEL

A. Legal Provisions

Education Code Section 48900, 48900.2, 48900.3, and 48900.4 summarized below, permits the Superintendent or the principal of the school in which the student is enrolled to recommend a student's suspension if it is determined that the student has:

1. Threatened, attempted, or caused physical injury to another person.
2. Possessed, sold, or furnished any firearm, knife, explosive, or other dangerous object.
3. Possessed, used, sold, furnished, or been under the influence of any controlled substance, alcoholic beverage, or intoxicant of any kind.
4. Offered, furnished, or sold any substitute substance represented as a controlled substance of intoxicant of any kind.
5. Committed robbery or extortion.
6. Caused or attempted to cause damage to school or private property.
7. Stolen or attempted to steal school or private property.
8. Possessed or used tobacco.
9. Committed an obscene act or engaged in habitual profanity or vulgarity.
10. Unlawfully possessed, offered, furnished, or sold any drug paraphernalia.
11. Disrupted school activities or willfully defied the authority of school personnel.
12. Knowingly received stolen school property or private property.

13. Possessed an imitation firearm.
14. Witness harassment or intimidation.
15. Committing or attempting to commit sexual assault or battery.

For students in grades 4-8, the following three infractions are also grounds for suspension:

16. Ed Code 48900.2 - Sexual Harassment
In addition to the reasons specified in Section 48900, a pupil may be suspended from school or recommended for expulsion if the Superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed sexual harassment as defined in Section 212.5. For the purposes of this chapter, the conduct described in Section 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual's academic performance or to create an intimidating, hostile, or offensive educational environment.

Note: Ed Code 212.5 - Sexual Harassment

"Sexual harassment" means unwelcome sexual advances, a request for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the work or educational setting, under any of the following conditions:

(a) Submission to the conduct is explicitly or implicitly made a term or condition of an individual's employment, academic status, or progress.

(b) Submission to or rejection of, the conduct by the individual is used as the basis of employment or academic decisions affecting the individual.

(c) The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment.

(d) Submission to, or rejection of, the conduct by the individual is used as the basis of any decision

affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.

17. Hate violence (E.C. 48900.3).

18. Harassment, threats or intimidation (E.C. 48900.4).

B. No student shall be recommended for suspension for any of the above acts unless such acts are related to school activity or attendance. These acts may occur at any time, including, but not limited to, while on school grounds; while going to or coming from school, during the lunch period, whether on or off campus; during, while going to; or while coming from a school-sponsored activity.

C. Suspension of Special Education Students

1. The suspension of a special education student for more than ten cumulative days during a school year may constitute a change of placement. Upon the tenth cumulative day of suspension of a special education student, the principal shall:
 - a. Notify the Coordinator, Special Education/Pupil Personnel that a review of the student's needs, progress and placement is in order for the purpose of determining whether the suspension may constitute a significant change of placement.
 - b. Schedule an IEP meeting, to include appropriate site and District personnel.
2. A special education student shall not be suspended for more than 5 consecutive school days (see Section D, Part 4 of this bulletin).
3. Special education procedures in C1-2 and E.C. 48915.5 are not required to be followed for special education students who commit or attempt to commit sexual assault or sexual battery unless federal law so requires.
4. E.C. Section 48915.6 (HR 3268) modifies the IDEA and allows placement in an alternative educational setting for 45 days for (1) carrying any weapon; (2) possession, use, sale or solicitation of sale of drugs; and (3) committing assault and battery.

D. Suspension from School

1. Suspension from school shall be preceded by an informal conference, conducted by the principal or designee, with the student. The only exception is noted in D3, below.

At the suspension conference, the student shall be informed of the reason(s) for the disciplinary action. The student shall be given an opportunity to present facts and evidence in his/her defense. The student should be encouraged to make a written statement concerning the charge(s). The statement should be signed by the student and dated.

2. The "principal's designee" should be another administrator. If there is no other administrator at the school, the principal may designate another certificated person. Only one person may serve as the primary designee for the school year. A second certificated person may be designated by the principal to act in place of the principal and the primary designee when both are absent from the school site. The names of the primary and secondary designees must be on file in the principal's office.
3. The principal or designee may suspend a student without affording the student an opportunity for a conference only if the principal or designee determines that an emergency situation exists. The term "emergency situation" means a situation determined by the principal or designee to constitute a clear and present danger to the lives, safety, or health of students or school personnel.

If a student is suspended without a conference, both the parent and the student shall be notified of the student's right to a subsequent conference and of the student's right to return to school for such purpose. The conference shall be held within two school days unless the student waives this right or is physically unable to attend for any reason, in which case the conference shall be held as soon as the student is able to attend.

4. A student may not be suspended for more than five consecutive school days without the approval of the Superintendent, or designee. If expulsion is recommended, the suspension can be extended by the

Superintendent, or designee (see Bulletin 22-4 - Student Expulsion). The total number of days for which a student may be suspended from school may not exceed 20 school days in any school year unless enrolled in the district opportunity where the limit is increased to 30 days.

5. Any student charged by the District Attorney with committing any of the offenses contained in E.C. Section 48900 or Welfare and Institution Code Sections 17-19 may be suspended while charges are pending even if the offense did not occur within the jurisdiction of the District. The students shall be referred to the County Community School Program. Expulsion may also be recommended, even if the Court does not incarcerate the student.

E. Suspension from Class

1. A teacher may suspend a student from the teacher's class for any of the acts enumerated in E.C. Section 48900 or 48900.2-48900.4 for the day of the act and the following school day. The teacher shall immediately report the suspension to the principal or designee and send the student to the principal or designee for appropriate action. The teacher shall provide the principal with a written statement of the reasons for the suspension.
2. As soon as possible, but not later than the day of the suspension, the teacher shall ask the parent or guardian of the pupil to attend a parent-teacher conference regarding the suspension. A school administrator may attend the conference if he chooses to do so, and shall attend the conference if the teacher or the parent or guardian so requests.
3. The student shall not be returned to the class from which he/she was suspended during the period of suspension without the concurrence of the teacher who effected the suspension and the principal.
4. A student suspended from a class shall not be placed in another regular class during the period of suspension. If the student is assigned to more than one class per day, the student may attend the classes from which he/she is not suspended.

5. A teacher may require the completion of tests and assignments missed during the period of suspension.
6. E.C. 48900.1 Parents or Guardians - Classroom Attendance.

A teacher who has suspended a pupil for committing an obscene act, engaging in habitual profanity or vulgarity, disrupting school activities, or willfully defying the authority of supervisors, teachers, administrators, school officials, or other school personnel engaging in the performance of their duties, may require that the parent or guardian of the pupil attend a portion of a school day with the pupil in the pupil's classroom. The attendance of the parent or guardian shall be limited to the class from which the pupil was suspended. The attendance requirements shall apply only to a parent or guardian who is actually living with the pupil.

If a teacher elects to impose this procedure, the principal shall send a written notice to the parent or guardian stating that attendance is pursuant to law (E.C. 48900.1). The notice shall specify that the parent's or guardian's attendance shall be on the day on which the pupil is scheduled to return to class, or within five (5) school days thereafter.

The written notice to attend shall also state that the parent or guardian is required to inform the principal of any factor(s) that may prevent compliance with the notice. The parent or guardian shall inform the principal of such factor(s) within two (2) school days of receipt of the notice to attend. The principal shall determine whether the stated factor(s) is/are valid, and shall inform the parent or guardian whether attendance is excused.

A parent or guardian who has received a written notice shall attend class as specified in the notice, unless attendance has been excused pursuant to this section. The principal shall contact parents or guardians who do not respond to the request to attend school or who do not inform the principal of the factor(s) preventing compliance. The principal shall inform such parents or guardians that attendance is required pursuant to law (E.C. 48900.1).

Parents or guardians who attend school pursuant to this section shall meet with the principal or principal's designee after completing the classroom visitation and before leaving the school site.

No parent or guardian shall be required to attend school pursuant to this section more than four times per school year.

F. Notice of Suspension from School

At the time of suspension, a school employee shall make a reasonable effort to contact the student's parent/guardian in person or by telephone. Written notice of the suspension shall be mailed to the parent/guardian within one school day. All efforts of District personnel to contact the parent/guardian should be recorded in the student's file (see Attachment A).

G. Releasing Student from School

1. An elementary or middle/junior high school student who is suspended shall not be released from school before the end of the student's school day unless the student's parent/guardian or an adult authorized to act for the parent/guardian comes to the school for the student, or a certificated school employee delivers the student to the parent/guardian or to an adult authorized to act for the parent/guardian.

IV. PARENT CONFERENCE

- A. No penalties may be imposed on a student for the failure of the student's parent/guardian to attend a conference with school officials. The student's return to school at the end of any suspension period shall not be contingent upon attendance by the student's parent/guardian at such a conference.
- B. The parent conference shall, whenever practicable, be in the primary language of the parent/guardian. The principal or designee should assist in attempts to provide an interpreter.

V. ALTERNATIVES TO SUSPENSIONS

- A. Alternative school programs, in lieu of suspension, have kept students with disciplinary problems within the school setting where supportive services are available to help seek solutions.
- B. Alternative educational experiences also provide for fulfillment of the requirement that "other means of correction" (EC 48900.5) precede suspension, or a finding "that other means of correction have repeatedly failed to bring about proper conduct". These conditions are to be met before expulsion is recommended except under special circumstances.
- C. Alternative educational experiences are often referred to as "in-school or in-house suspension". In fact, such a program is not considered a suspension for ADA purposes. It is also not considered in the 20 day school year limit for students.
- D. Well planned alternative educational programs must include provisions for the following:
 1. Objectives for the modification of unacceptable behavior through interrelated instructional and counseling components that keep the pupil in school in a continuing learning experience.
 2. Procedures for assignment to Isolated Learning Center or Elementary Alternative Education Program.
 - a. Students may be assigned alternative educational experiences not to exceed five (5) consecutive school days.

If a student is absent during any one of the days of assignment, the student must bring a signed note from his/her parent/guardian stating the reason for the absence. The principal/designee may require the student to make-up the days missed.

- b. Due process procedures for students assigned to alternative educational experiences are the same as for students suspended from school (see Section III D, Suspension from School).
- c. There will be an Alternative Educational Experience Contract outlining specific requirements and expectations for students (see Exhibit B for sample).

- d. Special Education students may be assigned as long as the individualized education plan (IEP) continues to be implemented during such placement.
- e. Students assigned to this program shall be provided educational learning packets, materials and activities, when homework, classroom assignments, books, and/or materials have not been provided by the regular program teacher(s).
- f. All activities of students assigned to this program including lunch and the use of lavatory facilities shall be provided for and supervised.
- g. The principal shall be accountable to maintain an official roster of enrollment and attendance of all students assigned to this program. The roster will denote daily attendance for ADA accounting purposes. The roster shall be kept on file in the school office for four years, for audit purposes.

VI. APPEAL PROCEDURES

- A. Parents/guardians are to be advised by the principal or designee of the appeal procedure when there is disagreement with the circumstances which brought about the suspension or with the act of suspension itself.
- B. The sequence of appeal is as follows:
 1. The Principal - Level I
 2. The Associate Superintendent Administration/
Personnel Services - Level II
 3. The Superintendent - Level III
- C. Each appeal conference shall be arranged within three school days following the request. However, during the period of appeal, the suspension remains in effect for the length of time designated.
- D. The results of the appeal may include, but are not limited to:

1. Sustaining of the suspension in all respects.
 2. Modification of any penalties imposed, and or
 3. Expungement of the suspension from the student's record.
- E. At each level of appeal, a decision shall be made within two school days of the meeting, and the parents shall be notified in writing. At the parent's request, copies of any decisions shall be included in the student's file.

VII. SUSPENSION RECORDS

- A. Form 15424 is to be used for all suspensions. One copy is to be mailed to the parents, one copy is to be given to the student, one copy is to be sent to the Superintendent's Office and one copy is to be retained in the student's cum file.
- B. A cumulative record of student suspensions must be maintained for each student. The cum folder is the district designated location.

 17. Hate violence (E.C. 48900.3)
 18. Harassment, threats, or intimidation (E.C. 48900.4)
- B. No student shall be recommended for expulsion for any of the above acts unless such acts are related to school activity or attendance. These acts may occur at any time, including, but not limited to, while on school grounds; while going to or coming from school; during the lunch period, whether on or off campus; during, or while going to or coming, from a school-sponsored activity.
- C. The principal or the Superintendent of Schools shall recommend a student's expulsion for any of the following acts, unless the principal or Superintendent finds, and so reports in writing (see Exhibit #1) to the governing board, that expulsion is inappropriate, due to the particular circumstances which shall be set out in the report of the incident (E.C. 48915 (a)).

1. Causing serious physical injury to another person, except in self-defense.
 2. Possession of any firearm, knife, explosive, or other dangerous object of no reasonable use to the student at school or at a school activity off school grounds.
 3. Unlawful possession or sale of any controlled substance (listed in Chapter 2 commencing with Section 11053 of Division 10 of the Health and Safety Code), except for the first offense for the sale of not more than one avoirdupois ounce of marijuana, other than concentrated cannabis.

 5. Committed or attempted to commit sexual assault or sexual battery.
 6. Assault or battery, as defined in CPC (California Penal Code) Sections 240 and 242, upon any school employee.
- D. The principal or the Superintendent of Schools shall immediately suspend, pursuant to Section 48911, any pupil found to be in possession of a firearm at school or at a school activity off school grounds and shall recommend expulsion of that pupil to the governing board. The governing board shall expel that pupil or refer that pupil to a program of study that is appropriately prepared to accommodate students who exhibit discipline problems and is not provided at a comprehensive middle, junior, or senior high school or housed at the school site attended by the pupil at the time the expulsion was recommended to the school board, whenever the principal or Superintendent of Schools and the governing board confirm the following:
1. The pupil was in knowing possession of the firearm.
 2. An employee of the school district verifies the pupil's possession of the firearm.
- E. If a student is recommended for expulsion for reasons listed in Section A (items 6 through 14 and 16 through 18) above, the Board of Trustees must find that one of the following is also true:

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct, or
 2. That, due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others.
- F. Any pupil charged by the District Attorney with committing any of the offenses contained in Section 48900 or Welfare and Institutions Code Subdivision 17-19 to be suspended while charges are pending even if the offense was not committed under school district jurisdiction. The pupil shall be referred to a county community day school. Expulsion may also be recommended even if the Court does not incarcerate the student.

III. EXPULSION OF INDIVIDUALS WITH EXCEPTIONAL NEEDS (IWEN)

An Individual with Exceptional Needs (IWEN) student is defined as any student with an Individualized Educational Program (IEP) currently in effect.

In any case involving a special education student, immediately contact the Coordinator, Special Education/Pupil Personnel Services.

All alternative education placements of IWEN students, including interim placements, will be made by the Coordinator, Special Education/Pupil Personnel Services.

If a student is currently identified as an Individual with Exceptional Needs (IWEN), arrangements must be made, prior to the recommendation for expulsion, for an Individualized Education Program (IEP) team to review the student's placement.

- A. The IEP team shall review the current situation to determine if the alleged misconduct was a manifestation of the student's identified handicapping condition or the result of an inappropriate placement.
- B. If the team determines that the misconduct was not a manifestation of the handicapping condition, nor the result of an inappropriate placement, then expulsion may be recommended.
- C. If the team determines that the misconduct was a manifestation of the identified handicapping condition or the result of an inappropriate placement, expulsion may not be recommended. The IEP team shall then be responsible for an appropriate disposition of the case.

- D. The parents have the right to appeal the decision of the IEP team. Pending this hearing, and any subsequent judicial review, the student remains in his/her current educational placement unless the parties agree to a different placement or the District obtains a court order permitting a change of placement. ("Placement" refers to type of program, not geographical location.)
- E. The special education procedures in E.C. Section 48915.5 are not required to be followed for special education students who commit or attempt to commit sexual assault or sexual battery unless federal law so requires E.C. Section 48915.6 and HR 3268 modifies the IDEA and allows placement in an alternative educational setting for 45 days for: (1) carrying any weapon; (2) possession, use, sale or solicitation of sale of drugs; and (3) committing sexual assault or battery.

IV. RESPONSIBILITIES OF THE SCHOOL PRINCIPAL/DESIGNEE

- A. If the misconduct occurred at or near another school, the principal of that school shall immediately report the matter to the principal of the student's school of attendance and, within three school days, provide the following:
 - 1. A written report which describes the alleged misconduct.
 - 2. Statements from the victim (s) and/or witness (es). These reports must be typed, dated, and signed.
- B. When a student is charged with misconduct covered by E.C. 48900, 48900.2, 48900.4 or 48915, the responsibilities of the principal or designee shall include, but not be limited to, the following steps:
 - 1. Step 1 (Before Schoolday 1)
 - a. Principal learns of student misconduct and investigates the matter including interviewing witness (es) and securing oral and written statements (signed and dated).
 - b. If allegation is sexual assault or sexual battery, principal must advise 'immediately' the complaining witness and accused student to refrain from personal or phone contact with each other during the pendency of any expulsion process (48918.5 (d)), See Exhibit #13a, and Exhibit #13b.

2. Step 2 (Schoolday 1)
 - a. Principal determines student has committed act(s) in E.C. 48900, 48900.2, 48900.3, 48900.4 or 48915 regarding grounds on which a student may be disciplined.
 - b. Principal holds informal conference with student (E.C. 48911 (b)).
 1. Principal informs student reason(s) for discipline and evidence against the student.
 2. Principal gives student opportunity to present his/her version and evidence in his/her defense.
 - c. Principal checks whether police need to be notified (E.C. 48902) for assault, weapon possession or specific controlled substance offense, including replicas or look-alikes (see Bulletin #22-b). In cases where any student possesses a weapon or commits any act of assault with a firearm or other weapon, the principal/designee shall notify law enforcement authorities (E.C. 48902).
 - d. Principal determines whether to suspend student for no more than 5 school days based on:
 1. Principal's investigation.
 2. Student's presentation of facts and defenses.
 3. Section 48900.5 regarding when principal can suspend on a first offense and when principal needs additional finding.
 4. Number of days student has already been suspended (E.C. 48903 and E.C. 48911) is generally maximum 5 days per offense and 20 days per school year. Contact the Superintendent if the 20 day maximum may be exceeded.
 - e. When student expulsion is being considered, consult with the Superintendent concerning the appropriateness of such action.
 - f. Contact Special Education Office at 352-5712 X 533 to determine if the student is Individual with Exceptional Needs (IWEN). If the student is IWEN, follow the procedures outlined in Section III of this bulletin. IWEN students may be suspended for a maximum of ten consecutive days.

- g. The principal or the Superintendent shall recommend a student's expulsion for any of the following, unless the principal or Superintendent finds, and so reports in writing (Exhibit #1) to the Board of Trustees, that expulsion is inappropriate, due to the particular circumstances which shall be set out in the report of the incident (E.C. 48915 (a)).
1. Causing serious injury to another person, except in self-defense.
 2. Possession of any firearm, knife, explosive (replicas or look-alikes are included) or other dangerous object of no reasonable use to the student at school or at a school activity off school grounds.

 4. Committed robbery or extortion.
 5. Committed or attempted to commit sexual assault or sexual battery.
- h. Principal prepares and sends written Notice of Suspension (Exhibit #2) to parent (E.C. 48911 (d)). Preferably ask parents to pick up student and hand-deliver OR send with student so parents receive notice the same day if sent with student. Also mail copy via U.S. mail.
1. Include a letter (Exhibit #3) to invite parents to meet with Superintendent's designee (principal or assistant principal) regarding the extension of the suspension until the Board of Trustees has decided the expulsion (E.C. 48911 (g)). Be sure to specify the date and time for the meeting which has been cleared with the designee and which will be between school day 2 and school day 5.

- i. Principal/designee contacts parent. They must make a reasonable effort to contact student's parent by phone or in person (E.C. 48911 (d)). Inform parent of incident and tell parent how the Notice of Suspension is being transmitted to them.
 - a. If student has been released to the police (E.C. 48906) inform the parent to where the minor is reportedly being taken (see Exhibit #4).
 - j. Report suspension to the Superintendent by telephone. Mail copies of the Notice of Suspension (Exhibit #2) via school mail to the Superintendent's Office (E.C. 48911 (e)).

 - c. If the Superintendent's designee cannot find (b) the designee cannot extend the suspension of the student up to the time of the expulsion decision by the Board of Trustees, then the student must be returned to school until the Board of Trustees makes a decision in regards the expulsion.
 - d. Superintendent's designee sends written notice of this finding (b) (Exhibit #6) to parent and informs parent that the student is suspended until the Board of Trustees determines whether to expel. A copy of this notice is also sent to the Superintendent via school mail.

 - b. The determination shall be made following a meeting in which the student and parent/guardian are invited to participate, and held within the initial five-day suspension period.
 - c. If the action to extend suspension is not completed within the initial five-day suspension period, then the student shall be placed in an interim educational program. A subsequent extension of the suspension may still be imposed if deemed

- B. The Administrative Panel is an impartial administrative panel of three or more certificated employees of the District, none of whom are members of the staff of the school in which the student is enrolled.  3. The recommendations shall include the date, suggested plan of rehabilitation (only for suspended enforcement) or other conditions upon which the student will be eligible for consideration of reinstatement.
- I. Final action on the Administrative Panel's recommendations shall be reviewed by the Board of Trustees in a closed session and reported out in

- J. The student or parent/guardian may appeal an expulsion from the District to the Imperial County Board of Education within 30 days following the date of formal expulsion action.
- K. Special Rules For Sexual Assault And Battery (Board Policy 5012.H.14).

In sexual assault and sexual battery cases:

1. The school must notify the complaining student (victim) five days before the hearing, if the complaining student is to be a witness (E.C. 48918 (b)). (See Exhibit #17a).
2. The complaining witness can have present at the hearing two adult support people (including legal counsel) who will be admonished that the hearing is confidential.

5. If the accused student requests a public hearing, the complaining witness (victim) has the right to close the hearing for the victim's testimony if testifying at a public hearing would threaten serious psychological harm to the complaining witness and there is no alternative to avoid the harm: 'including, but not limited to, videotaped deposition or contemporaneous examination in another place communicated to the hearing room by means of closed-circuit television.' (E.C. 48919 (c)).
6. If the accused student requests a public hearing, evidence of specific instances of prior sexual conduct of the complaining witness shall not be heard unless the hearing officer or person in charge of the hearing determines that extraordinary circumstances require that such evidence be heard (E.C. 48918 (h)).
7. Before the hearing officer or person in charge of the hearing can determine whether extraordinary circumstances require that evidence of specific instances of the prior sexual conduct of the complaining

witness be heard, the complaining witness must be given notice and an opportunity to oppose the introduction of such evidence.

8. In the hearing on admissibility of such evidence, the complaining witness can be represented by legal counsel, parent, or support person.
9. Reputation or opinion evidence regarding sexual behavior of complaining witness 'is not admissible for any purpose.'
10. Allows for postponement of the hearing for one school day to accommodate the physical, mental or emotional needs of the victim (E.C. 48918.5 (b)).
11. The District must provide a separate room for victim before and during breaks in the hearing.
12. Allows reasonable breaks during examination and cross-examination of the victim.
13. Allows hearing officer to limit testimony of complaining witness to hours when the students are normally in school unless there is good cause to take testimony during other hours.
14. Allows the support person to accompany the victim to the witness stand.

VIII. REINSTATEMENT (see Bulletin #22-5 – October 1, 2004 – Re-Enrollment Procedures for Expelled Students)

- B. A student who has been expelled may be reinstated only by action of the Board of Trustees upon recommendation of the Administrative Panel. The for reinstatement shall be predicated upon an evaluation of the student's adjustment and rehabilitation during the period of expulsion as determined by the Student Expulsion Order (see Exhibit #14). The Student Expulsion Order will be determined by the Administrative Panel and approved by the Board of Trustees at the time of approving the expulsion order.
- C. If the student has not complied with the stipulated conditions of expulsion, or has committed additional violations of E.C. 48900, 48900.2-48900.4 during the period of suspended enforcement, the case may be returned to the Board for further action, including possible enforcement of the original expulsion order.

- D. The Superintendent/designee shall determine an appropriate placement for a student being reinstated. This assigned school or program then becomes the "home school" and is responsible for subsequent remedial action.
- E. Following reinstatement, and upon completion of one successful semester in an educational program, the Board of Trustees, may take action to expunge the record of the expulsion if requested by the parent/guardian in writing to the Superintendent.

This hearing is convened to determine whether or not _____ should be expelled from the schools of the El Centro Elementary School District.

In order to find the student guilty and go forward with the expulsion, the following facts must be established. (1) That the alleged charge by the administration is true. Due to the seriousness of the violation, other means of correction are not feasible. In making this determination, the panel will be guided by the "preponderance of evidence". This means such evidence as when weighed with that opposed to it has more convincing force and a greater probability of truth. The panel does not have to be convinced a "reasonable doubt" and the evidence does not have to be overwhelming. If the evidence that says he/she is not guilty is slightly more than that which says he/she is guilty, the panel will rule not guilty. If the evidence that says he/she is guilty is slightly more than that which says he/she is not guilty, the panel will rule guilty. This panel is a finder of facts and in making that finding, will have to determine what to believe and whom to believe. This panel will not be bound by strict rules of evidence such as would be obtained in a courtroom, but rather will consider and weigh that kind of evidence upon which reasonable people are accustomed to rely in the conduct of serious affairs.

The burden of proof is on the school to prove its charges. The defendant may cross-examine any witnesses; examine any documents and present additional evidence oral and documentary. If the defendant does not exercise his/her right to cross examination and the right to examine documents, he/she will be deemed to have waived that right.

Let the record show that sitting as members of this Administrative Panel are _____, _____, and _____. None of whom is on the staff of the school in which the pupil has been enrolled during the previous three years. The parent/guardian of _____ is /is not present, (and accompanied by _____).

Esta audiencia es convocada para determinar si _____ debería ser expulsado de las escuelas del Distrito Escolar Primario de El Centro. Para encontrar al estudiante culpable y seguir adelante con la expulsión, los siguientes hechos deben ser establecidos. (1) que los cargos y especificaciones declarados por la escuela sean verdaderos.

Debido a la gravedad de la violación otros medios de corrección no son posibles. Al hacer ésta determinación el jurado será guiado por la "preponderancia de evidencia" esto significa que tal evidencia cuando es comparada con la evidencia opuesta tenga más fuerza de convencimiento y una mayor probabilidad de la verdad. El jurado no tiene que estar convencido "fuera de una duda razonable" y la evidencia no tiene que ser determinante. Si la evidencia indica que él/ella es culpable es ligeramente más que la evidencia que indica que él/ella es inocente el jurado declarará culpable. Si la evidencia que indica que él/ella es inocente es ligeramente más que la evidencia que indica que él/ella es culpable el jurado declarará inocente. Este jurado como tribunal y al hacer ésta investigación, tendrá que determinar qué cree y a quién creer.

Este jurado no estará limitado por estrictas reglas de evidencia como las que serán obtenidas en una corte, sino que considerará y comparará esa evidencia; en base a la manera como las personas razonables están acostumbradas a confiar en la conducción de asuntos serios. El cargo de la prueba está en la escuela para probar sus cargos. El demandado podrá contrainterrogar cualquier testimonio; examinar cualquier documento y presentar evidencia oral adicional y documentaria. Si usted no ejerce este derecho de investigación y el derecho de revisar documentos, será como si usted hubiera rechazado este derecho.

En el acta de ésta sesión quedará asentado que los miembros de este jurado son : _____, _____, y _____. Ninguno de los cuales es miembro del personal de la escuela en la cual está matriculado(a) el/la alumno(a), o ha pertenecido al personal de escuela en la cual ha estado inscrito(a) durante los tres años anteriores. When the expelled student applies for readmission, the governing board may evaluate whether to re-enroll the student. Upon completion of the re-admission process, the governing board shall not be required to re-admit the student (EC §48916).

SUBJECT: Procedures for Identifying and Assisting Students with Anti-Social and Violent Behavior

I. BACKGROUND:

Although schools are intended to be safe environments for students, the recent violent incidents in school communities throughout the country have heightened our awareness of the need to identify potentially violent students and develop intervention strategies to assist them. One way to help prevent violence is to know and understand what the potential warning signs are for students at risk for violent or aggressive behavior.

It is not always possible to predict behavior that will lead to violence. However, educators, parents, and sometimes students, can recognize certain early warning signs. In some situations and for some youth, different combinations of events, behaviors, and emotions may lead to aggressive or violent behavior toward self or others. Emotional and behavioral warning signs, when viewed in context, can signal a troubled child. Early warning signs may or may not indicate a serious problem, and do not necessarily mean that a child is prone to violence toward self or others. Rather, early warning signs can provide the schools with the impetus to check out concerns and address the child's needs.

II. PURPOSE:

The purpose of this bulletin is to assist schools in identifying early warning signs for students at risk for violent behavior. The warning signs are intended to aid schools in identifying and referring children who may need help from a professional. It is important to remember that none of the warning signs alone is sufficient for predicting aggression and violence, but rather when they are presented in combination, indicate a need for further analysis to determine an appropriate intervention.

III. PROCEDURES:

The following procedures are recommended for school site personnel in identifying students at risk for violent behaviors and assisting with interventions:

- A. Review and complete the "Early Warning Checklist for Students at Risk for Violent Behavior".
- B. Submit copies of checklist to Site Administrator , School Counselor and School Psychologist.
- C. Conference with Administrator, Counselor and/or School Psychologist, and Teacher to discuss concerns/warning signs.
- D. Complete Student Interview by Administrator, Counselor or School Psychologist.
- E. During student interview, assess level of severity of violent behavior and determine if imminent danger to self or others appears evident. As deemed appropriate, follow Welfare and Institutions Code Section 5150 procedures (contact SRO or law enforcement), Threat Assessment process, or continue process as indicated in "F".
- F. Set up conference with student's parent/s to discuss concerns/warning signs.
- G. Complete "Conference Summary" with parent indicating the recommendations and outcome/s of parent conference.
- H. Provide parent with referral list of community counseling and clinician resources.
- I. Provide parent with a copy of signed "Conference Summary" form.
- J. Send copy of referral checklist and "Conference Summary" to Pupil Services and Attendance Counselor and Special Education Office.
- K. Follow-up as indicated in "Conference Summary".

BULLETIN NO. 55-1
December 6, 1995

Subject: School Uniform Policy

- I. Background
- II. Information Dissemination
- III. Financial Considerations
- IV. Compliance Measures

I. BACKGROUND

Over the past year, many parents and community members have urged the El Centro School District to adopt a uniform policy as a means of deterring the influence of gangs, minimizing violence in the schools and community, and improving the learning environment. The Board of Trustees recognizes that other school districts that have adopted uniform policies have experienced enhanced school safety, an improved learning environment, a reduction in incidences of ethnic and racial tensions, a bridging of socio-economic differences between children, and improved student behavior. Accordingly, the El Centro School District will allow a mandatory school uniform program at all elementary schools beginning the 1996-97 school year and at the middle schools beginning the 1997-98 school year.

The decision to implement a school uniform policy will be a collaborative effort between parents and school staff. At least 80% of parents surveyed must support the uniform policy. Prior to adopting a school uniform policy each school must receive approval from the Board of Trustees.

II. INFORMATION DISSEMINATION

- A. It is the responsibility of the district to communicate to parents information common to all school sites, regarding the uniform policy.
- B. Each school shall notify parents six months prior to implementing a uniform policy.
- C. Each school shall communicate to parents information specific to the school sites, including:
 - 1. requirements for jackets/outer garments
 - 2. compliance measures to be employed
 - 3. availability of financial support and procedures for applying for assistance
 - 4. list of vendors of uniform articles
- D. The means by which this information is communicated shall include one or more of the following:
 - 1. District letters
 - 2. School newsletters
 - 3. parent forums

2. When a student wears the uniform of a nationally recognized youth organization such as the Boy Scouts or the Girl Scouts on regular meeting days.
3. When wearing a uniform violates a student's religious belief.
4. When a student's parent or guardian has secured an exemption from the uniform policy by following procedures set forth in Section F.

F. If the parent or guardian desires to exempt his or her child from the uniform policy, the parent or guardian must observe the following procedure:

1. Request in writing or in person an Application for Exemption from the Uniform Program. This application may be obtained at the student's school site.
2. Complete the application in full and submit to school administrator.
3. Meet with the school administrator to discuss the uniform policy and the nature of the parent(s) or guardian's objections to the policy. The purpose of this meeting is to:
 - a. ensure that the parents or guardians understand the reason for and goals of the uniform policy;
 - b. verify the accuracy of the information on the application;
 - c. define the alternative dress code.
4. A student who opts out must comply with the district's/school's standard dress code.

For assistance, please call Alicia M. Armenta, Assistant Superintendent, at 352-5712.

Safe and Drug Free Schools: Our goal is to prepare all students to attain high standards of academic performance, to establish strategies to improve student achievement, and to secure and maintain broad-based parental and community involvement in our schools. Academically successful students are less likely to use drugs, alcohol, and violence as answers to problems they might encounter, and more likely to be productive citizens. Drug, alcohol and tobacco education is provided to all students through the implementation of a variety of program situations.

**SUMMARY SHEET: AREAS OF DESIRED
CHANGE AND ACTION**

- 1. Data sources reviewed by Committee.**
 - a. Parent Involvement Survey English and Spanish (13-14)
 - b. Teacher Survey (14-15)
 - c. School Climate Survey (14-15)
 - d. UMIRS Report
 - e. Attendance Report (13-14)
 - f. Suspension Report (13-14)

- 2. Areas needing improvement or change (from data).**
 - a. Facility needs a working watering system to keep dust down since we have many students with asthma. We would also like more shade trees and flowers to add protection from the sun and beauty to our school.
 - b. Bullying prevention and Drug Awareness has to be on-going. Parents have been especially concerned with cyber-bullying that goes on after school hours.
 - c. School grounds need to be fixed. There are gofer holes on the soccer field, cracks on the sidewalks and courts and the jungle gym has plastic coating on metal pipes that is splitting from the sun. The slide on the obstacle course/jungle gym was damaged and has been removed
 - d. Although a Safety Committee has been established, adequate meeting time has not been dedicated to review emergency procedures and create scenarios for staff to practice emergency procedures for a variety of situations. In particular, back up positions are not always aware of their duties during a crisis.
 - e. Traffic congestion continues to be a concern in the staff parking lot where the bus loading and unloading zones are located. Special Education students are dropped off in front of room 22 causing safety concerns for students and adults.

- 3. Possible causes of safety concerns in these areas.**

UPDATED 1/20/2015

ECESD Safe School Plan
Martin Luther King Elementary School
2014-2015

- a. ML King has a sprinkler system in place but it is not turned on in all areas. The district gardener that comes for 4 hours per week has to water many areas by hand or else they would not get water. Mature trees are dying and the grass is in very bad shape. There is dust everywhere and we have many students who suffer from asthma.
- b. Parents and staff have asked for more anti-bullying and drug awareness training. Parents say their children go to their friends' homes and use their computers to send messages to each other and hurt each others' feelings. Parents like the uniform policy for the most part because many of the fights have to do with looks and dress as well as fights over friends.
- c. All staff members alert the office and work orders are sent to remedy potential hazards on and around our facility on an on-going basis. Gofer holes, cracks in the cement and on plastic that gets rotted by the sun need fixed by experts. The classroom numbers need to be repainted on the courts for evacuation purposes.
- d. As per the ECESD Safety Plan, ML King now has monthly 2N1 drills to practice lock-down, earthquake and fire. Each month teachers practice a different scenario and discuss how we should react to the situation. We vary the time of day, day of week etc so that students will not panic in real situations.
- e. ML King School Staff will work towards improving traffic safety in and around ML King School. We will continue asking for a traffic speed sign to be placed in front of our school and for more police supervision on Villa Avenue in the morning hours when everyone is rushing to work or school. A better plan will be utilized for Special Education students with a special presentation provided to parents in regards to student safety.

4. Desired actions.

- a. We would like to have a green, shady and pretty school where all children can run and play outside all times of the year. We want to be proud of our school and unless the grounds are watered, this will not happen.
- b. ML King strives to have a safe, orderly and respectful school. With the peer pressure that students face in this day and time, it is difficult to keep up with everything that is happening with all students. We serve very poor students but most everyone seems to have some access to technology and parents are asking what they can do about students who are writing things about their children on the internet. In response, we had a parent training on cyber bullying. Monthly Parent/Principal Tea's are held to encourage parent participation and being a part of solutions to potential problems. Drug Awareness presentations will be provided during the Tea in response to parent requests.
- c. Work orders are submitted and most are completed fairly quickly. Big items such as cracked cement and holes in the field will go on the summer

- maintenance and operations “wish list” and hopefully, they will be fixed before school resumes.
- d. We want all staff, students, parents and community members to be aware of our School Safety Plan. We have monthly 2N1 drills to practice lock-down, earthquake and fire drills. We hope to be prepared when any type of emergency presents itself.
 - e. We will continue to work with the city of El Centro to improve traffic conditions in and around Martin Luther King Elementary School. We hope to keep our safety record spotless by being vigilant and notifying police when and where potential problems are happening.

Areas of Pride and Strength (Based on qualitative and quantitative data)	What Do We Want to Change? (Based on qualitative and quantitative data)
<ol style="list-style-type: none"> 1. Martin Luther King Elementary School was built in 1990 and is still referred to as “The New School”. The Staff, Students and Parents are all very proud of M.L. King School and want to keep it looking new. 2. ML King School has a nice big soccer field, 2 basketball courts, monkey bars, swings, spider-web and tether balls to play with at recess. We have 2 big shades, one on each court since we have so many hot, sunny days. 3. We have implemented the 2N1 system to practice lock-down, earthquake and fire drills on a monthly basis. All teachers and students know where meeting points are and where to go if they are in transition between classes in the event of an emergency. 4. Every room at ML King has a working telephone with access to the office and an outside telephone line. We also have 2 district radios and the principal carries one with her and the school secretary keeps the other one turned on in the office. 5. The students’ soccer field is full of holes and the banks around the basketball courts are eroding due to 22 years of wear and tear. We need our fields to be re-leveled. The courts have big cracks in them and the ground is settling so they are becoming uneven 3. ML King does not have a sheltered, designated meeting place for student/parent pick up in case we ever have to evacuate our school site. We need to seek a safe-haven in our area that will be safe and easy to control for anxious parents in the event of an emergency. 4. ML King has 3 outside phone lines that stay busy most of the day. With 420 students, 2 ICOE classes that have another 20 special needs students, and 50 staff members the lines stay busy most of the time. During power outages, we do not have any phone service except for personal cell phones if they are working. 5. Parents leave their children after school and then do not pick them up on time. It is not uncommon to have several children waiting in the office for over 30 minutes after school hours.

DEVELOPING OUR GOAL(S)

1. Based on the analysis of data and major areas of desired change, our priorities for action are as follows:
 - a. Provide monthly 2N1 practice activities to ensure safety during possible lock-down situation, an earthquake and/or fire.

ACTION PLAN FOR COMPONENT 1

People and Programs

Create a "Caring and Connected" school climate. See Chapter 5.

Goal: Martin Luther King Jr. Elementary School will work on developing a safe, caring and supportive climate at our school.

-Objective 1-1: Make M.L. King a safer place to be

Related activities: Install cameras in the hallways so we can see if anyone has come inside the building without getting clearance through the office first. We will work to get a radio for each grade level so that we can all talk to one another in case of an emergency situation.

Resources needed: Parents, students, teachers and community communication to practice a large scale disaster drill. Maps for safe entrances and exits. Safe place to relocate to in case disaster is on railway, at school, etc. Depending on the disaster, we may have to leave in different directions but we all need to have a base to check in.

Person(s) responsible for implementation: Teachers, Parents, Students, Principal, ECESD office, ECPD, ECFD and any others.

Timeline for implementation: We have monthly 2N1 drills to practice lock-down, earthquake and fire drills. The principal will meet with parents at PTO and quarterly Parent/Principal Tea to go over chain of command and practice reunion locations.

-Objective 1-2: Safe School Environment (Behavior) Every student will feel safe at school and will respect each other.

Related activities: Have speaker come in and talk about issues that have been happening such as how to say NO to Drugs!, cyber-bullying, how not to give in to peer pressure, healthy lifestyles, and also how to help each other be better citizens.

Resources needed: Officer Garrido-ECPD/SRO to speak to students about things that will get them into trouble in the world such as drugs, alcohol and tobacco products. We hope to have the INS to bring their Drug Dogs and give a presentation about the harm that drugs cause families.

Person(s) responsible for implementation: Officer Garrido and the ECPD along with Principal Linda Morse and teachers.

Timeline for implementation:

Depending on the type of evacuation, we have determined that we need to designate several safe places to go. We will practice a mock disaster which will include evacuation of our school in the spring.

Resources needed: A safe and secure building that is close to ML King School in case it is very hot, rainy or windy. An open area that is easy to access in case of an earthquake. Communicating the Safe School Plan to the Public

The Martin Luther King Elementary School Safe School Plan has been planned by staff, students and parents. A copy of the final plan will be kept on file in the office for public review. Parents and community members will be notified that it is on file through letters home, Tele-parent, Parent Teacher Organization meetings, Parent Principal Tea parties and the school web page. Parents have be invited to attend our Parent Teacher Organization monthly meetings, Parent Principal Tea's, and School Site Council meetings to offer suggestions and express concerns prior to the approval of the Safe School Plan. BULLETIN NO. 22-1
July 1, 1994

SUBJECT: STUDENT DISCIPLINE

- I. Background
- II. Philosophy
- III. Recording of Rules and Procedures
- IV. Informing Parents and Students
- V. Expectations
- VI. Behavior Requiring Intervention
- VII. Intervention/Disciplinary Actions
- VIII. Corporal Punishment
- IX. Disciplinary Records

I. BACKGROUND

Education Code 35291.5 and 35291.7 requires each public school on or before December 2, 1987, and every four years thereafter, to adopt rules and procedures on school discipline. The code specifies that, in developing these rules and procedures, each school shall solicit participation, views and advice of representatives of each of the following groups: Parents, teachers, school administrators, school security personnel, and, in middle schools and junior high schools, pupils enrolled in the school.

The final version of the rules and procedures on school discipline must be adopted by a panel comprised of the principal of the school, or his or her designee, and a representative selected by the classroom teachers employed at the school.

These rules and procedures must be consistent with any applicable policies adopted by the governing board and state statutes governing school discipline.

Information contained in this bulletin should form the basis for establishing school rules and procedures. Essential information for students and parents should be excerpted for inclusion in the written communication to parents.

II. PHILOSOPHY

The objective is to provide all students the opportunity to obtain the best possible education in an orderly environment

which is conducive to learning. The best form of discipline is self-discipline. Schools should provide as many incentives for the development of student self-discipline as possible. An attempt should be made to establish within the school a tradition of positive student behavior. Written and spoken communications from the school should reinforce examples of positive student behavior. Programs should be developed in conjunction with parent support groups for reinforcement of all forms of positive behavior, i.e. sportsmanship, citizenship, punctuality, attendance, etc. When self-discipline fails, student behavior will be less than expected. Learning acceptable behavior and self-discipline may be among the most important lessons to be mastered in school. All school personnel must seriously assume the responsibility for teaching students self-control and self-discipline.

In attempting to correct student behavior, there should be a range of progression of the discipline measures used. Everything is not a capital offense. At the same time, there is truth to the idea that attention to the little things will prevent bigger things from happening.

Students are entitled to due process which includes the opportunity to hear charges against them and to respond. Parents are entitled to be kept informed of student behavior.

III. RECORDING OF RULES AND PROCEDURES

Each school will submit a copy of its rules and procedures on school discipline to the Superintendent of Schools and Board of Education on or before December 18, 1987, on October 1, 1991, and every four years thereafter.

IV. INFORMING PARENTS AND STUDENTS

At the beginning of each school year, written notice regarding the rules and procedures on school discipline will be provided to continuing students and parents. Students transferring into the school and their parents will be given the same information at the time of enrollment.

V. EXPECTATIONS

- A. All persons involved with a school, students, staff members, parents, and community members can expect to be treated with respect and dignity at all times.

- B. The rights of individual students shall be protected and each student shall be expected to respect the person and rights of others.
- C. The Board of Trustees of the El Centro School District, acting through the Superintendent of Schools, holds all school employees responsible for the supervision of the behavior of all students. While students are under district supervision, school employees are expected to take appropriate action when unacceptable behavior occurs.

- 1. Behavior in class

Students are expected to attend class regularly and with punctuality, to be responsible for coming to class prepared, to accomplish the work of the day, to respect others and the property of others, and to contribute to an orderly classroom environment.

- 2. Behavior on campus

While on or near the school grounds, students are expected to follow the rules established for student conduct. Students are expected to comply with the established rules of the school, to respect the school property and personal property of others, to treat others with respect and to contribute to a safe school environment.

- 3. Behavior at school activities

Students are expected to comply with all school rules at school activities whether held on campus or off campus.

- 4. District dress code

Students shall be clean and neatly dressed in such a manner that will not be hazardous to the health and safety of the student or others, and not disruptive to the educational program of the school.

VI. BEHAVIOR REQUIRING INTERVENTION

A. Unacceptable behavior in class includes:

- . Tardiness
- . Vulgarity/Profanity
- . Offensive social behavior
- . Continued willful disobedience
- . Defiance of authority
- . Disruptive behavior
- . False identification
- . Forgery
- . Leaving campus
- . Violation of suspension

BULLETIN NO. 22-3
July 1, 1994

SUBJECT: CORPORAL PUNISHMENT

- I. Purpose
- II. Legislation Prohibiting Corporal Punishment
- III. Background Information
- IV. Opinion of the State Attorney General's Office
- V. Examples of Physical Activities Permitted and Prohibited
- VI. Guidelines for School Principals
- VII. References

I. PURPOSE

The purpose of this communication is to provide information to El Centro School District personnel to clarify the implementation of the provisions of Education Code Sections 49000 and 49001, which prohibit corporal punishment in California public schools (see Bulletin No. 23-3). Following are sections which present the legislation, background information and examples of physical activities permitted and prohibited.

The intent of this bulletin is to help El Centro School District administrators make decisions in the best interest of students, parents, and teachers.

II. LEGISLATION PROHIBITING CORPORAL PUNISHMENT

Since January 1, 1987, the infliction of corporal punishment upon any pupil is prohibited, and every local rule or regulation permitting corporal punishment is void. These provisions appear in Sections 49000 and 49001 of the Education Code, as follows:

"49000. The Legislature finds and declares that the protection against corporal punishment, which extends to other citizens in other walks of life, should include children while they are under the control of the public schools. Children of school age are at the most vulnerable and impressionable period of their lives and it is wholly reasonable that the safeguards to the integrity and sanctity of their bodies should be, at this tender age, at least equal to that afforded to other citizens.

49001. (a) For the purposes of the section "corporal punishment" means the willful infliction of, or willfully causing the infliction of, physical pain on a pupil. An amount of force that is reasonable and necessary for the person employed by or engaged in a public school to quell a disturbance threatening physical injury to persons or damage to property, for purposes of self-defense, or to obtain possession of weapons or other dangerous objects within the control of the pupil, is not and shall not be construed to be corporal punishment within the meaning and intent of this section. Physical pain or discomfort caused by athletic competition or other such recreational activity, voluntarily engaged in by the pupil, is not and shall not be construed to be corporal punishment within the meaning and intent of this section.

(b) No person employed by or engaged in a public school shall inflict, or cause to be inflicted corporal punishment upon a pupil. Every resolution, bylaw, rule, ordinance, or other act or authority permitting or authorizing the infliction of corporal punishment upon a pupil attending a public school is void and unenforceable."

III. BACKGROUND INFORMATION

Recent complaints to the State Department of Education indicate that, while most school personnel know that paddling has been banned, they may not know the other kinds of behavior the Education Code prohibits or permits.

It has been alleged that some school districts still permit a variety of abuses against pupils to occur. Information in this bulletin should clarify any misconception held by any El Centro School District personnel regarding this matter and prevent any noncompliance with current law.

IV. OPINION OF THE STATE ATTORNEY GENERAL'S OFFICE

In a letter to Jordan Riak, President of Parents and Teachers Against Violence in Education, Deputy Attorney General Harlan Van Wye concluded that the prohibition against corporal punishment extends to any and all forms of willful pain infliction, and that it is "the causing of pain which is prohibited -- not the particular method or methods by which it is caused".

V. EXAMPLES OF PHYSICAL ACTIVITIES PERMITTED AND PROHIBITED

Any kind of act that causes physical pain or discomfort in a pupil is prohibited, except for the specific situations cited in Education Code Section 49001 (a). For clarification purposes, the following examples are offered for direction and guidance of school personnel. All permitted and prohibited actions are not limited to these examples.

1. Examples of PERMITTED Actions (NOT corporal punishment):

- . Stopping a student from fighting with another student
- . Preventing a pupil from committing an act of vandalism
- . Defending oneself from physical injury or assault by a student
- . Forcing a pupil to give up a weapon or dangerous object
- . Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills
- . Engaging in group calisthenics, team drills, military maneuvers, or other physical education or voluntary recreational activities.

2. Examples of PROHIBITED Actions (corporal punishment):

- . Hitting, shoving, pushing or physically restraining a student as a means of control (except actions allowed by Education Code Section 49001 (a), stated above)
- . Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort
- . Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain

When in doubt, the following course of action is recommended by the Attorney General's Office (quoted from a letter dated January 8, 1988): "Obviously, should there be any doubt concerning whether or not a particular action by a school district employee has the effect of

causing physical pain on a pupil, the course of action most consistent with the legislative intent would be to forgo such action".

VI. GUIDELINES FOR SCHOOL PRINCIPALS

1. School principals shall review and revise their school-wide discipline plans in accord with these provisions and insure that local school rules and procedures related to school discipline are consistent with board policies and with this statute.
2. Administrators should be aware that if local school employees administer corporal punishment to pupils under any circumstances they may be liable for civil lawsuits as well as prosecution for child abuse.
3. Administrators must notify all school employees that it is the duty of each of them to enforce local rules and procedures on school discipline.

For assistance, please call Michael Klentschy, Superintendent, at 352-5712.

STATEMENT OF NONDISCRIMINATION (Title VI Civil Rights Act of 1964): The district is required to have a policy of nondiscrimination on the basis of race, color, national origin, sex, age, or disability. This policy requires notification in native language if the district's service area contains a community of minority persons with limited English language skills. Notification must state that the district will take steps to assure that the lack of English will not be a barrier to admission and participation in district programs. This policy applies to all students insofar as participation in programs and activities is concerned, with few exceptions such as contact sports. In accordance with federal law, complaints alleging noncompliance with this policy should be directed to the school principal. Appeals may be made to the district superintendent.

CHILDREN IN HOMELESS SITUATIONS (42 USC §11431-11435): The district shall appoint a liaison for homeless children who shall ensure the dissemination of public notice of the educational rights of students in homeless situations. INSTRUCTION IN COMPREHENSIVE SEXUAL HEALTH EDUCATION/HIV AND AIDS PREVENTION (EC §51938): Districts shall annually notify parents about instruction in comprehensive sexual health education and HIV/AIDS prevention education and research on student health behaviors and risks planned for the school year. If arrangement for the instruction is made after the beginning of the school year, you will be notified no fewer than 14 days prior to the commencement of any such instruction if the district elects to provide the instruction by outside consultants in class or during an assembly. The notice must include the date of instruction, the name of the organization or affiliation of each guest speaker and information stating that the parent/guardian has the right to request a copy of the law pertaining to such instruction. You may request in writing that your child not receive comprehensive sexual health education and/or HIV/AIDS prevention education. The law also authorizes the district to use anonymous, voluntary and confidential research and evaluation tools to measure student's health behaviors and risks, including tests, questionnaires, and surveys containing age appropriate questions about the student's attitudes concerning or practices relating to sex. The district must notify you in writing before any such test, questionnaire, or survey is administered and provide you with an opportunity to review the test and request in writing that your child not participate.

HUMAN GROWTH AND DEVELOPMENT INSTRUCTION (EC §51550): Upon written request of a parent, students shall be excused from the part of any school instruction in which human reproductive organs and their function or processes are described, illustrated or discussed. SURVEYS (EC §51513 and 20 USC 1232h): Prohibits the use of test, questionnaires, surveys or examinations containing any questions about pupil's personal beliefs or practices in sex, family life, morality, and religion, unless the parent or guardian is notified in writing that the test questionnaire, survey, or examination is to be administered and the parent consents in writing.

SCHOOL ATTENDANCE/ATTENDANCE ALTERNATIVES

California law (EC §48980(h)) requires all school boards to inform each student's parent at the beginning of the school year of the various ways in which they may choose schools for their children to attend other than the ones assigned. Students who attend schools other than those assigned by the districts are referred to as "transfer students" throughout this notification. There is one process for choosing a school within the district which the parent lives (intradistrict transfer), and potentially multiple separate processes for selecting schools in other districts (interdistrict transfer). The general requirements and limitations of each process are described as follows:

INTRADISTRICT TRANSFER: CHOOSING A SCHOOL WITHIN DISTRICT WHERE PARENT LIVES

Board Policy 6001.1 and EC 35160.5 provides parents of students residing within the District with options in the selection of the school they wish their child to attend.

Student's residing within a school's attendance area shall have first priority for attending that school. Once enrolled in a school through this intradistrict open enrollment policy, students shall be considered to be residing in the school district's attendance area.

The open enrollment period for the District is April 1st through May 1st of each year. When applications for a given school(s) exceed available space, all requests will be handled in a random, unbiased manner. Parents will be notified of the status of their application by June 1st.

For Additional information, please contact Human Resources Office at 760-352-5712 Ext 513.

ANNUAL PARENT NOTIFICATION 2014-15

INTERDISTRICT TRANSFER: CHOOSING A SCHOOL OUTSIDE DISTRICT WHERE PARENT LIVES

- EC §§46600 et seq. allows two or more districts to enter into an agreement for the transfer of one or more students. The agreement must specify the terms and conditions under which transfers are permitted. There are no statutory limitations on the kinds of terms and conditions districts are allowed to place on transfers. The law on interdistrict transfers also provides for the following:

If either district denies a transfer request, a parent may appeal that decision to the county board of education. There are specified timelines in the law for filing an appeal and for the county board of education to make a decision.

- **Districts of Choice (EC §§48300 through 48315):** Some schools may choose to become a district of choice, that is, a district that accepts transfer students from outside the district under terms of a resolution. If the school board of a district decides to become a “district of choice” it must determine the number of students it is willing to accept in this category each year and make sure that the students are selected through a “random and unbiased” process, which generally means a lottery process.
- **Parental Employment in Lieu of Residency Transfers (EC §48204(b)):** If at least one parent or legal guardian of a student is physically employed in the boundaries of a school district other than the one in which they live for a minimum of 10 hours during the school week, the student may be considered a resident of the school district in which his/her parents work. This code section does not require that a school district accept a student requesting a transfer on this basis, but a student may not be rejected on the basis of race/ethnicity, sex, parental income, academic achievement, or any other “arbitrary” consideration. Other provisions of EC §48204(b) include:

Either the district in which the parent or legal guardian live or the district in which the parent or legal guardian works may prohibit the student’s transfer if it is determined that there would be a negative impact on the district.

The district in which the parent or legal guardian works may reject a transfer if it determines that the cost of educating the student would be more than the amount of government funds the district would receive for educating the student.

There are set limits (based on total enrollment) on the net numbers of students that may transfer out of a district under this law, unless the district approves a greater number of transfers.

There is no required appeal process for a transfer that is denied. However, the district that declines to admit a student must provide in writing to the parent or legal guardian the specific reasons for denying the transfer.

- **Open Enrollment Act (EC § 48350 et seq.)** Whenever a student is attending a district school on the Open Enrollment List, as identified by the Superintendent of Public Instruction, he/she may apply to transfer to another school within or outside of the District, if the school to which he/she is transferring has a higher Academic Performance Index. Districts with a school on the List must notify the parents/guardians at that school on or before the first day of the school year of their option to transfer to another public school. Information regarding the application process and applicable deadlines can be obtained from the district office.

EXCUSED ABSENCES (EC §48205)

- Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:
 1. Due to his or her illness.
 2. Due to quarantine under the direction of a county/city health officer.
 3. For the purpose of having medical, dental, optometric, or chiropractic services rendered.
 4. For the purpose of attending the funeral services of a member of his or her immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.

7. For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
 8. For the purpose of spending time with a member of the pupil's immediate family, who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
- A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.
 - For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.
 - Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.
 - "Immediate family," as used in this section, has the same meaning as that set forth in Section 45194, except that references therein to "employee" shall be deemed to be references to "pupil."

TRUANCY DEFINITION (EC §48260): Any student who is absent from school without valid excuse more than three days or tardy an excess of 30 minutes on each of more than three days in one school year is a truant, and will be reported to the Associate Superintendent, or to the Superintendent of the District.

ABSENCES FOR CONFIDENTIAL MEDICAL SERVICES (EC §46010.1): Students in grades 7-12 and their parents are notified that the law permits schools to excuse students for the purpose of obtaining confidential medical services without parental consent. The District will excuse such absences provided the pupil, upon return to school, submits medical verification of the appointment.

ABSENCE FOR RELIGIOUS INSTRUCTION (EC §46014): Absence for religious purposes at a place away from school property and after the pupil has attended school for a minimum day may occur for a maximum of four (4) days per school month with the written consent of the pupil's parent or guardians.

NOTICE OF MINIMUM DAYS AND PUPIL-FREE STAFF DEVELOPMENT DAYS (EC §48980(c)): The district is required to annually notify parents of its schedule(s) of minimum days and student-free staff development days at the beginning of the year or as early as possible, but no later than one month prior to the start of school. These are given with your child's registration packets, if you have questions contact your child's school site secretary.

NOTICE OF ALTERNATIVE SCHOOLS (EC §58501): State law authorizes all school districts to provide for alternative schools. Education Code section 58500 defines an alternative school as a school or separate class group within a school that is operated in a manner designed to:

1. Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy.
2. Recognize that the best learning takes place when the student learns because of his/her desire to learn.
3. Maintain a learning situation maximizing student self-motivation and encouraging the student in his/her own time to follow his/her own interests. These interests may result in whole or in part from a presentation by his/her teachers of choices of learning projects.
4. Maximize the opportunity for teachers, parents and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous, permanent process.

ANNUAL PARENT NOTIFICATION 2014-15

In the event any parent, student, or teacher is interested in further information concerning alternative schools, the County Superintendent of Schools, the administrative office of this district, and the principal's office in each attendance area shall have copies of the law available for your information. This law particularly authorizes interested persons to request that the governing board of the district to establish alternative school programs in each district.

Further, a copy of this notice shall be posted in at least two places normally visible to pupils, teachers and visiting parents in each attendance unit area for the entire month of March in each year.

The complaint must be initiated no later than six (6) months from the date when the alleged discrimination occurred or when the complainant first obtained knowledge of the facts of the alleged discrimination.

The Superintendent or designee shall have a form for complaints concerning insufficiency of instructional materials, emergency or urgent facility conditions, and/or teacher vacancy or misassignment issues, and will ensure that the complaint form contains a space to indicate whether the complainant desires a response to his/he complaint and specifies the location for filing a complaint. A complainant may add as much text to explain the complaint as he or she wishes. However, complainants need not use the District's complaint form in order to file a complaint. Complaints may be filed anonymously.

Refusal by the District to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail to refuse or cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

C. Response

For discrimination or program complaints, a written decision shall be issued to the complainant within sixty (60) calendar days of receiving the complaint unless the complainant agrees in writing to an extension of time. This decision shall contain the findings of fact based on the evidence gathered, conclusions of law, disposition of the complaint, the rationale for such disposition, corrective actions if any are warranted, notice of complainant's right to appeal the District's decision to the California Department of Education, and the procedure to be followed for initiating an appeal to the California Department of Education. If an employee is disciplined according to established District policy as a result of the complaint, this report shall simply state that effective action was taken and that the employee was informed by District expectations. The report shall not give any additional information as to the nature of the disciplinary action.

For complaints concerning insufficiency of instructional materials, emergency or urgent facility conditions, and/or teacher vacancy or misassignment issues, valid complaints must be remedied by the principal or his/her designee within a reasonable time period but not to exceed thirty (30) working days from the date the complaint was received. If the complainant has indicated on the complaint form that he or she would like a response to the complaint, the principal or his or her designee shall prepare and send the complainant a written report within forty-five (45) working days of the initial filing of the complaint. The report shall be made to the mailing address of the complainant as indicated in the complaint form. At the same time, the principal or his or her designee shall report the same information to the Superintendent or his or her designee. The time period may only be extended by written agreement between the complainant and the District.

When fifteen (15) percent or more of the students enrolled in a particular school speak a single primary language other than English, the response shall be written in English and the primary language in which the complaint was filed.

D. Appeal

For discrimination or program complaints a complainant may, within five (5) calendar days of receiving the written decision, file an appeal with the Board if he or she is dissatisfied with the compliance officer's decision. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final. The Board may consider the matter at its next regular board meeting or at a special board meeting convened in order to meet the sixty (60) calendar days time limit in which the complaint must be answered.

If dissatisfied with the District's decision, the complainant may appeal in writing to the California Department of Education within fifteen (15) calendar days of receiving the District's decision. For good cause, the Superintendent of Public Instruction may grant an extension for filing appeals. The complainant shall comply with all of the appeal requirements set forth in the California Code of Regulations, Title 5, Section 4632. When appealing to the California Department of Education, the complainant must specify the reason(s) for appealing the District's decision and whether the facts are incorrect and/or the law has been misapplied. IV. Civil Law Remedies

A complainant may pursue available civil law remedies outside of the District's complaint procedures as provided by law. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. Except as provided by law, for discrimination complaints, a complainant must wait until sixty (60) days have elapsed from filing an appeal with the California Department of Education before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the District has properly notified in writing as applicable, its students, employees, parents or guardians of its students, the district advisory committees, school advisory committees, and other interested parties of the District's complaint procedures, including the complainant's opportunity to appeal if dissatisfied with a decision.
