

# GAFE Parent Training

Overview & Resources

<http://goo.gl/FzAXFh>

Google Apps

# The Goals and Objectives

1. Inform parents about GAFE
  - Overview the most common GAFE Apps
  - Showcase GAFE website with attendees
2. Inform parents on GAFE best practices
  - Logging in and out of resources
  - Using technology at home
3. Inform parents on how to protect their child.
  - Share State and Federal Laws

# 1 - What is GAFE?

- GAFE stands for Google Apps For Education.
  - GAFE is comprised of free and collaborative productivity and creative applications.

Google™ Apps

# 1 - Why GAFE?

- GAFE is free!
  - Free to education and personal account
- GAFE is everywhere!
  - Internet connected device
- GAFE storage!
  - Unlimited amount of individual free storage
  - 5TB individual file size
- GAFE is specifically made for education

# 1 - GAFE Live Demo

- How do I access GAFE apps?
  - Using the Chrome Internet browser, click on “Apps”.
  - Available Apps appear
    - More are available by visiting “Web Store”.
  - Go to App directly
    - [docs.google.com](https://docs.google.com)
    - [drive.google.com](https://drive.google.com)

Chrome Web Store

# 1 - District Resources

- District website
  - <http://www.ecesd.org>
- Parent Fair
  - Registered attendees only
  - Happening this Saturday
- Future parent trainings
- Ongoing student trainings

The screenshot shows the homepage of the El Centro Elementary School District website. The header features the district logo and navigation links: HOME, SCHOOL BOARD, SCHOOLS, PARENTS, STUDENTS, CALENDAR, DEPARTMENTS, DISTRICT DIRECTORY, LEAP INFO, and LINKS. A central banner promotes the Board Meeting Agenda with a 'Click for Google features' button and a 'Go to Main Calendar' link. To the right, a calendar for February 2015 is displayed, with the 4th highlighted. Below the calendar, a 'QUICK LINKS' section includes icons for Facebook, Staff Email, Employment Opportunities, Lunch Menu, Enrolling Students, Board Meeting, and Contact Us. A weather widget for El Centro, CA, shows a high of 53°F and a low of 49°F. A 'SUPERINTENDENT'S MESSAGE' section features a photo of Jon K. LeDoux and text stating the district's commitment to high-quality education and its mission statement: 'To ensure each student reaches exceptional academic achievement every day.' An 'ENROLL TODAY' section includes a video player for a 2014 El Centro ESD Public Commercial.

## 2 - GAFE Best Practices

- Using ECESD resources at home
  - All students were provided a Google account
    - With parent consent, students also received a G-mail account (i.e. [student@ecesdgafe.org](mailto:student@ecesdgafe.org))
    - Some parents opt-ed out of providing their child G-mail.
    - Teachers have access to a monitoring tool to supervise student email.
      - Also district monitoring and established safeguards

# 2 - GAPE Best Practices

- Google Drive

- Students have access to work created and shared by teachers.
- Students may be asked to work on files from home
- Student may be asked to collaborate with other students from home

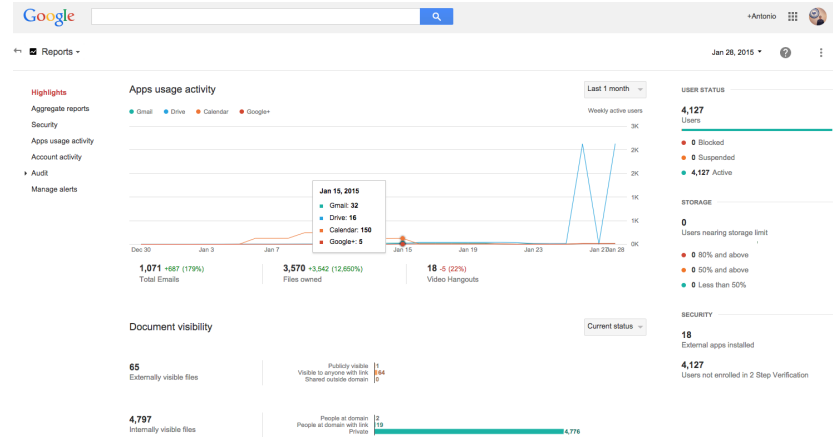

# 2 - GAFFE Best Practices

- District Reporting

- Log in and out reports
- Abuse reports
- Activity reports
- Sharing reports
- Apps reports

- Logging in and out at home

# 3 - State and Federal Laws

- FERPA

- Family Educational Rights and Privacy Act

- <http://www2.ed.gov/policy/gen/guid/fpco/ferpa/index.html>

- COPPA

- Children's Online Privacy Protection Act of 1998

- <http://www.ftc.gov/enforcement/rules/rulemaking-regulatory-reform-proceedings/childrens-online-privacy-protection-rule>

# 3 - State and Federal Laws

- Google complies with both FERPA and COPPA
  - <https://support.google.com/a/answer/139019?hl=en>
- District will require parental consent upon enrollment or on an annual basis.
