SAFE AND DRUG FREE SCHOOL

Our goal is to prepare all students to attain high standards of academic performance, to establish strategies to improve student achievement, and to secure and maintain broad-based parental and community involvement in our schools.

Academically successful students are less likely to use drugs, alcohol, and violence as answers to problems they might encounter and are more likely to be productive citizens.

This Comprehensive Safe School Plan contains school policies and procedures that create a disciplined environment that is conducive to learning and promoting the safety of students.

Tardy Policy

Punctuality (being on time) is important in today's career world. Wilson Jr. High School has developed the following policy to encourage pupils to be in their seats when the tardy bells ring throughout the day.

During first period any tardy pupil must first check into the office and obtain a pink slip before reporting to class. **Any pupil who is not in his/her seat when the tardy bell rings is considered tardy and must report to ILC detention in room 5 on that same day from 2:30 – 3:00 pm.** A tardy card is created for the first period tardies and minutes are monitored for referral to SARB. Continuing tardies will result in referral to the Student Attendance Review Board.

Detention Procedures

1. When you assign detention, you must give the student the opportunity to notify parents, even if it is period 7. Allow the students to use the "call home slip". See Cindy if you need more.
2. If you keep the entire class after school, notify the office. We have had too many unhappy parents who were distressed when their son/daughter did not appear after school as expected.
3. Whether you are running your own or a team detention, send a list of the detained students to the office so that we can answer parent inquiries.
4. The form on the next page may be used to inform parents of the reason for detention. You are encouraged to use this form; however, if the detention is served the day of the offense, the student must be given the opportunity to notify parents.
5. Let us know if we can assist you in getting information out to parents.

BULLETIN NO. 22-1
July 1, 1994

SUBJECT: STUDENT DISCIPLINE

- I. Background
- II. Philosophy
- III. Recording of Rules and Procedures
- IV. Informing Parents and Students
- V. Expectations
- VI. Behavior Requiring Intervention
- VII. Intervention/Disciplinary Actions
- VIII. Corporal Punishment
- IX. Disciplinary Records

I. BACKGROUND

Education Code 35291.5 and 35291.7 requires each public school on or before December 2, 1987, and every four years thereafter, to adopt rules and procedures on school discipline. The code specifies that, in developing these rules and procedures, each school shall solicit participation, views and advice of representatives of each of the following groups: Parents, teachers, school administrators, school security personnel, and, in middle schools and junior high schools, pupils enrolled in the school.

The final version of the rules and procedures on school discipline must be adopted by a panel comprised of the principal of the school, or his or her designee, and a representative selected by the classroom teachers employed at the school.

These rules and procedures must be consistent with any applicable policies adopted by the governing board and state statutes governing school discipline.

Information contained in this bulletin should form the basis for establishing school rules and procedures. Essential information for students and parents should be excerpted for inclusion in the written communication to parents.

II. PHILOSOPHY

The objective is to provide all students the opportunity to obtain the best possible education in an orderly environment

which is conducive to learning. The best form of discipline is self-discipline. Schools should provide as many incentives for the development of student self-discipline as possible. An attempt should be made to establish within the school a tradition of positive student behavior. Written and spoken communications from the school should reinforce examples of positive student behavior. Programs should be developed in conjunction with parent support groups for reinforcement of all forms of positive behavior, i.e. sportsmanship, citizenship, punctuality, attendance, etc. When self-discipline fails, student behavior will be less than expected. Learning acceptable behavior and self-discipline may be among the most important lessons to be mastered in school. All school personnel must seriously assume the responsibility for teaching students self-control and self-discipline.

In attempting to correct student behavior, there should be a range of progression of the discipline measures used. Everything is not a capital offense. At the same time, there is truth to the idea that attention to the little things will prevent bigger things from happening.

Students are entitled to due process which includes the opportunity to hear charges against them and to respond. Parents are entitled to be kept informed of student behavior.

III. RECORDING OF RULES AND PROCEDURES

Each school will submit a copy of its rules and procedures on school discipline to the Superintendent of Schools and Board of Education on or before December 18, 1987, on October 1, 1991, and every four years thereafter.

IV. INFORMING PARENTS AND STUDENTS

At the beginning of each school year, written notice regarding the rules and procedures on school discipline will be provided to continuing students and parents. Students transferring into the school and their parents will be given the same information at the time of enrollment.

V. EXPECTATIONS

- A. All persons involved with a school, students, staff members, parents, and community members can expect to be treated with respect and dignity at all times.

- B. The rights of individual students shall be protected and each student shall be expected to respect the person and rights of others.
- C. The Board of Trustees of the El Centro School District, acting through the Superintendent of Schools, holds all school employees responsible for the supervision of the behavior of all students. While students are under district supervision, school employees are expected to take appropriate action when unacceptable behavior occurs.
 - 1. Behavior in class

Students are expected to attend class regularly and with punctuality, to be responsible for coming to class prepared, to accomplish the work of the day, to respect others and the property of others, and to contribute to an orderly classroom environment.
 - 2. Behavior on campus

While on or near the school grounds, students are expected to follow the rules established for student conduct. Students are expected to comply with the established rules of the school, to respect the school property and personal property of others, to treat others with respect and to contribute to a safe school environment.
 - 3. Behavior at school activities

Students are expected to comply with all school rules at school activities whether held on campus or off campus.

We have consulted with a representative from a law enforcement agency in the writing and development of the comprehensive school safety plan. It addresses the safety concerns identified through a systematic planning process. RE: Annual Report for Alcohol, Tobacco, Other Drugs, and Violence Programs – Health and Safety Code Section 104450

As we work towards compliance in the areas of Safe and Drug Free and Tobacco Use Prevention, documentation of your current efforts are necessary. Please complete the following form and include it in your Safe School Plan (Tab 3).

CPM Compliance Item

II-S&DATE4 The LEA has, or the schools to be served have, a consolidated plan for keeping schools safe and drug-free. This plan shall include:

- Appropriate and effective school discipline policies that prohibit disorderly conduct, illegal possession of weapons, and the illegal use, possession, distribution, and sale of tobacco, alcohol, and other drugs
- Security procedures at school and to and from school
- Prevention activities designed to create and maintain safe, disciplined, and drug-free environments
- A crisis management plan for responding to violent or traumatic incidences on school grounds
- A code of conduct policy for all students that clearly states the responsibilities of students, teachers, and administrators

How to Achieve Compliance

- The LEA provides age-appropriate, developmentally based education programs for all students, preschool through grade twelve, on the prevention of drug, alcohol, and tobacco use and of violence.
- A minimum of six hours of instruction at grade level is recommended.
- Students may receive instruction through alternatives to curriculum in the classroom, for example, peer education, dramatic presentations, and presentations by outside speakers at assemblies.
- The LEA provides other intervention services as needed: counseling, conflict resolution, character education, community service activities, referral to agencies, policies and procedures to ensure student safety

Afterschool Facts

The Need: Youth today need safe, stimulating places to go after school.

- The parents of more than 28 million school-age children work outside the home. (U.S. Department of Labor)
- At least 7 million and as many as 15 million “latchkey children” go to an empty house on any given afternoon. (U.S. Census Bureau, Urban Institute estimate, 2000)
- Children are more likely to be involved in crime, substance abuse and teenage pregnancy in the hours after school, particularly between 3 and 4 p.m. (National Center for Juvenile Justice, 1999)

Supply and Demand: There are not enough afterschool programs.

- The amount of afterschool programs available today meets only half the demand among elementary and middle school parents. (National Opinion Research Center, August 1998)
- Six in ten voters are concerned that there will not be new afterschool programs and some existing programs may have to reduce their services or close their doors if no new federal funds are allocated. (Afterschool Alliance Poll, November 2002).
- Mayors surveyed in 86 cities reported that only one-third of children needing afterschool care were receiving it. (U.S. Conference of Mayors, January 2003)

The Benefits: Afterschool programs keep kids safe, help working families and improve academic achievement.

- Students in a statewide program in California improved their standardized test scores (SAT-9) in both reading and math by percentages almost twice that of other students. The afterschool participants also had better school attendance. (University of California Irvine, May 2001)
- Students who participate in extracurricular activities have better grades, feel greater attachment to school, have lower truancy rates and reach higher levels of achievement in college, as documented by a 17-year study that followed 1,800 6th graders in 10 Michigan schools through high school and college. (“Extra Benefits Tied to Extracurriculars,” Education Week, October 2000)
- Teens who do not participate in afterschool programs are nearly three times more likely to skip classes than teens who do participate. They are also three times more likely to use marijuana or other drugs, and they are more likely to drink alcohol, smoke cigarettes and engage in sexual activity. (YMCA of the USA, March 2001)
- Incidents of vandalism, stealing, violent acts and arrests were 50% lower among students in afterschool programs in 12 high-risk California communities. (Fight Crime: Invest in Kids California, August 2001)

Who Supports Afterschool Programs?

- Nine in ten Americans think children need organized activities or a program to go to after school where they have learning opportunities. (Afterschool Alliance Poll, November 2002)
- Almost nine in ten voters support funding for quality afterschool programs in low-income neighborhoods as an important aspect of government programs like welfare reform. (David and Lucile Packard Foundation Poll of Public Views on Welfare Reform and Children in the Current Economy, February 2002)

PROGRAMS AND STRATEGIES FOR SAFETY

DISCIPLINE & CLIMATE FOR LEARNING

Safety of students and staff is a primary concern of Wilson Junior High. The principal, staff, parents, and students at Wilson are committed to a disciplined, active, and safe learning environment. Our school wide discipline plan reflects high standards for student behavior implemented in a consistent and positive manner. All incoming students receive a copy of the discipline plan, and all parents must sign an acceptance form upon receipt of this plan. Every effort is made to develop self-discipline and self-governing qualities in each student so that the need for teacher or administrator-imposed discipline is kept to a minimum.

The School Discipline Plan includes progressive interventions to remedy student misconduct. Teachers first attempt to work with individual students to bring about positive behavior. Their efforts include counseling, parent conferencing, after school detention, and positive behavior reward systems. If the problem continues, the teachers seek assistance from the school counselor. Students with habitual or severe problems are referred to the assistant principals or site principal.

ISOLATED LEARNING CENTER

On campus we maintain a room designated the Isolated Learning Center where students are placed by the assistant principals or site principal for habitual or severe discipline problems. Students are detained in this center for one to three days and are given all classroom assignments in a structured, disciplined environment without passing periods or interruption to their academic time. The number of days of placement in the Isolated Learning Center depends upon the number of prior offenses committed by the student. If the student's behavior does not improve after placement in the Isolated Learning Center, he/she will be suspended from school. Continuous suspension for disruption to school activity can result in placement in the Youth Opportunity Program or expulsion.

ZERO TOLERANCE

We have zero tolerance for fights, drugs, weapons, or other actions that jeopardize the safety of our students; although, discretion is used in applying the zero tolerance ruling where punishment fits the infraction committed.

POSITIVE LEARNING PROGRAMS

We work hard to establish a positive learning climate through a variety of academic and social programs. Students are teamed with a group of teachers who can offer social, emotional and academic support. The following programs are offered to develop student character and citizenship.

WEB (Welcome Everybody for 7th graders)

W.E.B. (WELCOME EVERYBODY)

Three years ago, our assistant principals received additional training in (WEB) Welcome Every Body, a transitional orientation program for 6th graders entering our school. This program is

designed to connect the incoming 7th graders with trained 8th graders, so they have a big brother or sister when entering Wilson.

ADVISORY

Wilson Junior High has an advisory program which gives each student a home base: a place and a time for 25 minutes every morning where students can be comfortable and learn about Wilson Junior High School, our programs, policies, and activities. During this time students are given opportunities to learn new skills that will help them get better grades, solve school and personal problems, get organized, and help students have a successful and enjoyable year.

The following are topics discussed during the advisory program:

Getting to Know Your School
Getting Acquainted
Organizing for Success
Second Step Violence Prevention
Getting to Know Yourself & Each Other
Communication Skills
Conflict Resolution
Self Esteem
Student Health
Nutrition
Study Skills
Test-Taking Skills

SECOND STEP VIOLENCE PREVENTION PROGRAM

Second Step is a series of curricula, which addresses the issue of interpersonal violence among adolescence. Students begin the program in the 6th grade and follow through Levels 1 - 3 by the end of 8th grade. It is designed to reduce their impulsive and aggressive behavior and increase their level of social competence through empathy training, interpersonal problem solving, behavioral skill training and anger management.

COMMUNICATIONS BETWEEN PARENT AND SCHOOL

Communications between parents and the school is extremely important. Parents are continually kept informed through the following:

Phone Calls
Team Discipline and Homework Policies
Written Communications
Parent Conference Week
Six Weeks' Progress Reports
Semester Report Cards
Good News Postcards
Deficiency Postcards
Discipline and Counseling Referrals
Student Daily Planners
Honor Roll Reward Certificates
Achievement Awards Certificates
Parent-Teacher Conferences
www.Wilsonwarriors.com

SCHOOL ATTENDANCE

The staff at Wilson Junior High feels that attendance is critical to academic success. Attendance, tardy, and truancy policies are clearly stated, consistently enforced, and consequences fairly administered. Parents are advised of their responsibility to notify the school of when and why their child is absent. The School Attendance Review Board deals with those students exhibiting excessive absences. This board works collaboratively to review the student's situation and recommend alternative solutions to alleviate circumstances that contribute to specific truancy, attendance, or behavior problems.

COUNSELING & OTHER SUPPORT SERVICES

It is the goal of Wilson Junior High to assist students in their social and personal development as well as academics. Special attention is given to students who experience achievement problems and difficulty coping with personal and family problems. Counselors are devoted to helping students deal with problems and assisting them to reach positive goals. Three psychologists, one school counselor, one county counselor, one Twenty-First Century Grant Counselor and one nurse are available to the students on a full-time basis.

SCHOOL FACILITIES AND SECURITY

Our intent is to provide a safe and orderly environment as well as an attractive and well-maintained campus. The Wilson Junior High School staff, parents, and students take great pride in keeping the physical environment clean and safe for children. To safeguard the well being of students and staff, safety drills, including monthly fire drills and regularly scheduled earthquake/disaster drills are conducted.

To ensure that campus rules are followed and safety maintained, the grounds are supervised by teachers, the counselor, two assistant principals, the principal, 5 parent/community noon-duty and after school supervisors and two security officers provided by the police department and the probation office.

In instances where a student has made and posed a threat to the physical safety of himself or others, a Crisis Team consisting of the Principal, Assistant Principals, Counselors, the District Psychologists, a Uniformed Police Officer and Probation immediately respond.

All staff members, including four custodians and a part-time groundskeeper, work towards establishing a well-maintained and secure campus. The custodians and noon duty supervisors help with monitoring of the noon lunch hours while teachers are at lunch. Off Limits Areas are mapped for students, so we can keep them in confined areas for supervision and away from classrooms in session.

The Parent Advisory Council inclusive of the School Site and Bilingual Council sponsor an annual BBQ to raise funds for ongoing beautification projects: benches, planters, and wall murals.

The Wilson Junior High grounds are fenced and "No Trespassing" signs are posted to keep unauthorized individuals from entering the campus. Advisory classes conduct an on-going, "Adopt-A-Lawn-Clean-up campaign to keep the grounds free of trash and litter. In turn the advisory earns points for becoming a "Winning Warrior Advisory" which can visit Hamburger Stand for breakfast, can have donuts in advisory, or attend the Winning Warrior Movie and Pool Party. All programs and strategies for security support our vision statement for active learning in a safe, secure environment.

BULLETIN No. 58-1
Revised: September 10, 2001

SUBJECT: MANDATORY SCHOOL CRIME REPORTING PROCEDURES

- I. BACKGROUND**
- II. REPORTING REQUIREMENTS**
- III. REPORTING PROCEDURES**
- IV. EXHIBITS**

I. BACKGROUND

- A. In 1994, the California Legislature and the Governor agreed to suspend the School Crime Reporting Program statewide for one year and directed the CDE to revise reporting procedures. Statewide data collection procedures were reinstalled on July 1, 1995 with the Safe School Assessment Program.

II. REPORTING REQUIREMENTS

- A. Penal Code Section 628 et. seq. established legal requirements for reporting school crime.
- B. Data from the California Safe Schools Assessment will provide an important part of planning and implementing safe school strategies.
- C. Data from the California Safe Schools Assessment will document trends statewide in school safety and reflect positive steps taken by local schools to prevent or reduce crime on school campuses.

III. REPORTING PROCEDURES

- A. School principals/designees are required to follow the procedures outlines in the CSSA School Crime and Incident Reporting Manual (2001 Edition), and use the CSSA School Crime Reporting form. The procedures are summarized as follows:
 - 1. Immediately after a reportable incident occurs on a school campus, the principal/designee should record the appropriate information on a CSSA School Crime and Incident Reporting form.
 - a. The CSSA School Crime and Incident Reporting form is a 3-part carbonless form (Exhibit # 1).

- b. The top two copies should be immediately sent to the Pupil Services and Attendance Office. The third copy is to be retained for school records.
2. Completing the CSSA School Crime Reporting form.
- Print or type the school name, district and CDS code.
 - Mark the box for the appropriate school level.
 - a. DATE: Record the date of the incident in arabic numerals.
 - b. TIME: Mark appropriate box.
 - c. LOCALE: Mark the locale that best describes the location where the crime took place.
 - d. DESCRIPTION: Select the crime category appropriate to the incident (mark only ONE). If crime category is not listed, do not report it.
 - e. COST: In the case of property crimes, estimate the gross Dollar loss resulting from the crime committed against school property. Complete this section only if the dollar loss is \$100 or greater for arson, vandalism, or graffiti. For theft, complete this section if the loss is \$50 or greater.
 - f. WEAPON: Be sure to mark if a weapon was involved. If yes, check appropriate weapon.
 - g. SUSPECT (S): Complete this section for all crimes. If the suspect(s) is/are unknown, mark the appropriate box. If there are more than four suspects, complete the suspect information on additional forms and cross reference the incident numbers from both forms.
 - h. VICTIM INFORMATION: Complete this section for all crimes against persons, including those reported as an Other Hate Crime/Incident. If more than two victims, complete the victim information on additional forms as needed and staple all forms to the same incident together.

BULLETIN NO. 58-1
Revised: August 21, 2000

Office of the Superintendent

3. Attach a copy of the suspension notice (Exhibit # 2) to the Crime Report (only 48900 subdivisions that are reportable) and send to the Pupil Services and Attendance Office along with the School/Program Site Monthly Transmittal Form (Exhibit # 7)
5. Send the CSSA – Distric/COE Suspension Data Request Form (Exhibit # 3) (requested twice a year) to the Pupil Services and Attendance Office to verify match between Crime Reports and suspensions under 48900 codes.

Reporting Tips:

- a. Classify and report attempts to commit a specific crime as though the crime was actually committed. Attempted homicide is to be reported as assault with a deadly weapon.
- b. If multiple crimes are committed in the same incident, by the same person(s), classify the crime by most serious offense (Exhibit # 5: CSSA Suggested Hierarchy Guide of Reportable Offenses of School Crime). The exception is arson in conjunction with another crime. If this occurs report both the arson and the other crime.
- b. Do not report sexual harassment or sexual exposure (suspension should be under 48900.2)
- c. "Touching" or grabbing the private areas of another person is a sexual battery/assault and should be reported to CSSA as a Sexual Offense (suspension should be under 48900(n)).
- d. "Battery" is reportable if: 1) There is an aggressor (suspect), who 2) intended to cause physical harm, to 3) another person (victim) who did not hit the aggressor.
- e. Verify that the suspension notice for each crime report matches the 48900 subdivisions that are reportable. (Exhibit # 4 Education Code 48900 as it Relates to CSSA Reportable Offenses)

IV. EXHIBITS

- A. Exhibit # 1 - CSSA School Crime and Incident Reporting form.

California Safe School Assessment Suggested Hierarchy of Reportable Offenses of School Crime

To be used as a GUIDE only; this Hierarchy is not mandated.

Note: Hate crimes are not separate, distinct crimes, but rather the motivation behind a crime. For that reason, they are not listed separately on the Hierarchy.

Hate motivated incidents are not considered crimes and therefore are also not included in the above Hierarchy.

In cases where more than one offense is committed during a single incident, this Hierarchy may be used as a tool to determine which offense is reported on the CSSA Incident Reporting Form. This is not a mandated reporting hierarchy. Unusual situations may arise that are not covered in the hierarchy guide. In classifying these unusual situations, the nature of the crime should be considered along with the guidelines provided. If assistance is needed phone a CSSA technical assistant at 800-273-6363. Your district may elect to make their own hierarchy for ease in determining which crime is reported when multiple crimes occur in one incident.

II. CHILD ABUSE REPORT REQUIREMENTS, P.C. 11166(b)

California Penal Code Section 11166(b) mandates the reporting to designated authorities of cases of suspected child abuse and reads as follows:

"... any child care custodian, health practitioner, or employee of a child protective agency who has knowledge of or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall report the known or suspected instance of child abuse to the child protective agency immediately or as soon as practically possible by telephone and shall prepare and send a written report thereof within 36 hours of receiving the information concerning the incident".

It is the policy of the El Centro School District that all employees shall comply with the law's reporting procedures. The penal code obligation to report child abuse applies to certificated employees. This law also applies to instructional aides, teacher's aides, teacher's assistants, and classified employees who have been trained in the duties imposed by this law. These employees are considered to be mandated reporters.

Legal Responsibility - Penal Code Section 11166

- A. Any child care custodian, medical practitioner, non-medical practitioner, or employee of a child protective agency who has knowledge or observes a child in his or her professional capacity or within the scope of his or her employment whom he or she knows or reasonably suspects has been the victim of child abuse shall (1) report the known or suspected instance of child abuse to a child protective agency immediately or as soon as practicably possible by telephone and shall (2) prepare and send a written report within 36 hours of receiving the information concerning the incident. For the purposes of this article, "reasonable suspicion" means that it is objectively reasonable for a person to entertain such a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his or her training experience, to suspect child abuse."
- B. Any child care custodian, medical practitioner or employee of a child protective agency who has knowledge of or who reasonably suspects that mental suffering has been inflicted on a child or his or her emotional well-being is endangered in any other way, may report such known or suspected instance of child abuse to a child protective agency.
- C. When two or more persons who are required to report are present and jointly have knowledge of a known or suspected instance of child abuse, and when there is agreement among them, the telephone report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by such selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so, shall thereafter make such report.

- D. The reporting duties with regards to child abuse are individual and no supervisor or administrator may impede or inhibit the reporting duties and no person making such report shall be subject to any sanction for making the report. However, internal procedures to facilitate reporting and apprise supervisors and administrators of reports may be established provided that they are not inconsistent with the child abuse reporting laws.
- E. When a minor has been taken into custody as a victim of suspected child abuse, the principal or other school official shall provide the peace officer with the address and telephone number of the minor's parent or guardian. The peace officer shall take immediate steps to notify the parent or guardian, or responsible relative of the minor that the minor is in custody and the place where he or she is being held. If the officer has a reasonable belief that the minor would be endangered by a disclosure of the place where the minor is being held, or that the disclosure would cause the custody of the minor to be disturbed, the officer may refuse to disclose the place where the minor is being held for a period not to exceed 24 hours (effective January 1, 1985).
- F. Also effective January 1, 1985, a principal or other school official shall release a minor pupil to a Children's Services Worker upon request for the purpose of removing the minor from the school premises. The Children's Services Worker must provide identification upon request.

III. ACCESS TO RECORDS AND CONFIDENTIALITY

- A. School districts may release information from pupil records without written parental consent or judicial order in connection with an emergency. Student records information may be given to appropriate persons in connection with an emergency if the knowledge of such information is necessary to protect the health or safety of a student or other person. Factors to be taken into account in determining whether information from a pupil record is to be disclosed:
1. The seriousness of the threat to the health or safety of the student or other individuals,
 2. The need for the information to meet the emergency,

3. Whether the parties to whom the information is disclosed are in a position to deal with the emergency, and
4. The extent to which time is of the essence in dealing with the emergency.

C. Confidentiality

Reports of suspected child abuse and information contained therein may be disclosed only to the following:

1. Persons or agencies to whom disclosure of the identity of the reporting party is permitted under Section P.C. 11167.
 - a. Between child protective agencies.
 - b. To counsel representing a child protective agency.
 - c. To the district attorney in a criminal prosecution or in an action initiated under the Welfare and Institutions Code Section 602.
 - d. To counsel appointed pursuant to the Welfare and Institutions Code Section 318.
 - e. To the county counsel or district attorney in an action initiated under Civil Code Section 232 (termination of parental rights) or Welfare and Institutions Code Section 300 (dependent children).
 - f. By court order.
2. Persons or agencies to whom disclosure of information is permitted under subdivision (b) of Section P.C. 11170.
3. Persons or agencies to whom investigations of child abuse are coordinated under the regulations promulgated under Section 11174.
4. Multidisciplinary personnel teams as defined in subdivision (d) of Section 18951 of the Welfare and Institutions Code.

- 5. Persons and agencies responsible for the licensing of facilities which care for children, as specified in Section P.C. 11165.7.
- 6. The State Department of Social Services, as specified in paragraph (3) of subdivision (b) on Section P.C. 11170.

Any violation of the confidentiality of child abuse reports shall be a misdemeanor punishable by up to six months in jail or by a fine of five hundred dollars (\$500) or by both. (P.C. Section 11167.5).

WHERE TO REPORT

LOCAL AGENCIES INVOLVED IN CHILD ABUSE/NEGLECT:

If child abuse/neglect is suspected, the principal or mandated reporter must report immediately by phone to the local police department and to Child Protective Services' 24-hour emergency response line.

Since our area is served by several 'local' agencies, it will expedite the report and service if a check is made to determine the correct agency having jurisdiction for the child.

- A. Duck/Cover/Hold on to desk leg and move with it/head covered.
- B. If possible turn off any dangerous equipment in use (especially in science, and computer labs). Keep items unplugged when not in use.
- C. When you determine it is safe to move, check for injuries.
- D. Assess needs.
 - 1) Do not touch light switches
 - 2) If there are no injured students:
 - a) Count students. Determine who is absent and get disaster packet.
 - b) Teachers are to lead students in a single file line to the athletic field. (Mr. Phillips is in charge on the field).
 - c) If no one is left in the room, close the doors. Do *not* lock them.
 - d) Keep your class with you.
 - e) Escort them to your assigned area on the field or in front of the school. (In real disaster situations take jackets and personal belongings) Do not touch fences.
 - f) Instruct students to sit down when you reach your area.
 - g) Take roll

(Democracy goes out the window)

Superintendent
Asst. Superintendent
Principal
Asst. Principal
Teachers
Classified Staff
Pupils

There will be no discussion; subordinates shall follow directions.

C. **Principals**: Remain in command post known to all. Use runners and delegated sub-systems to communicate (Receive and give information.) Don't run around doing the work yourself. Have lieutenants assigned and their authority known by staff.

D. **Teachers**: Instruct children that if an earthquake strikes when they are on their way to or from school, they must:

1. Continue to the closest point, whether it is home or school.
2. **Aftershock**, Continue to destination, IF POSSIBLE:
 - a. School, if on way to school
 - b. Home, if on way home

I. Disaster Preparedness II

A. **Administrators and other assigned and scheduled personnel will:**

1. Execute emergency procedures (See Page 1)
2. Evaluate adequacy of emergency procedures having been carried out. (Don't assume; require specific reports that gas valves are off, etc. – have a check list.)
3. Evaluate structural condition of rooms and other areas. Decide which areas to evacuate, if any. Give the proper orders through a pre-planned communication system.
4. Evaluate the situation again.
 - a. Does any one need help?
 - b. Are pupil movements taking place?
 - c. Is glass being swept?
 - d. Are there any new fires?
 - e. Receive reports on injured.

Conduct a Triage; provide first aid; transport if necessary; seek medical help, if necessary AND POSSIBLE.

JUDGMENT: If a child or staff member needs help you cannot provide, evaluate the situation as to the probability of finding help, vis-a vis damage to others as a result of your absence, and make a command decision.

B. **Stay Calm!** Make decisions one at a time; keep communication open.

Calm Others

Staff

Pupils –

Parents –

C. **QUESTION:** Do we permit parents to take their children away?

1. The safest place in town will be your school. Until all students have been accounted for, they will not be released to parents.
2. In a confusing situation, pupils could get lost, injured, or taken away by persons other than their parents.
3. Don't fight with anyone!
Don't take time to argue about it!
Only after all students have been accounted for – will students be released to parents – and parents only.
4. Staff will **not** be allowed to leave.

D. **Communication:**

1. Schools, if telephone service is out, do your best, make command decisions, and someone will try to contact you.

BULLETIN NO. 14-4
July 1, 1994

SUBJECT: SENATE BILL 1275

- I. Background
- II. Major Provisions
- III. Compliance Procedures
- IV. Summary of Education Code

I. BACKGROUND

Senate Bill 1275 is designed to improve the juvenile justice system in several critical areas. Senate Bill 1275 has enacted several valuable new laws which will improve our juvenile justice system in dealing with at-risk youth. It codifies an approach consistently advocated by school and probation officials as to the most effective philosophy to rehabilitate our youth. The legislature passed the bill and the governor signed it into law. It became operative January 1, 1990.

The law establishes responsibilities and opportunities for schools. For example, minors who are convicted in juvenile court of the less serious crimes are frequently placed by the judge on a status referred to as Home on Probation (HOP). When the judge places a minor Home on Probation, several conditions are imposed for the minor during his term of probation. The conditions often include a requirement of school attendance. SB 1275 makes this condition mandatory unless the court states its reasons why. In unusual cases, it should not be imposed.

II. MAJOR PROVISIONS

The ability of probation officers to monitor the school attendance of minors on HOP is greatly enhanced with this new law. This was accomplished in part by an amendment to the law protecting the confidentiality of juvenile court records which will facilitate improved communication among each of the agencies working in the juvenile justice system. The court will notify the Superintendent of Schools/designee if one of the district's pupils is placed on HOP with a school attendance condition. This information will be "expeditiously transmitted" by the Superintendent to the principal of the minor's school or to one person designated by the principal.

is truant from school for one day without a valid excuse, the school principal/designee must report this to the juvenile court and the pupil's probation officer within 10 days of the absence.

Educ. 48902: This provision requires school principals to notify local law enforcement about students possessing drugs or weapons on campus.

Educ. 49076: Senate Bill 1275 amended the laws providing confidentiality of school records to allow prosecutors access to these records without obtaining a court order for truancy mediation programs, parents charged with violating the Compulsory Education Law, criminal investigations, or violations of conditions of probation.

For assistance, please call Michael Klentschy, Superintendent, at 352-5712.

APPROVED: MICHAEL  KLENTSCHY, Superintendent

BULLETIN NO. 22-2
Revised August 2, 1997

SUBJECT: STUDENT SUSPENSION

- I. Background
- II. General Information
- III. Policy and Procedures Related to School Personnel
- IV. Parent Conference
- V. Alternative Education Placements
- VI. Appeal Procedures
- VII. Suspension Records
- VIII. Exhibits

I. BACKGROUND

The purpose of this bulletin is to inform District personnel of the suspension policy and procedures. These procedures are authorized by Educational Code Sections 48900-48915 and District policy, and apply to all students and schools within the District.

II. GENERAL INFORMATION

- A. The principal of each school shall take steps to ensure that all rules pertaining to the discipline of students are communicated to staff and continuing students at the beginning of each school year, and to all new students at the time of their enrollment in the school.
- B. Suspension is one method that may be employed to assist in developing acceptable student conduct. Prior to suspension, other alternatives that take into consideration the needs of the student shall be considered. Alternatives to suspension must be used for any student who is truant, tardy, or otherwise absent from assigned school activities.
- C. Suspension means removal of a student, for adjustment purposes, for ongoing instruction. A student may be suspended from one class or all classes and still remain in school during the period of suspension if he/she is appropriately supervised.

- D. It is the responsibility of school-site personnel to develop procedures to follow-up on students who do not return to school after the period of suspension.

III. POLICY AND PROCEDURES RELATED TO SCHOOL PERSONNEL

A. Legal Provisions

Education Code Section 48900, 48900.2, 48900.3, and 48900.4 summarized below, permits the Superintendent or the principal of the school in which the student is enrolled to recommend a student's suspension if it is determined that the student has:

1. Threatened, attempted, or caused physical injury to another person.
2. Possessed, sold, or furnished any firearm, knife, explosive, or other dangerous object.
3. Possessed, used, sold, furnished, or been under the influence of any controlled substance, alcoholic beverage, or intoxicant of any kind.
4. Offered, furnished, or sold any substitute substance represented as a controlled substance of intoxicant of any kind.
5. Committed robbery or extortion.
6. Caused or attempted to cause damage to school or private property.
7. Stolen or attempted to steal school or private property.
8. Possessed or used tobacco.
9. Committed an obscene act or engaged in habitual profanity or vulgarity.
10. Unlawfully possessed, offered, furnished, or sold any drug paraphernalia.
11. Disrupted school activities or willfully defied the authority of school personnel.
12. Knowingly received stolen school property or private property.

13. Possessed an imitation firearm.
14. Witness harassment or intimidation.
15. Committing or attempting to commit sexual assault or battery.

For students in grades 4-8, the following three infractions are also grounds for suspension:

16. Ed Code 48900.2 - Sexual Harassment
In addition to the reasons specified in Section 48900, a pupil may be suspended from school or recommended for expulsion if the Superintendent or the principal of the school in which the pupil is enrolled determines that the pupil has committed sexual harassment as defined in Section 212.5. For the purposes of this chapter, the conduct described in Section 212.5 must be considered by a reasonable person of the same gender as the victim to be sufficiently severe or pervasive to have a negative impact upon the individual's academic performance or to create an intimidating, hostile, or offensive educational environment.

Note: Ed Code 212.5 - Sexual Harassment

"Sexual harassment" means unwelcome sexual advances, a request for sexual favors, and other verbal, visual, or physical conduct of a sexual nature, made by someone from or in the work or educational setting, under any of the following conditions:

(a) Submission to the conduct is explicitly or implicitly made a term or condition of an individual's employment, academic status, or progress.

(b) Submission to or rejection of, the conduct by the individual is used as the basis of employment or academic decisions affecting the individual.

(c) The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment.

(d) Submission to, or rejection of, the conduct by the individual is used as the basis of any decision

affecting the individual regarding benefits and services, honors, programs, or activities available at or through the educational institution.

17. Hate violence (E.C. 48900.3).

18. Harassment, threats or intimidation (E.C. 48900.4).

B. No student shall be recommended for suspension for any of the above acts unless such acts are related to school activity or attendance. These acts may occur at any time, including, but not limited to, while on school grounds; while going to or coming from school, during the lunch period, whether on or off campus; during, while going to; or while coming from a school-sponsored activity.

C. Suspension of Special Education Students

1. The suspension of a special education student for more than ten cumulative days during a school year may constitute a change of placement. Upon the tenth cumulative day of suspension of a special education student, the principal shall:
 - a. Notify the Coordinator, Special Education/Pupil Personnel that a review of the student's needs, progress and placement is in order for the purpose of determining whether the suspension may constitute a significant change of placement.
 - b. Schedule an IEP meeting, to include appropriate site and District personnel.
2. A special education student shall not be suspended for more than 5 consecutive school days (see Section D, Part 4 of this bulletin).
3. Special education procedures in C1-2 and E.C. 48915.5 are not required to be followed for special education students who commit or attempt to commit sexual assault or sexual battery unless federal law so requires.
4. E.C. Section 48915.6 (HR 3268) modifies the IDEA and allows placement in an alternative educational setting for 45 days for (1) carrying any weapon; (2) possession, use, sale or solicitation of sale of drugs; and (3) committing assault and battery.

D. Suspension from School

1. Suspension from school shall be preceded by an informal conference, conducted by the principal or designee, with the student. The only exception is noted in D3, below.

At the suspension conference, the student shall be informed of the reason(s) for the disciplinary action. The student shall be given an opportunity to present facts and evidence in his/her defense. The student should be encouraged to make a written statement concerning the charge(s). The statement should be signed by the student and dated.

2. The "principal's designee" should be another administrator. If there is no other administrator at the school, the principal may designate another certificated person. Only one person may serve as the primary designee for the school year. A second certificated person may be designated by the principal to act in place of the principal and the primary designee when both are absent from the school site. The names of the primary and secondary designees must be on file in the principal's office.
3. The principal or designee may suspend a student without affording the student an opportunity for a conference only if the principal or designee determines that an emergency situation exists. The term "emergency situation" means a situation determined by the principal or designee to constitute a clear and present danger to the lives, safety, or health of students or school personnel.

If a student is suspended without a conference, both the parent and the student shall be notified of the student's right to a subsequent conference and of the student's right to return to school for such purpose. The conference shall be held within two school days unless the student waives this right or is physically unable to attend for any reason, in which case the conference shall be held as soon as the student is able to attend.

4. A student may not be suspended for more than five consecutive school days without the approval of the Superintendent, or designee. If expulsion is recommended, the suspension can be extended by the

Superintendent, or designee (see Bulletin 22-4 - Student Expulsion). The total number of days for which a student may be suspended from school may not exceed 20 school days in any school year unless enrolled in the district opportunity where the limit is increased to 30 days.

5. Any student charged by the District Attorney with committing any of the offenses contained in E.C. Section 48900 or Welfare and Institution Code Sections 17-19 may be suspended while charges are pending even if the offense did not occur within the jurisdiction of the District. The students shall be referred to the County Community School Program. Expulsion may also be recommended, even if the Court does not incarcerate the student.

E. Suspension from Class

1. A teacher may suspend a student from the teacher's class for any of the acts enumerated in E.C. Section 48900 or 48900.2-48900.4 for the day of the act and the following school day. The teacher shall immediately report the suspension to the principal or designee and send the student to the principal or designee for appropriate action. The teacher shall provide the principal with a written statement of the reasons for the suspension.
2. As soon as possible, but not later than the day of the suspension, the teacher shall ask the parent or guardian of the pupil to attend a parent-teacher conference regarding the suspension. A school administrator may attend the conference if he chooses to do so, and shall attend the conference if the teacher or the parent or guardian so requests.
3. The student shall not be returned to the class from which he/she was suspended during the period of suspension without the concurrence of the teacher who effected the suspension and the principal.
4. A student suspended from a class shall not be placed in another regular class during the period of suspension. If the student is assigned to more than one class per day, the student may attend the classes from which he/she is not suspended.

5. A teacher may require the completion of tests and assignments missed during the period of suspension.
6. E.C. 48900.1 Parents or Guardians - Classroom Attendance.

A teacher who has suspended a pupil for committing an obscene act, engaging in habitual profanity or vulgarity, disrupting school activities, or willfully defying the authority of supervisors, teachers, administrators, school officials, or other school personnel engaging in the performance of their duties, may require that the parent or guardian of the pupil attend a portion of a school day with the pupil in the pupil's classroom. The attendance of the parent or guardian shall be limited to the class from which the pupil was suspended. The attendance requirements shall apply only to a parent or guardian who is actually living with the pupil.

If a teacher elects to impose this procedure, the principal shall send a written notice to the parent or guardian stating that attendance is pursuant to law (E.C. 48900.1). The notice shall specify that the parent's or guardian's attendance shall be on the day on which the pupil is scheduled to return to class, or within five (5) school days thereafter.

The written notice to attend shall also state that the parent or guardian is required to inform the principal of any factor(s) that may prevent compliance with the notice. The parent or guardian shall inform the principal of such factor(s) within two (2) school days of receipt of the notice to attend. The principal shall determine whether the stated factor(s) is/are valid, and shall inform the parent or guardian whether attendance is excused.

A parent or guardian who has received a written notice shall attend class as specified in the notice, unless attendance has been excused pursuant to this section. The principal shall contact parents or guardians who do not respond to the request to attend school or who do not inform the principal of the factor(s) preventing compliance. The principal shall inform such parents or guardians that attendance is required pursuant to law (E.C. 48900.1).

Parents or guardians who attend school pursuant to this section shall meet with the principal or principal's designee after completing the classroom visitation and before leaving the school site.

No parent or guardian shall be required to attend school pursuant to this section more than four times per school year.

F. Notice of Suspension from School

At the time of suspension, a school employee shall make a reasonable effort to contact the student's parent/guardian in person or by telephone. Written notice of the suspension shall be mailed to the parent/guardian within one school day. All efforts of District personnel to contact the parent/guardian should be recorded in the student's file (see Attachment A).

G. Releasing Student from School

1. An elementary or middle/junior high school student who is suspended shall not be released from school before the end of the student's school day unless the student's parent/guardian or an adult authorized to act for the parent/guardian comes to the school for the student, or a certificated school employee delivers the student to the parent/guardian or to an adult authorized to act for the parent/guardian.

IV. PARENT CONFERENCE

- A. No penalties may be imposed on a student for the failure of the student's parent/guardian to attend a conference with school officials. The student's return to school at the end of any suspension period shall not be contingent upon attendance by the student's parent/guardian at such a conference.
- B. The parent conference shall, whenever practicable, be in the primary language of the parent/guardian. The principal or designee should assist in attempts to provide an interpreter.

V. ALTERNATIVES TO SUSPENSIONS

- A. Alternative school programs, in lieu of suspension, have kept students with disciplinary problems within the school setting where supportive services are available to help seek solutions.
- B. Alternative educational experiences also provide for fulfillment of the requirement that "other means of correction" (EC 48900.5) precede suspension, or a finding "that other means of correction have repeatedly failed to bring about proper conduct". These conditions are to be met before expulsion is recommended except under special circumstances.
- C. Alternative educational experiences are often referred to as "in-school or in-house suspension". In fact, such a program is not considered a suspension for ADA purposes. It is also not considered in the 20 day school year limit for students.
- D. Well planned alternative educational programs must include provisions for the following:
 1. Objectives for the modification of unacceptable behavior through interrelated instructional and counseling components that keep the pupil in school in a continuing learning experience.
 2. Procedures for assignment to Isolated Learning Center or Elementary Alternative Education Program.
 - a. Students may be assigned alternative educational experiences not to exceed five (5) consecutive school days.

If a student is absent during any one of the days of assignment, the student must bring a signed note from his/her parent/guardian stating the reason for the absence. The principal/designee may require the student to make-up the days missed.

- b. Due process procedures for students assigned to alternative educational experiences are the same as for students suspended from school (see Section III D, Suspension from School).
- c. There will be an Alternative Educational Experience Contract outlining specific requirements and expectations for students (see Exhibit B for sample).

- d. Special Education students may be assigned as long as the individualized education plan (IEP) continues to be implemented during such placement.
- e. Students assigned to this program shall be provided educational learning packets, materials and activities, when homework, classroom assignments, books, and/or materials have not been provided by the regular program teacher(s).
- f. All activities of students assigned to this program including lunch and the use of lavatory facilities shall be provided for and supervised.
- g. The principal shall be accountable to maintain an official roster of enrollment and attendance of all students assigned to this program. The roster will denote daily attendance for ADA accounting purposes. The roster shall be kept on file in the school office for four years, for audit purposes.

VI. APPEAL PROCEDURES

- A. Parents/guardians are to be advised by the principal or designee of the appeal procedure when there is disagreement with the circumstances which brought about the suspension or with the act of suspension itself.
- B. The sequence of appeal is as follows:
 1. The Principal - Level I
 2. The Associate Superintendent Administration/
Personnel Services - Level II
 3. The Superintendent - Level III
- C. Each appeal conference shall be arranged within three school days following the request. However, during the period of appeal, the suspension remains in effect for the length of time designated.
- D. The results of the appeal may include, but are not limited to:

1. Sustaining of the suspension in all respects.
 2. Modification of any penalties imposed, and or
 3. Expungement of the suspension from the student's record.
- E. At each level of appeal, a decision shall be made within two school days of the meeting, and the parents shall be notified in writing. At the parent's request, copies of any decisions shall be included in the student's file.

VII. SUSPENSION RECORDS

- A. Form 15424 is to be used for all suspensions. One copy is to be mailed to the parents, one copy is to be given to the student, one copy is to be sent to the Superintendent's Office and one copy is to be retained in the student's cum file.
- B. A cumulative record of student suspensions must be maintained for each student. The cum folder is the district designated location.

VII. EXHIBITS

- A. Record of Suspension, Form 15424
- B. Alternative Education Placement

I. BACKGROUND

This bulletin informs District personnel of changes in expulsion policy and procedures, including those brought about by recent legislation. The procedures apply to all schools and students of the District.

II. LEGAL BASES FOR STUDENT SUSPENSION AND EXPULSION

A. Education Code Section 48900, 48900.2, 48900.3, 48900.4, and 48915 summarized below, permit the Superintendent or the principal of the school of attendance to recommend expulsion, if it is determined that the student has:

- 1. Threatened, attempted, or caused physical injury to another person.
- 2. Possessed, sold, or furnished any firearm, knife, explosive, or other dangerous object.
- 3. Possessed, used, sold, or furnished, or been under the influence of any controlled substance, an alcoholic beverage, or an intoxicant of any kind.
- 4. Offered, furnished, or sold any substitute substance represented as a controlled substance or intoxicant of any kind.
- 5. Committed or attempted to commit robbery or extortion

6. Caused or attempted to cause damage to school or private property.
 7. Stole or attempted to steal school or private property.
 8. Possessed or used tobacco or any products containing tobacco or nicotine products, including clove cigarettes.
 9. Committed an obscene act engaged in habitual profanity or vulgarity.
 10. Offered, furnished, unlawfully possessed, or sold any drug paraphernalia.
 11. Disrupted school activities or willfully defied the valid authority of school personnel.
 12. Knowingly received stolen school or private property.
 13. Possessed an imitation firearm.
 14. Witnessed harassment or intimidation.
 15. Attempted or committed sexual assault or sexual battery.
and in grades 4-8:
 16. Committed sexual harassment (E.C. 48900.2)
 17. Hate violence (E.C. 48900.3)
 18. Harassment, threats, or intimidation (E.C. 48900.4)
- B. No student shall be recommended for expulsion for any of the above acts unless such acts are related to school activity or attendance. These acts may occur at any time, including, but not limited to, while on school grounds; while going to or coming from school; during the lunch period, whether on or off campus; during, or while going to or coming, from a school-sponsored activity.
- C. The principal or the Superintendent of Schools shall recommend a student's expulsion for any of the following acts, unless the principal or Superintendent finds, and so reports in writing (see Exhibit #1) to the governing board, that expulsion is inappropriate, due to the particular circumstances which shall be set out in the report of the incident (E.C. 48915 (a)).

1. Causing serious physical injury to another person, except in self-defense.
 2. Possession of any firearm, knife, explosive, or other dangerous object of no reasonable use to the student at school or at a school activity off school grounds.
 3. Unlawful possession or sale of any controlled substance (listed in Chapter 2 commencing with Section 11053 of Division 10 of the Health and Safety Code), except for the first offense for the sale of not more than one avoirdupois ounce of marijuana, other than concentrated cannabis.
 4. Committed robbery or extortion.
 5. Committed or attempted to commit sexual assault or sexual battery.
 6. Assault or battery, as defined in CPC (California Penal Code) Sections 240 and 242, upon any school employee.
- D. The principal or the Superintendent of Schools shall immediately suspend, pursuant to Section 48911, any pupil found to be in possession of a firearm at school or at a school activity off school grounds and shall recommend expulsion of that pupil to the governing board. The governing board shall expel that pupil or refer that pupil to a program of study that is appropriately prepared to accommodate students who exhibit discipline problems and is not provided at a comprehensive middle, junior, or senior high school or housed at the school site attended by the pupil at the time the expulsion was recommended to the school board, whenever the principal or Superintendent of Schools and the governing board confirm the following:
1. The pupil was in knowing possession of the firearm.
 2. An employee of the school district verifies the pupil's possession of the firearm.
- E. If a student is recommended for expulsion for reasons listed in Section A (items 6 through 14 and 16 through 18) above, the Board of Trustees must find that one of the following is also true:

1. That other means of correction are not feasible or have repeatedly failed to bring about proper conduct, or
 2. That, due to the nature of the violation, the presence of the student causes a continuing danger to the physical safety of the student or others.
- F. Any pupil charged by the District Attorney with committing any of the offenses contained in Section 48900 or Welfare and Institutions Code Subdivision 17-19 to be suspended while charges are pending even if the offense was not committed under school district jurisdiction. The pupil shall be referred to a county community day school. Expulsion may also be recommended even if the Court does not incarcerate the student.

III. EXPULSION OF INDIVIDUALS WITH EXCEPTIONAL NEEDS (IWEN)

An Individual with Exceptional Needs (IWEN) student is defined as any student with an Individualized Educational Program (IEP) currently in effect.

In any case involving a special education student, immediately contact the Coordinator, Special Education/Pupil Personnel Services.

All alternative education placements of IWEN students, including interim placements, will be made by the Coordinator, Special Education/Pupil Personnel Services.

If a student is currently identified as an Individual with Exceptional Needs (IWEN), arrangements must be made, prior to the recommendation for expulsion, for an Individualized Education Program (IEP) team to review the student's placement.

- A. The IEP team shall review the current situation to determine if the alleged misconduct was a manifestation of the student's identified handicapping condition or the result of an inappropriate placement.
- B. If the team determines that the misconduct was not a manifestation of the handicapping condition, nor the result of an inappropriate placement, then expulsion may be recommended.
- C. If the team determines that the misconduct was a manifestation of the identified handicapping condition or the result of an inappropriate placement, expulsion may not be recommended. The IEP team shall then be responsible for an appropriate disposition of the case.

- D. The parents have the right to appeal the decision of the IEP team. Pending this hearing, and any subsequent judicial review, the student remains in his/her current educational placement unless the parties agree to a different placement or the District obtains a court order permitting a change of placement. ("Placement" refers to type of program, not geographical location.)
- E. The special education procedures in E.C. Section 48915.5 are not required to be followed for special education students who commit or attempt to commit sexual assault or sexual battery unless federal law so requires E.C. Section 48915.6 and HR 3268 modifies the IDEA and allows placement in an alternative educational setting for 45 days for: (1) carrying any weapon; (2) possession, use, sale or solicitation of sale of drugs; and (3) committing sexual assault or battery.

IV. RESPONSIBILITIES OF THE SCHOOL PRINCIPAL/DESIGNEE

- A. If the misconduct occurred at or near another school, the principal of that school shall immediately report the matter to the principal of the student's school of attendance and, within three school days, provide the following:
 - 1. A written report which describes the alleged misconduct.
 - 2. Statements from the victim (s) and/or witness (es). These reports must be typed, dated, and signed.
- B. When a student is charged with misconduct covered by E.C. 48900, 48900.2, 48900.4 or 48915, the responsibilities of the principal or designee shall include, but not be limited to, the following steps:
 - 1. Step 1 (Before Schoolday 1)
 - a. Principal learns of student misconduct and investigates the matter including interviewing witness (es) and securing oral and written statements (signed and dated).
 - b. If allegation is sexual assault or sexual battery, principal must advise 'immediately' the complaining witness and accused student to refrain from personal or phone contact with each other during the pendency of any expulsion process (48918.5 (d)), See Exhibit #13a, and Exhibit #13b.

2. Step 2 (Schoolday 1)
 - a. Principal determines student has committed act(s) in E.C. 48900, 48900.2, 48900.3, 48900.4 or 48915 regarding grounds on which a student may be disciplined.
 - b. Principal holds informal conference with student (E.C. 48911 (b)).
 1. Principal informs student reason(s) for discipline and evidence against the student.
 2. Principal gives student opportunity to present his/her version and evidence in his/her defense.
 - c. Principal checks whether police need to be notified (E.C. 48902) for assault, weapon possession or specific controlled substance offense, including replicas or look-alikes (see Bulletin #22-b). In cases where any student possesses a weapon or commits any act of assault with a firearm or other weapon, the principal/designee shall notify law enforcement authorities (E.C. 48902).
 - d. Principal determines whether to suspend student for no more than 5 school days based on:
 1. Principal's investigation.
 2. Student's presentation of facts and defenses.
 3. Section 48900.5 regarding when principal can suspend on a first offense and when principal needs additional finding.
 4. Number of days student has already been suspended (E.C. 48903 and E.C. 48911) is generally maximum 5 days per offense and 20 days per school year. Contact the Superintendent if the 20 day maximum may be exceeded.
 - e. When student expulsion is being considered, consult with the Superintendent concerning the appropriateness of such action.
 - f. Contact Special Education Office at 352-5712 X 533 to determine if the student is Individual with Exceptional Needs (IWEN). If the student is IWEN, follow the procedures outlined in Section III of this bulletin. IWEN students may be suspended for a maximum of ten consecutive days.

- g. The principal or the Superintendent shall recommend a student's expulsion for any of the following, unless the principal or Superintendent finds, and so reports in writing (Exhibit #1) to the Board of Trustees, that expulsion is inappropriate, due to the particular circumstances which shall be set out in the report of the incident (E.C. 48915 (a)).
1. Causing serious injury to another person, except in self-defense.
 2. Possession of any firearm, knife, explosive (replicas or look-alikes are included) or other dangerous object of no reasonable use to the student at school or at a school activity off school grounds.
 3. Unlawful sale of any controlled substance (listed in Chapter 2 commencing with Section 11053 of Division 10 of the Health and Safety Code), including replicas and look-alikes, except for the first offense for the sale of not more than one avoirdupois ounce of marijuana, other than concentrated cannabis.
 4. Committed robbery or extortion.
 5. Committed or attempted to commit sexual assault or sexual battery.
- h. Principal prepares and sends written Notice of Suspension (Exhibit #2) to parent (E.C. 48911 (d)). Preferably ask parents to pick up student and hand-deliver OR send with student so parents receive notice the same day if sent with student. Also mail copy via U.S. mail.
1. Include a letter (Exhibit #3) to invite parents to meet with Superintendent's designee (principal or assistant principal) regarding the extension of the suspension until the Board of Trustees has decided the expulsion (E.C. 48911 (g)). Be sure to specify the date and time for the meeting which has been cleared with the designee and which will be between school day 2 and school day 5.

- i. Principal/designee contacts parent. They must make a reasonable effort to contact student's parent by phone or in person (E.C. 48911 (d)). Inform parent of incident and tell parent how the Notice of Suspension is being transmitted to them.
 - a. If student has been released to the police (E.C. 48906) inform the parent to where the minor is reportedly being taken (see Exhibit #4).
 - j. Report suspension to the Superintendent by telephone. Mail copies of the Notice of Suspension (Exhibit #2) via school mail to the Superintendent's Office (E.C. 48911 (e)).
3. Steps 3 (Schoolday 2 – recommended)
- a. Principal prepares principal's recommendation for expulsion (Exhibit #5).
 - b. Principal delivers principal's recommendation for expulsion to Superintendent via school mail.
4. Step 4 (Schoolday 2-5)
- a. For students in an elementary or middle level school, the following pertinent information shall be forwarded to the Superintendent.
 - b. After meeting, Superintendent's designee finds that student's presence at school or in alternative school placement would cause danger to persons or property or threat of disrupting the instructional process.
 - c. If the Superintendent's designee cannot find (b) the designee cannot extend the suspension of the student up to the time of the expulsion decision by the Board of Trustees, then the student must be returned to school until the Board of Trustees makes a decision in regards the expulsion.
 - d. Superintendent's designee sends written notice of this finding (b) (Exhibit #6) to parent and informs parent that the student is suspended until the Board of Trustees determines whether to expel. A copy of this notice is also sent to the Superintendent via school mail.

5. To facilitate placement in an alternative educational setting:
 - a. For students in an elementary or middle level school, the following pertinent information shall be forwarded to the Superintendent.
 - Copy of cumulative record.
 - Grades in progress

 - b. For all IWEN students, send the above information to the Coordinator, Special Education/Pupil Personnel Services who will be responsible for the student's placement.
6. Witness (es)
 - a. School site personnel shall be responsible for both obtaining parental consent and arranging transportation for student witness (es) to attend the Administrative Panel hearing.
 - b. If the witness (es) will not testify due to intimidation, the case shall be referred to the Superintendent for further disposition.
7. An original and five copies of expulsion case materials shall be prepared and submitted to the Superintendent **within 10 school days** and shall include:
 - a. Memorandum from the administrator assigned to the case.

 - f. Copies of all the correspondence regarding the student's expulsion case, including a copy of the suspension notice.
 - g. Computer-generated reports must be legible and suitable for duplication.

8. If a student is recommended for expulsion by the principal, the classroom teacher that the student is assigned to (when students are assigned to more than one teacher, only one teacher) shall have the right to attend the Administrative Panel hearing of that student.

V. RESPONSIBILITIES OF THE SUPERINTENDENT OR DESIGNEE

- A. When a recommendation for student expulsion is contemplated, the Superintendent or designee shall consult with the principal or designee regarding the appropriateness of such action.
- B. When the principal, pursuant to E.C. 48915a or b submits a Principal's Report In Lieu of Expulsion (see Exhibit #1), and forward the report to the Superintendent's office for compilation and submission to the Board of Trustees.
- C. When the principal submits a recommendation for student expulsion, the responsibilities of the Superintendent or designee shall include, but not be limited to the following steps:
 1. Assist in arranging an alternative educational placement for the student, when appropriate.
 2. Review and approve a recommendation for extension of student suspension pending formal action by the Board of Trustees (see Exhibits #3a and #6a).
 - a. An extension of suspension may be granted only if the Superintendent/designee has determined that the presence of the student at the school or in an alternative school placement would cause a danger to persons or property or a threat of disrupting the instructional process.
 - b. The determination shall be made following a meeting in which the student and parent/guardian are invited to participate, and held within the initial five-day suspension period.
 - c. If the action to extend suspension is not completed within the initial five-day suspension period, then the student shall be placed in an interim educational program. A subsequent extension of the suspension may still be imposed if deemed

necessary by the Superintendent/designee, pending formal action by the Board.

NOTE: An IWEN (Individual with Exceptional Needs) student can be suspended for a maximum of 10 consecutive days.

 - b. Each school principal is directed to notify all students, including new enrollees at the time of enrollment, regarding the above policy.
- B. The Administrative Panel is an impartial administrative panel of three or more certificated employees of the District, none of whom are members of the staff of the school in which the student is enrolled. This hearing is convened to determine whether or not _____ should be expelled from the schools of the El Centro Elementary School District.

In order to find the student guilty and go forward with the expulsion, the following facts must be established. (1) That the alleged charge by the administration is true. Due to the seriousness of the violation, other means of correction are not feasible. In making this determination, the panel will be guided by the "preponderance of evidence". This means such evidence as when weighed with that opposed to it has more convincing force and a greater probability of truth. The panel does not have to be convinced a "reasonable doubt" and the evidence does not have to be overwhelming. If the evidence that says he/she is not guilty is slightly more than that which says he/she is guilty, the panel will rule not guilty. If the evidence that says he/she is guilty is slightly more than that which says he/she is not guilty, the panel will rule guilty. This panel is a finder of facts and in making that finding, will have to determine what to believe and whom to believe. This panel will not be bound by strict rules of evidence such as would be obtained in a courtroom, but rather will consider and weigh that kind of evidence upon which reasonable people are accustomed to rely in the conduct of serious affairs.

The burden of proof is on the school to prove its charges. The defendant may cross-examine any witnesses; examine any documents and present additional evidence oral and documentary. If the defendant does not exercise his/her right to cross examination and the right to examine documents, he/she will be deemed to have waived that right.

Let the record show that sitting as members of this Administrative Panel are _____, _____, and _____. None of whom is on the staff of the school in which the pupil has been enrolled during the previous three years. The parent/guardian of _____ is /is not present, (and accompanied by _____).

Esta audiencia es convocada para determinar si _____ debería ser expulsado de las escuelas del Distrito Escolar Primario de El Centro. Para encontrar al estudiante culpable y seguir adelante con la expulsión, los siguientes hechos deben ser establecidos. (1) que los cargos y especificaciones declarados por la escuela sean verdaderos.

Debido a la gravedad de la violación otros medios de corrección no son posibles. Al hacer ésta determinación el jurado será guiado por la "preponderancia de evidencia" esto significa que tal evidencia cuando es comparada con la evidencia opuesta tenga más fuerza de convencimiento y una mayor probabilidad de la verdad. El jurado no tiene que estar convencido "fuera de una duda razonable" y la evidencia no tiene que ser determinante. Si la evidencia indica que él/ella es culpable es ligeramente más que la evidencia que indica que él/ella es inocente el jurado declarará culpable. Si la evidencia que indica que él/ella es inocente es ligeramente más que la evidencia que indica que él/ella es culpable el jurado declarará inocente. Este jurado como tribunal y al hacer ésta investigación, tendrá que determinar qué cree y a quién creer.

Este jurado no estará limitado por estrictas reglas de evidencia como las que serán obtenidas en una corte, sino que considerará y comparará esa evidencia; en base a la manera como las personas razonables están acostumbradas a confiar en la conducción de asuntos serios. El cargo de la prueba está en la escuela para probar sus cargos. El demandado podrá contrainterrogar cualquier testimonio; examinar cualquier documento y presentar evidencia oral adicional y documentaria. Si usted no ejerce este derecho de investigación y el derecho de revisar documentos, será como si usted hubiera rechazado este derecho.

En el acta de ésta sesión quedará asentado que los miembros de este jurado son : _____, _____, y _____. Ninguno de los cuales es miembro del personal de la escuela en la cual está matriculado(a) el/la alumno(a), o ha pertenecido al personal de escuela en la cual ha estado inscrito(a) durante los tres años anteriores. El padre/tutor de _____ está/no está presente (y acompañado por _____).

BULLETIN NO. 53-1
REVISION
AUGUST 25, 2009

SUBJECT: Procedures for Identifying and Assisting Students with Anti-Social and Violent Behavior

I. BACKGROUND:

Although schools are intended to be safe environments for students, the recent violent incidents in school communities throughout the country have heightened our awareness of the need to identify potentially violent students and develop intervention strategies to assist them. One way to help prevent violence is to know and understand what the potential warning signs are for students at risk for violent or aggressive behavior.

It is not always possible to predict behavior that will lead to violence. However, educators, parents, and sometimes students, can recognize certain early warning signs. In some situations and for some youth, different combinations of events, behaviors, and emotions may lead to aggressive or violent behavior toward self or others. Emotional and behavioral warning signs, when viewed in context, can signal a troubled child. Early warning signs may or may not indicate a serious problem, and do not necessarily mean that a child is prone to violence toward self or others. Rather, early warning signs can provide the schools with the impetus to check out concerns and address the child's needs.

II. PURPOSE:

The purpose of this bulletin is to assist schools in identifying early warning signs for students at risk for violent behavior. The warning signs are intended to aid schools in identifying and referring children who may need help from a professional. It is important to remember that none of the warning signs alone is sufficient for predicting aggression and violence, but rather when they are presented in combination, indicate a need for further analysis to determine an appropriate intervention.

III. PROCEDURES:

The following procedures are recommended for school site personnel in identifying students at risk for violent behaviors and assisting with interventions:

- A. Review and complete the "Early Warning Checklist for Students at Risk for Violent Behavior".
- B. Submit copies of checklist to Site Administrator, School Counselor and School Psychologist.
- C. Conference with Administrator, Counselor and/or School Psychologist, and Teacher to discuss concerns/warning signs.
- D. Complete Student Interview by Administrator, Counselor or School Psychologist.
- E. During student interview, assess level of severity of violent behavior and determine if imminent danger to self or others appears evident. As deemed appropriate, follow Welfare and Institutions Code Section 5150 procedures (contact SRO or law enforcement), Threat Assessment process, or continue process as indicated in "F".
- F. Set up conference with student's parent/s to discuss concerns/warning signs.
- G. Complete "Conference Summary" with parent indicating the recommendations and outcome/s of parent conference.
- H. Provide parent with referral list of community counseling and clinician resources.
- I. Provide parent with a copy of signed "Conference Summary" form.
- J. Send copy of referral checklist and "Conference Summary" to Pupil Services and Attendance Counselor and Special Education Office.
- K. Follow-up as indicated in "Conference Summary".

Office of Educational Services**

BULLETIN NO. 55-1
December 6, 1995

Subject: School Uniform Policy

- I. Background
- II. Information Dissemination
- III. Financial Considerations
- IV. Compliance Measures

I. BACKGROUND

Over the past year, many parents and community members have urged the El Centro School District to adopt a uniform policy as a means of deterring the influence of gangs, minimizing violence in the schools and community, and improving the learning environment. The Board of Trustees recognizes that other school districts that have adopted uniform policies have experienced enhanced school safety, an improved learning environment, a reduction in incidences of ethnic and racial tensions, a bridging of socio-economic differences between children, and improved student behavior. Accordingly, the El Centro School District will allow a mandatory school uniform program at all elementary schools beginning the 1996-97 school year and at the middle schools beginning the 1997-98 school year.

The decision to implement a school uniform policy will be a collaborative effort between parents and school staff. At least 80% of parents surveyed must support the uniform policy. Prior to adopting a school uniform policy each school must receive approval from the Board of Trustees.

II. INFORMATION DISSEMINATION

- A. It is the responsibility of the district to communicate to parents information common to all school sites, regarding the uniform policy.
- B. Each school shall notify parents six months prior to implementing a uniform policy.
- C. Each school shall communicate to parents information specific to the school sites, including:
 1. requirements for jackets/outer garments
 2. compliance measures to be employed
 3. availability of financial support and procedures for applying for assistance
 4. list of vendors of uniform articles
- D. The means by which this information is communicated shall include one or more of the following:
 1. District letters
 2. School newsletters
 3. parent forums

4. parent advisory meetings
5. radio and newspaper announcements
6. registration materials
7. student/parent handbooks

III. Financial Considerations

- A. No student shall be denied attendance at school, penalized or otherwise subject to compliance measures for failing to wear a uniform by reason of hardship.
- B. With the commencement of the 1996-97 school year, each school shall:
 1. Develop a procedure and criteria to identify families in need of financial assistance.
 2. Determine the type of financial assistance appropriate for the individual school community.
 3. Set up procedure whereby school and or community organizations may provide assistance to those families in need.
 4. Prepare a flyer describing in detail the uniform and listing the range of costs for each competitively priced item of clothing as provided by a variety of vendors. The flyer should state that in case of severe financial hardship, parents may contact their child's school to request assistance.

IV. Compliance Measures

- A. Each school should strive to achieve full compliance with the uniform policy through the use of incentives and positive reinforcement measures, and should resort to disciplinary action only when positive measures fail to ensure compliance.
- B. Prior to initiating any disciplinary action against a student not complying with the policy, a conference with the parent must be held with a school administrator or counselor to solicit parental support and cooperation.
- C. Disciplinary action is to be initiated only after all other means to secure support and cooperation have not succeeded. A "progressive discipline" approach is to be employed by the school so as to encourage full and consistent compliance with the least amount of disciplinary action.
- D. In order to ensure a smooth transition to the mandatory uniform policy, and in order to ensure that incentives and positive reinforcement measures are employed, no school shall take disciplinary action until after September 30, 1996 unless those not in compliance substantially interfere with the requirements of appropriate discipline.
- E. No student shall be considered noncompliant with the policy in the following instances:
 1. When compliance derives from financial hardship.

2. When a student wears the uniform of a nationally recognized youth organization such as the Boy Scouts or the Girl Scouts on regular meeting days.
3. When wearing a uniform violates a student's religious belief.
4. When a student's parent or guardian has secured an exemption from the uniform policy by following procedures set forth in Section F.

F. If the parent or guardian desires to exempt his or her child from the uniform policy, the parent or guardian must observe the following procedure:

1. Request in writing or in person an Application for Exemption from the Uniform Program. This application may be obtained at the student's school site.
2. Complete the application in full and submit to school administrator.
3. Meet with the school administrator to discuss the uniform policy and the nature of the parent(s) or guardian's objections to the policy. The purpose of this meeting is to:
 - a. ensure that the parents or guardians understand the reason for and goals of the uniform policy;
 - b. verify the accuracy of the information on the application;
 - c. define the alternative dress code.
4. A student who opts out must comply with the district's/school's standard dress code.

SAFE INGRESS AND EGRESS AT WILSON JUNIOR HIGH

Wilson Junior High is a closed campus. All students remain on campus from 7:55 a.m. until 2:26 p.m. Students must check out through the office when leaving the campus for any reason. Parents who want their children to eat lunch at home must sign a "parent consent form" to obtain a lunch pass. This pass is only used to go home during lunchtime. Violation may result in revoking the pass. Students with a pass use the south gate by the gym.

Students enter the campus through the front gates by rooms 1 and 4, north gate by room 30, and south gates by the basketball courts. Only Wilson students may enter these gates; anyone else is instructed to report through the office. In the mornings there are two teachers, two custodians, and four administrators supervising the campus as well as one security guard on days he's assigned to Wilson.

During lunch, there are five campus supervisors who secure the north and south gates, the gym area, lunchlines, and the front of the school. The principal, vice principals, counselor, and police/probation security are on campus supervising any entering and exiting of students.

Students are dismissed through the north gate by room 30 and the south gate by the basketball courts. There are five campus supervisors hired to secure these exits. These supervisors are stationed at the exits by room 30 and the south gate by the basketball courts, two are at the corners of Hamilton and Holt for crossing departing students, and one is placed by the gym to insure the safety and security in this area.

Bike riders entering and leaving school arrive and leave by the south gate where the bike racks are located. This gate is locked from 8:00 a.m. until 2:26 p.m.

All students are instructed to be careful walking and riding to and from school. They are responsible for following all traffic laws, respecting the rights and properties of others, and instructions for safe ingress and egress are distributed to each student in the Warrior Planner at the student orientation in the fall and reiterated verbally in their advisory classes.

All students, teachers, and staff at Wilson have the right to be treated with respect for their dignity, welfare, and property. They have the right to learn and develop in a safe and secure school environment. Students are informed that their rights are protected by law and school policy from the time they leave their home in the morning until they return in the afternoon.

**ECESD Safe School Plan
2015-2016
Wilson Jr. High School**

**SUMMARY SHEET: AREAS OF DESIRED
CHANGE AND ACTION**

1. Data sources reviewed by Committee.

- a. Parent / student / teacher Surveys
- b. Behavior data: suspensions, expulsions, discipline referrals
- c. Attendance and Truancy data
- d. Property loss / accident reports / vandalism work orders

2. Areas needing improvement or change (from data).

- a. Despite efforts to control it, we continue to have occurrences of graffiti on and around campus.
- b. Increased supervision when students are out and about on campus; before and after school.
- c. Improvement is needed in providing students with safer ingress and egress to school (ie: vehicle traffic, drop-off and pick-up of students); including but not limited to the use of bicycles and educating parents to use drop off zones provided.
- d. Increased awareness and methods of prevention of instances of bullying, including cyber-bullying.

3. Possible causes of safety concerns in these areas.

- a. We need to continue improving our efforts at creating, within students, a sense of community and belonging. Students typically have much less concern over issues of graffiti and vandalism if they do not feel directly affected by it.
- b. Efforts need to be made to limit access to areas of the campus which might be potential trouble spots.
- c. Concerns continue, as to the proper use of new drop off zones due to heavy traffic before and after school when students are being dropped off and picked up; particularly as it relates to students exiting campus; students continue to cross Holt and Hamilton, not always paying attention to oncoming traffic. Parents continue to ignore sign postings that read No U-turn.
- d. We currently experience a lack of intervention resources (mainly due to funding issues – loss of counseling services, etc.); in addition, phone and computer technology has made “cyber bullying” easier to do while remaining essentially anonymous.
 - We have concerns, and need to address the increase of cyber bullying and mis-use of Web based sites like “Facebook” and “Insta-gram.”

(Form 1 Continued)

4. Desired actions.

- a. Continue better graffiti control – student based solutions; with ASB Officers and representatives taking the lead in developing a renewed student “pride” in the Wilson Campus; use of **surveillance technology** needs to be addressed. The Wilson staff and students have even taken to maintaining the walls and Fences of neighbors across the street from the school, so that no graffiti is ever visible around the school.
- b. Provide high visibility adult supervision campus wide, to reduce possible problems – including the purchase of “bright colored” shirts to make supervisory personnel more visible. Improve use of administration, pupil supervisors, and resource officer assigned to the Wilson campus. We have already changed the designated areas of the campus where students are allowed to be during lunch and before school; it is already showing positive results. Locking exterior gates at 3:00 PM has become practice, due to ASES classes beginning right after school.
- c. We still believe that the needs of our students would be better met if there was a stop sign at the corner of Hamilton Avenue and Wilson, as well as crosswalks installed in two areas; but the city stated that it is not an option at this time. We will continue working with the El Centro Police department and City Public Works to resolve traffic issues in order to maximize student safety. 15- MPH speed limit signs, No U-turn signs and some restriping of the streets have taken place, including new drop-off zones on Holt and Hamilton (with more in the planning stage) – but we will continue to closely monitor the ingress and egress at Holt Ave and Hamilton Ave. This will be done in conjunction with the El Centro Police department and the El Centro Elementary School District.
- e. We will continue to notify parents and inform students of bicycle helmet laws, and require all students riding bicycles to the Wilson campus to abide by the law and wear proper head gear. In the past, some helmets were provided by the El Centro Police Department, and the school site council agreed to provide additional helmets for those students who might be unable to afford one.
- d. We will continue our efforts to recruit **outside resources** willing to come in and offer counseling and/or strategies for dealing with the growing problem of bullying and harassment.

DATA SUMMARY
2015-2016
For Component 1 – People and Programs

Areas of Pride and Strength (based on qualitative and quantitative data):

1. Wilson Jr. High is dedicated to providing a quality education for *all* students. Students show a great deal of interest and pride in their achievement throughout the curricular areas. Wilson was once again designated a **California Business for Education Excellence Honor Roll School. And also received designation as a California and National School to Watch for 2015.**
2. Wilson Jr. High is proud of the discipline established on campus. Wilson is an orderly campus marked by high levels of supervision and discipline among students; attendance is up and referrals are down.
3. The culturally and ethnically diverse population at Wilson Jr. High School relate well. There is no visible evidence of inter-racial tension existing between ethnic and/or cultural groups.
4. Extended Day Programs enable students who are English Language Learners, as well as others, to develop the skills necessary to be successful in school; these include but are not limited to: sports activities, drill team, flags, marching band, homework center, math and language arts academies, supplemental educational services, AVID, ASB, and a variety of other individualized tutoring opportunities, such as Extreme Learning. In addition, we have the *ASES* program which provides a variety of activities for students until 6:00 PM in the evening; Monday through Friday.
5. Our school has a good working relationship with the El Centro Police Department in a cooperative effort to have a resource officer on campus at least 2 days per week.
6. We have good relations and involvement with our parent community; many of whom have completed the Parenting Classes; as well as increasing parent involvement through the Nurturing Parent Program. The Nurturing Parent Program is dedicated to assisting at-risk students and parents to be more successful through positive motivation toward school.

Areas of Desired Change (based on qualitative and quantitative data):

1. We want to continue to make students feel safe and welcome at Wilson; staff has received professional development on effective, non-confrontational behavior management, classroom management skills and student engagement strategies, to better meet the needs of **all** students.

(Form 2a Continued)

2. We will continue to seek out resources to help identify and deal with issues of bullying and harassment on the Wilson campus; including cyber bullying. We have conducted 10 week (drug and alcohol prevention / making healthy choices) programs for 7th grade students through the P.E. classes. 8th grade students received a follow-up to the 7th grade program the previous year. We also have drug and alcohol counseling currently in place, provided by "Imperial County Behavioral Health".
3. We would like to be able to offer greater assistance to our English Language Learners, and continue to improve the overall academic performance of all students attending Wilson Jr. High School. Organizing intervention "advisory classes" has been one way of accomplishing this.
4. We will continue to make every effort to expand the parent involvement component at Wilson Jr. High School.
5. Effective student engagement and effective teaching strategies for English Learners will continue to be an area of emphasis.
6. We will continue to increase our efforts in developing better articulation with our feeder pattern schools and the high schools into which our students enroll; related to academic and emotional hurdles students may face in transition from one level to the next.
7. We will pursue increasing the number of adults on campus who are first aide and CPR certified, with the ultimate goal of **all** staff being certified.
8. We will pursue the purchase of additional "disaster kits" to be stored in other locations around campus -- in the event one or more locations become inaccessible. We will also explore having first-aid kits available in "key" locations throughout the campus.

DATA SUMMARY
2015-2016
For Component 2 – Place

Areas of Pride and Strength (based on qualitative and quantitative data):

1. Our campus has benefited from modernization with a new science building and new gymnasium constructed within the last several years, and the Rain Forest project is at work construction ceramic murals which will enhance the entry to the school; first phase was actually installed this year 2012. In addition, a new common area was installed during the summer of 2012 providing Wilson with a more beautiful setting for students and staff alike.
2. There is a coordinated effort to keep the school clean and well kept. Wilson's custodial staff keeps watch over the campus, cleaning and helping us to make it a safe place for students and staff alike. Areas in need of repair are tended to in a timely manner to prevent possible health hazards and to discourage vandalism.
3. Restroom cleanliness is maintained on a daily basis and regular supervision is maintained to insure a clean and safe environment.
4. Supervision is provided to keep students safe inside the campus. Visitors Passes are *required* by all persons entering the campus in order to insure the security of the campus at all times; even employees now wear name badges.
5. Students and parents alike take pride in our campus -- as is evident by the community's participation on the annual "beautification days"; students are proud to be a part of Wilson Jr. High as "Wilson Warriors."
6. We currently have a School Resource Officer on campus to insure student safety during school, and to and from school.

Areas of Desired Change (based on qualitative and quantitative data):

1. We would like a "graffiti free" and "vandalism free" campus; more effort needs to be taken to educate new students arriving at our campus regarding this issue.
2. We want to continue to improve our supervision and strategies used to keep students safe before, during, and after school.

(Form 2b Continued)

3. Improvement is needed in providing students with safer ingress and egress to school (ie: vehicle traffic, drop-off and pick-up of students). Increased supervision will be provided to alleviate problem areas and to monitor visitors coming onto campus; as well as contacting public officials who might be able to assist in more long-term solutions. We have already restricted ingress to the campus to the North and South Gates; with no entry in the morning through the front gate of the school. We have also discussed steps to utilize "Parent Volunteers" to help alleviate supervision issues before and after school at the North and South gates.
4. All of Wilson's doors have had new lock systems installed so that they are now lockable from the inside.
5. We do need to repaint the "door swing" markings so that students are aware of "the area of safety and danger" at door entries; irrigation valves and other possible trip items will be repainted as needed.
6. *Video surveillance* of the Wilson campus is becoming more of a **need**. We will pursue working with the District office to develop a working plan for the installation of a system that will provide better monitoring of the campus when school is not in session: re: graffiti, vandalism, and theft prevention.
7. We will redouble our efforts to educate parents and students on ingress and egress issues by way of mini-assemblies, and other means of communication by the administration, School Resource Officer, and District support staff.
8. We will continue to seek new resources to help educate the school community and deal with the incidents of bullying and harassment on the Wilson campus.

ECESD Safe School Plan
2015-2016

DEVELOPING OUR GOAL(S)

1. **Based on the analysis of data and major areas of desired change, our priorities for action are as follows:**
 - a. Wilson Jr. High Staff will continue to work to increase student engagement, effective behavior management, and to create a positive, supportive learning environment to enhance learning.
 - b. Efforts to offer greater assistance to our English Language Learner students as evidenced by continuing to provide shared prep periods for staff to meet on a regular basis to coordinate curriculum; providing cooperative learning opportunities for our bilingual students; after school tutoring through the ASES program; "academic counseling" with the focus on students with below basic skills; intervention advisory classes, and continued professional development for the staff.
 - c. We continue to expand our parent involvement at Wilson, and to enhance school/home communications. One way is our "Parent Contact Phone System" -- Tele-parent -- which is up and running. We continue to create a "College Going Culture" at Wilson. We have established a Nurturing Parents Program which provides parents and students with needed skills in learning to communicate and show empathy towards each other. Meetings are conducted by ICOE.
 - d. Wilson custodial staff will continue to maintain a clean, well-managed campus free of graffiti and vandalism.
 - e. Wilson staff, along with the El Centro Police Department and the City of El Centro, will continue to problem-solve ways to better manage traffic patterns to make egress and ingress to school more secure and safer. During September of 2008 Wilson administration met with the El Centro Police department and the department of public works, and established a working plan to improve traffic conditions around the school; these efforts continue to be on-going. We also met with the city planners again at the beginning of the 2011 school year to discuss the possibility of relining Holt and Hamilton to allow for 2 lanes of traffic (1 drop off and 1 through); the implementation was completed and the end of the 2011-2012 school year. We will also increase our efforts to keep the campus free of unwanted visitors who might create problems.

(Form 3 Continued)

- f. We continue to plan and encourage articulation with the Elementary Feeder Pattern Schools, and continue to provide opportunities for staff to communicate with other sites.

2. Our overall goal(s) for the 2014 - 2015 school year is (are):

Component 1: Our goal has been to meet our AYP on the standardized tests by the end of each school year, so that we do **NOT** continue to be identified as in "school improvement" -- a goal we will continue to pursue until such time as the *New Common Core tests* are implemented and a system of school achievement reporting is established. To continue to reduce the number of "F" grades, reduce the number of referrals for serious infractions, and to provide opportunities for **all** members of the Wilson Jr. High School Community to stretch, grow, and improve.

Component 2: To continue to improve the school/work environment for students, staff, parents, and community alike; to make Wilson a clean, safe, supportive, and inviting place to be.

RED RIBBON WEEK

2015-2016

The Story Behind the Symbol

Enrique "Kiki" Camarena grew up in a dirt-floored house with hopes and dreams of making a difference.

Camarena worked his way through college, served in the Marines and became a police officer. When he decided to join the U.S. Drug Enforcement Administration, his mother tried to talk him out of it. "I can't do this," he told her. "I'm only one person, but I want to make a difference."

The DEA sent Camarena to work undercover in Mexico investigating a major drug cartel believed to include officers in the Mexican army, police and government. On Feb. 7, 1985, the 37-year-old Camarena left his office to meet his wife for lunch. Five men appeared at the agent's side and shoved him in a car. One month later, Camarena's body was found in a shallow grave. He had been tortured to death. ¹

Within weeks of his death in March of 1985, Camarena's Congressman, Duncan Hunter, and high school friend Henry Lozano, launched Camarena Clubs in **Imperial Valley, California**, Camarena's home.

Hundreds of club members pledged to lead drug-free lives to honor the sacrifices made by Camarena and others on behalf of all Americans. ² These coalitions began to wear red badges of satin, red ribbons, as a symbol of Camarena's memory. The Red Ribbon Week campaign emerged from the efforts of these clubs and coalitions.

Today, Red Ribbon Week is nationally recognized and celebrated, helping to preserve Special Agent Camarena's memory and further the cause for which he gave his life. The Red Ribbon Campaign also became a symbol of support for the DEA's efforts to reduce demand for drugs through prevention and education programs.

By wearing a red ribbon during the last week in October, Americans demonstrate their ardent opposition to drugs. They pay homage not only to Special Agent Camarena, but to all men and women who have made the ultimate sacrifice in support of our nation's struggle against drug trafficking and abuse. ³

BULLETIN NO. 22-3
July 1, 1994

SUBJECT: CORPORAL PUNISHMENT

- I. Purpose
- II. Legislation Prohibiting Corporal Punishment
- III. Background Information
- IV. Opinion of the State Attorney General's Office
- V. Examples of Physical Activities Permitted and Prohibited
- VI. Guidelines for School Principals
- VII. References

I. PURPOSE

The purpose of this communication is to provide information to El Centro School District personnel to clarify the implementation of the provisions of Education Code Sections 49000 and 49001, which prohibit corporal punishment in California public schools (see Bulletin No. 23-3). Following are sections which present the legislation, background information and examples of physical activities permitted and prohibited.

The intent of this bulletin is to help El Centro School District administrators make decisions in the best interest of students, parents, and teachers.

II. LEGISLATION PROHIBITING CORPORAL PUNISHMENT

Since January 1, 1987, the infliction of corporal punishment upon any pupil is prohibited, and every local rule or regulation permitting corporal punishment is void. These provisions appear in Sections 49000 and 49001 of the Education Code, as follows:

"49000. The Legislature finds and declares that the protection against corporal punishment, which extends to other citizens in other walks of life, should include children while they are under the control of the public schools. Children of school age are at the most vulnerable and impressionable period of their lives and it is wholly reasonable that the safeguards to the integrity and sanctity of their bodies should be, at this tender age, at least equal to that afforded to other citizens.

49001. (a) For the purposes of the section "corporal punishment" means the willful infliction of, or willfully causing the infliction of, physical pain on a pupil. An amount of force that is reasonable and necessary for the person employed by or engaged in a public school to quell a disturbance threatening physical injury to persons or damage to property, for purposes of self-defense, or to obtain possession of weapons or other dangerous objects within the control of the pupil, is not and shall not be construed to be corporal punishment within the meaning and intent of this section. Physical pain or discomfort caused by athletic competition or other such recreational activity, voluntarily engaged in by the pupil, is not and shall not be construed to be corporal punishment within the meaning and intent of this section.

(b) No person employed by or engaged in a public school shall inflict, or cause to be inflicted corporal punishment upon a pupil. Every resolution, bylaw, rule, ordinance, or other act or authority permitting or authorizing the infliction of corporal punishment upon a pupil attending a public school is void and unenforceable."

III. BACKGROUND INFORMATION

Recent complaints to the State Department of Education indicate that, while most school personnel know that paddling has been banned, they may not know the other kinds of behavior the Education Code prohibits or permits.

It has been alleged that some school districts still permit a variety of abuses against pupils to occur. Information in this bulletin should clarify any misconception held by any El Centro School District personnel regarding this matter and prevent any noncompliance with current law.

IV. OPINION OF THE STATE ATTORNEY GENERAL'S OFFICE

In a letter to Jordan Riak, President of Parents and Teachers Against Violence in Education, Deputy Attorney General Harlan Van Wye concluded that the prohibition against corporal punishment extends to any and all forms of willful pain infliction, and that it is "the causing of pain which is prohibited -- not the particular method or methods by which it is caused".

V. EXAMPLES OF PHYSICAL ACTIVITIES PERMITTED AND PROHIBITED

Any kind of act that causes physical pain or discomfort in a pupil is prohibited, except for the specific situations cited in Education Code Section 49001 (a). For clarification purposes, the following examples are offered for direction and guidance of school personnel. All permitted and prohibited actions are not limited to these examples.

1. Examples of PERMITTED Actions (NOT corporal punishment):

- . Stopping a student from fighting with another student
- . Preventing a pupil from committing an act of vandalism
- . Defending oneself from physical injury or assault by a student
- . Forcing a pupil to give up a weapon or dangerous object
- . Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills
- . Engaging in group calisthenics, team drills, military maneuvers, or other physical education or voluntary recreational activities.

2. Examples of PROHIBITED Actions (corporal punishment):

- . Hitting, shoving, pushing or physically restraining a student as a means of control (except actions allowed by Education Code Section 49001 (a), stated above)
- . Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort
- . Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain

When in doubt, the following course of action is recommended by the Attorney General's Office (quoted from a letter dated January 8, 1988): "Obviously, should there be any doubt concerning whether or not a particular action by a school district employee has the effect of

causing physical pain on a pupil, the course of action most consistent with the legislative intent would be to forgo such action".

VI. GUIDELINES FOR SCHOOL PRINCIPALS

1. School principals shall review and revise their school-wide discipline plans in accord with these provisions and insure that local school rules and procedures related to school discipline are consistent with board policies and with this statute.
2. Administrators should be aware that if local school employees administer corporal punishment to pupils under any circumstances they may be liable for civil lawsuits as well as prosecution for child abuse.
3. Administrators must notify all school employees that it is the duty of each of them to enforce local rules and procedures on school discipline.

For assistance, please call Michael Klentschy, Superintendent, at 352-5712.

The El Centro Elementary School District has taken an aggressive step toward the protection of human health in the implementation of its AHERA compliance Program. The program, designed by University Associates, Ltd. and put into action by the District, exceeds the requirements of AHERA and sets an example to be followed by school districts nationwide.

If you are interested in reviewing the Management Plan for your local school, please contact the principal during the school year. If you have any questions after reviewing the Plan please contact Kimberly Dessert, Director, Maintenance/Operations/Transportation at 353-9200 ext. 33.

Each school prospectus is available for review upon request at each school site. Copies are available upon request for a reasonable fee not to exceed the actual copying cost.

STATEMENT OF NONDISCRIMINATION (Title VI Civil Rights Act of 1964): The district is required to have a policy of nondiscrimination on the basis of race, color, national origin, sex, age, or disability. This policy requires notification in native language if the district's service area contains a community of minority persons with limited English language skills. Notification must state that the district will take steps to assure that the lack of English will not be a barrier to admission and participation in district programs. This policy applies to all students insofar as participation in programs and activities is concerned, with few exceptions such as contact sports. In accordance with federal law, complaints alleging noncompliance with this policy should be directed to the school principal. Appeals may be made to the district superintendent.

CHILDREN IN HOMELESS SITUATIONS (42 USC §11431-11435): The district shall appoint a liaison for homeless children who shall ensure the dissemination of public notice of the educational rights of students in homeless situations. ANNUAL PARENT NOTIFICATION 2014-15

INSTRUCTION IN COMPREHENSIVE SEXUAL HEALTH EDUCATION/HIV AND AIDS PREVENTION (EC §51938): Districts shall annually notify parents about instruction in comprehensive sexual health education and HIV/AIDS prevention education and research on student health behaviors and risks planned for the school year. If arrangement for the instruction is made after the beginning of the school year, you will be notified no fewer than 14 days prior to the commencement of any such instruction if the district elects to provide the instruction by outside consultants in class or during an assembly. The notice must include the date of instruction, the name of the organization or affiliation of each guest speaker and information stating that the parent/guardian has the right to request a copy of the law pertaining to such instruction. You may request in writing that your child not receive comprehensive sexual health education and/or HIV/AIDS prevention education. The law also authorizes the district to use anonymous, voluntary and confidential research and evaluation tools to measure student's health behaviors and risks, including tests, questionnaires, and surveys containing age appropriate questions about the student's attitudes concerning or practices relating to sex. The district must notify you in writing before any such test, questionnaire, or survey is administered and provide you with an opportunity to review the test and request in writing that your child not participate.

HUMAN GROWTH AND DEVELOPMENT INSTRUCTION (EC §51550): Upon written request of a parent, students shall be excused from the part of any school instruction in which human reproductive organs and their function or processes are described, illustrated or discussed. SURVEYS (EC §51513 and 20 USC 1232h): Prohibits the use of test, questionnaires, surveys or examinations containing any questions about pupil's personal beliefs or practices in sex, family life, morality, and religion, unless the parent or guardian is notified in writing that the test questionnaire, survey, or examination is to be administered and the parent consents in writing.

SCHOOL ATTENDANCE/ATTENDANCE ALTERNATIVES

California law (EC §48980(h)) requires all school boards to inform each student's parent at the beginning of the school year of the various ways in which they may choose schools for their children to attend other than the ones assigned. Students who attend schools other than those assigned by the districts are referred to as "transfer students" throughout this notification. There is one process for choosing a school within the district which the parent lives (intradistrict transfer), and potentially multiple separate processes for selecting schools in other districts (interdistrict transfer). The general requirements and limitations of each process are described as follows:

INTRADISTRICT TRANSFER: CHOOSING A SCHOOL WITHIN DISTRICT WHERE PARENT LIVES

Board Policy 6001.1 and EC 35160.5 provides parents of students residing within the District with options in the selection of the school they wish their child to attend.

Student's residing within a school's attendance area shall have first priority for attending that school. Once enrolled in a school through this intradistrict open enrollment policy, students shall be considered to be residing in the school district's attendance area.

The open enrollment period for the District is April 1st through May 1st of each year. When applications for a given school(s) exceed available space, all requests will be handled in a random, unbiased manner. Parents will be notified of the status of their application by June 1st.

For Additional information, please contact Human Resources Office at 760-352-5712 Ext 513.

ANNUAL PARENT NOTIFICATION 2014-15

INTERDISTRICT TRANSFER: CHOOSING A SCHOOL OUTSIDE DISTRICT WHERE PARENT LIVES

- EC §§46600 et seq. allows two or more districts to enter into an agreement for the transfer of one or more students. The agreement must specify the terms and conditions under which transfers are permitted. There are no statutory limitations on the kinds of terms and conditions districts are allowed to place on transfers. The law on interdistrict transfers also provides for the following:

If either district denies a transfer request, a parent may appeal that decision to the county board of education. There are specified timelines in the law for filing an appeal and for the county board of education to make a decision.

- **Districts of Choice (EC §§48300 through 48315):** Some schools may choose to become a district of choice, that is, a district that accepts transfer students from outside the district under terms of a resolution. If the school board of a district decides to become a “district of choice” it must determine the number of students it is willing to accept in this category each year and make sure that the students are selected through a “random and unbiased” process, which generally means a lottery process.
- **Parental Employment in Lieu of Residency Transfers (EC §48204(b)):** If at least one parent or legal guardian of a student is physically employed in the boundaries of a school district other than the one in which they live for a minimum of 10 hours during the school week, the student may be considered a resident of the school district in which his/her parents work. This code section does not require that a school district accept a student requesting a transfer on this basis, but a student may not be rejected on the basis of race/ethnicity, sex, parental income, academic achievement, or any other “arbitrary” consideration. Other provisions of EC §48204(b) include:

Either the district in which the parent or legal guardian live or the district in which the parent or legal guardian works may prohibit the student’s transfer if it is determined that there would be a negative impact on the district.

The district in which the parent or legal guardian works may reject a transfer if it determines that the cost of educating the student would be more than the amount of government funds the district would receive for educating the student.

There are set limits (based on total enrollment) on the net numbers of students that may transfer out of a district under this law, unless the district approves a greater number of transfers.

There is no required appeal process for a transfer that is denied. However, the district that declines to admit a student must provide in writing to the parent or legal guardian the specific reasons for denying the transfer.

- **Open Enrollment Act (EC § 48350 et seq.)** Whenever a student is attending a district school on the Open Enrollment List, as identified by the Superintendent of Public Instruction, he/she may apply to transfer to another school within or outside of the District, if the school to which he/she is transferring has a higher Academic Performance Index. Districts with a school on the List must notify the parents/guardians at that school on or before the first day of the school year of their option to transfer to another public school. Information regarding the application process and applicable deadlines can be obtained from the district office.

EXCUSED ABSENCES (EC §48205)

- Notwithstanding Section 48200, a pupil shall be excused from school when the absence is:
 1. Due to his or her illness.
 2. Due to quarantine under the direction of a county/city health officer.
 3. For the purpose of having medical, dental, optometric, or chiropractic services rendered.
 4. For the purpose of attending the funeral services of a member of his or her immediate family, so long as the absence is not more than one day if the service is conducted in California and not more than three days if the service is conducted outside California.
 5. Due to the illness or medical appointment during school hours of a child of whom the pupil is the custodial parent.
 6. For justifiable personal reasons, including, but not limited to, an appearance in court, attendance at a funeral service, observance of a holiday or ceremony of his or her religion, attendance at religious retreats, attendance

7. For the purpose of serving as a member of a precinct board for an election pursuant to Section 12302 of the Elections Code.
 8. For the purpose of spending time with a member of the pupil's immediate family, who is an active duty member of the uniformed services, as defined in Section 49701, and has been called to duty for, is on leave from, or has immediately returned from, deployment to a combat zone or combat support position. Absences granted pursuant to this paragraph shall be granted for a period of time to be determined at the discretion of the superintendent of the school district.
- A pupil absent from school under this section shall be allowed to complete all assignments and tests missed during the absence that can be reasonably provided and, upon satisfactory completion within a reasonable period of time, shall be given full credit therefor. The teacher of the class from which a pupil is absent shall determine which tests and assignments shall be reasonably equivalent to, but not necessarily identical to, the tests and assignments that the pupil missed during the absence.
 - For purposes of this section, attendance at religious retreats shall not exceed four hours per semester.
 - Absences pursuant to this section are deemed to be absences in computing average daily attendance and shall not generate state apportionment payments.
 - "Immediate family," as used in this section, has the same meaning as that set forth in Section 45194, except that references therein to "employee" shall be deemed to be references to "pupil."

TRUANCY DEFINITION (EC §48260): Any student who is absent from school without valid excuse more than three days or tardy an excess of 30 minutes on each of more than three days in one school year is a truant, and will be reported to the Associate Superintendent, or to the Superintendent of the District.

ABSENCES FOR CONFIDENTIAL MEDICAL SERVICES (EC §46010.1): Students in grades 7-12 and their parents are notified that the law permits schools to excuse students for the purpose of obtaining confidential medical services without parental consent. The District will excuse such absences provided the pupil, upon return to school, submits medical verification of the appointment.

ABSENCE FOR RELIGIOUS INSTRUCTION (EC §46014): Absence for religious purposes at a place away from school property and after the pupil has attended school for a minimum day may occur for a maximum of four (4) days per school month with the written consent of the pupil's parent or guardians.

NOTICE OF MINIMUM DAYS AND PUPIL-FREE STAFF DEVELOPMENT DAYS (EC §48980(c)): The district is required to annually notify parents of its schedule(s) of minimum days and student-free staff development days at the beginning of the year or as early as possible, but no later than one month prior to the start of school. These are given with your child's registration packets, if you have questions contact your child's school site secretary.

NOTICE OF ALTERNATIVE SCHOOLS (EC §58501): State law authorizes all school districts to provide for alternative schools. Education Code section 58500 defines an alternative school as a school or separate class group within a school that is operated in a manner designed to:

1. Maximize the opportunity for students to develop the positive values of self-reliance, initiative, kindness, spontaneity, resourcefulness, courage, creativity, responsibility, and joy.
2. Recognize that the best learning takes place when the student learns because of his/her desire to learn.
3. Maintain a learning situation maximizing student self-motivation and encouraging the student in his/her own time to follow his/her own interests. These interests may result in whole or in part from a presentation by his/her teachers of choices of learning projects.
4. Maximize the opportunity for teachers, parents and students to cooperatively develop the learning process and its subject matter. This opportunity shall be a continuous, permanent process.

ANNUAL PARENT NOTIFICATION 2014-15

In the event any parent, student, or teacher is interested in further information concerning alternative schools, the County Superintendent of Schools, the administrative office of this district, and the principal's office in each attendance area shall have copies of the law available for your information. This law particularly authorizes interested persons to request that the governing board of the district to establish alternative school programs in each district.

Further, a copy of this notice shall be posted in at least two places normally visible to pupils, teachers and visiting parents in each attendance unit area for the entire month of March in each year.

Refusal by the District to provide the investigator with access to records and/or other information related to the allegation in the complaint, or to otherwise fail to refuse or cooperate in the investigation or engage in any other obstruction of the investigation, may result in a finding based on evidence collected that a violation has occurred and may result in the imposition of a remedy in favor of the complainant.

C. Response

For discrimination or program complaints, a written decision shall be issued to the complainant within sixty (60) calendar days of receiving the complaint unless the complainant agrees in writing to an extension of time. This decision shall contain the findings of fact based on the evidence gathered, conclusions of law, disposition of the complaint, the rationale for such disposition, corrective actions if any are warranted, notice of complainant's right to appeal the District's decision to the California Department of Education, and the procedure to be followed for initiating an appeal to the California Department of Education. If an employee is disciplined according to established District policy as a result of the complaint, this report shall simply state that effective action was taken and that the employee was informed by District expectations. If the complainant has indicated on the complaint form that he or she would like a response to the complaint, the principal or his or her designee shall prepare and send the complainant a written report within forty-five (45) working days of the initial filing of the complaint. The report shall be made to the mailing address of the complainant as indicated in the complaint form. D. Appeal

For discrimination or program complaints a complainant may, within five (5) calendar days of receiving the written decision, file an appeal with the Board if he or she is dissatisfied with the compliance officer's decision. The Board may decide not to hear the complaint, in which case the compliance officer's decision shall be final. The Board may consider the matter at its next regular board meeting or at a special board meeting convened in order to meet the sixty (60) calendar days time limit in which the complaint must be answered.

If dissatisfied with the District's decision, the complainant may appeal in writing to the California Department of Education within fifteen (15) calendar days of receiving the District's decision. IV. Civil Law Remedies

A complainant may pursue available civil law remedies outside of the District's complaint procedures as provided by law. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. Except as provided by law, for discrimination complaints, a complainant must wait until sixty (60) days have elapsed from filing an appeal with the California Department of Education before pursuing civil law remedies. The moratorium does not apply to injunctive relief and is applicable only if the District has properly notified in writing as applicable, its students, employees, parents or guardians of its students, the district advisory committees, school advisory committees, and other interested parties of the District's complaint procedures, including the complainant's opportunity to appeal if dissatisfied with a decision.

Such intervention opportunities may include but are not limited to tutorial programs, afterschool and summer school programs.

The burden shall be on the appealing party to show why the decision of the teacher or 7th/8th grade leadership team should be overruled. The appeal process is as follows:

1. The appeal should be initiated no later than May 30.
